DOMINION OF CANADA

ANNUAL DEPARTMENTAL REPORTS

1924-25

VOL. II

OTTAWA
F. A. ACLAND
PRINTER TO THE KING'S MOST EXCELLENT MAJESTY
1927

NOTE

This edition of the annual reports of the various departments of the Government of the Dominion of Canada is intended to meet the needs of institutions, chiefly in the nature of Legislative and University Libraries, which in past years had received copies of these reports under the title of "Sessional Papers," represented by several cloth-bound volumes of approximately equal bulk, the number of reports to a volume being determined by the size of the respective reports. The House of Commons in 1925 ceased to order annual departmental reports to be printed as Sessional Papers and the annual reports of 1923-24 are therefore the latest appearing under that title. In the present issue of these reports the same general form and appearance have been preserved as when they appeared as "Sessional Papers." The number printed is limited and particulars as to the selling price of the set of several volumes may be obtained from the King's Printer, Ottawa.

Of this claim \$8,003.57 was paid from appropriations provided by Parliament for the year 1923-24, while the balance of \$1,505.62 was paid under your Letter of Credit in the year 1924-25 and charged as follows:—

Unforeseen expenses (Ocean and River Services).. . . .	\$1,000 00
Sorel Shipyard.. . . .	358 59
River St. Lawrence Ship Channel.. . . .	147 03

MARINE AND FISHERIES—MARINE ET PÊCHERIES

I shall be obliged if you will let me know your reason for withholding in 1923-24 the balance of \$1,505.62 for payment in 1924-25. Please observe that if the amount of \$1,000 paid in 1924-25 and charged to Unforeseen Expenses had been paid in 1923-24 from the appropriation provided for Unforeseen Expenses, that vote would have been exceeded to the extent of \$949.39.

Please inform me also why you consider the amount in question a charge against the appropriation provided for Unforeseen Expenses.

I am, Sir,

Your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister Marine and Fisheries.

DEPARTMENT OF MARINE AND FISHERIES, October 27, 1925.

SIR,—I beg to acknowledge the receipt of your letter of the 22nd instant, enquiring about the payment of account of \$9,509.19 rendered by the Department of Public Printing and Stationery, part of which was paid in the fiscal year 1923-24, and the balance in 1924-25.

In reply, I have to advise you that the reason for withholding, in 1923-24, the balance of \$1,505.62, for payment in 1924-25, was that when the account reached this Department it was seen that the balances available in the appropriations 1923-24 for the Sorel Shipyard, St. Lawrence Ship Canal, and Unforeseen Expenses, were not sufficient, and, as the forms printed were to be used in 1924-25, it was decided to pay these out of the appropriations for the year during which these printed matters were to be used.

I am, Sir,

Your obedient servant,

E. HAWKEN, Asst. D.M.

The Auditor General.

I am not aware of any competent authority other than certificates from the Civil Service Commission for the appointment of these officials, and in view of the fact that such certificates have not been issued by the Commission, I shall be obliged if you will let me know the authority under which they are employed

I am, Sir,

Your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Marine and Fisheries.

AUDITOR GENERAL'S OFFICE, March 4, 1925.

Sir,—I enclose herewith copies of letters between the Department of Marine and Fisheries, the Civil Service Commission and this Office relative to the employment of certain officers at the Life Saving Station, Bayview, N.S., without the approval of the Civil Service Commission.

On February 10th, 1925, certificates were issued by the Civil Service Commission, authorizing the employment of eight officers at the Bayview Station, four of these are employed, but the other four positions were filled by persons whose employment has not been approved by the Commission.

As the objection raised in my letters has not been answered to my satisfaction, I am referring the matter to the Treasury Board under Section 60 of the Consolidated Revenue and Audit Act, for such action as the Board may deem necessary.

I am, Sir,

Your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister of Finance and Secretary of the Treasury Board.

MARINE AND FISHERIES—MÂRINE ET PÊCHERIES

MARINE AND FISHERIES, June 1, 1925.

Sir,—I enclose herewith, for your information, copy of a letter submitted to the Deputy Minister of Justice on the 27th March last, with regard to positions in the Life Saving Service of this Department, and a copy of a reply from the Deputy Minister of Justice to the effect that, in his opinion, the Civil Service Act is not applicable to any of these positions.

I am, Sir,

Your obedient servant,

E. HAWKEN, *Asst. D.M.*

The Auditor General.

DEPARTMENT OF MARINE AND FISHERIES, March, 27, 1925.

Sir,—Under the authority contained in the ninth item of the schedule to Chapter 44, Revised Statutes of Canada, 1906, the Department of Marine and Fisheries maintains at Bay View, Digby County, Nova Scotia, a Life Saving Station. The Lifeboat at this station is 36 feet long, and is propelled by a gasoline engine, and is also equipped with sails and oars for emergency. The crew consists of a coxswain, engineer, cook and 5 boatmen, who are paid in accordance with the rates laid down in the classification of the Civil Service and who receive, in addition to their salary, a living allowance of \$300 per annum. The crew live ashore in quarters furnished by the Department.

Generally the only shore duties performed by the crew are to keep a constant patrol and lookout for wrecks and to keep the station and life-boat constantly in a state of efficiency, this, of course being only incidental to the real purpose for which the station is maintained and the men engaged, which is the operation of the motor life-boat for the purpose of saving life and property at sea.

The question has now arisen as to whether the members of this life saving crew and crews of similar stations should be appointed by the Civil Service Commission, or whether they should be regarded as holding positions on a "ship of His Majesty", which would place them outside the provisions of the Civil Service Act by the operation of Section 38A thereof and amendments.

I shall be glad of your opinion on this question at the earliest possible moment.

I have the honour to be,

Sir,

Your obedient servant,

E. HAWKEN, *Asst. D.M.*

The Deputy Minister of Justice.

DEPARTMENT OF JUSTICE, May 29, 1925.

Sir,—Referring to your letter of the 27th March last (53,279), in which you ask to be advised as to whether the members of the life saving crew of the life saving station at Bay View, and crews of similar stations, are eligible for appointment by the Civil Service Commission, or whether they hold positions

CORRESPONDENCE—CORRESPONDANCE

“on a ship of His Majesty” within the meaning of section 38A of the Civil Service Act, I am of opinion that the boat in question is a ship of His Majesty within the meaning of the definition of that term contained in the Act, and that consequently the Civil Service Act is not applicable to any positions thereupon.

I do not overlook the fact that this conclusion is not the same as that expressed in my letter of the 21st June, 1920, and Mr. Newcombe's opinion of the 12th March, 1921, both of which were addressed to the Civil Service Commission. In this connection, however, I may point out that on the 21st June, 1920, the definition referred to did not form part of the Act. So far as the opinion given on the 12th March, 1921, is concerned, which was given at a time when the definition referred to was in force, I have discussed the matter with Judge Newcombe, who states that he does not see how he could have intended to express the view he did, having in mind the plain words of the statutory definition, and that the word “not” at the end of the second last line of his letter must have been inserted through a clerical error. I wish to add that Judge Newcombe and the officer who prepared the opinion of the 12th March, 1921, are both in agreement with the conclusion expressed in the first paragraph of this letter.

I enclose copy of the two previous opinions referred to.

I have the honour to be,

Sir,

Your obedient servant,

W. STUART EDWARDS, *D.M. of J.*

The Assistant Deputy Minister of Marine and Fisheries.

Vote 232—Civil Service Commission Certificate not obtained

(Continuation of Correspondence,—see page O—124, 1923-24)

AUDITOR GENERAL'S OFFICE, September 14, 1925.

Sir,—I enclose herewith copies of correspondence with the Department of Marine and Fisheries relative to the employment of Kendall Turner, Messenger-Clerk in the Radiotelegraph Branch of that Department for whose employment the approval of the Civil Service Commission has not been obtained.

As Mr. Turner is still in the service of the Department, notwithstanding the fact that the necessary certificate of employment has not been issued by the Civil Service Commission, and as his salary is being paid under the Departmental Letter of Credit before being checked in this office, I beg to request that the correspondence be submitted to the Treasury Board under Section 60 of the Consolidated Revenue and Audit Act for such action as the Board may deem necessary.

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Secretary, Treasury Board.

Votes 232 & 254—Purchase of Land at Yarmouth

AUDITOR GENERAL'S OFFICE, October 8, 1925.

Sir,—In examining the vouchers in support of the expenditure of your Department for the fiscal year 1924-25, I find the following payments:—

B.4214—Chapman & Sanderson, Solicitors, and J. C. Chesley, Agent.. . . .	\$ 225 00
A.4748—A. W. Hilton and Landry & Poltier.. . . .	1,200 00

These payments were made in connection with sites acquired for a signal mast station and a Direction Finding Station at Yarmouth, and charged to Vote 254, Meteorological Service and Vote 232 Radiotelegraph Service, respectively.

I beg to direct your attention to the fact that neither Vote 254 nor Vote 232 provide specifically for the purchase of land. I am, therefore, of opinion that the purchase of the property in question should be approved by the Governor in Council.

I shall be obliged if you will inform me if the properties were valued by any competent independent valuator and how the purchase price in each case was determined.

I am, Sir,

Your obedient servant,

GEORGES GONTHIER.

The Deputy Minister, Marine and Fisheries.

NOTE BY AUDITOR GENERAL.—No reply received to this letter.

Vote 233—Travelling expenses, R. B. Lee

AUDITOR GENERAL'S OFFICE, November 2, 1925.

Sir,—In examining the vouchers in support of the expenditure of Marine and Fisheries Department during the fiscal year 1924-25, I find that travelling expenses amounting to \$200.01 was paid to R. B. Lee, an official at Ottawa, by Cheque A.8466.

In view of the provisions of an Order in Council, dated November 7th, 1913, that the travelling expenses of officials at Ottawa be paid out of the Civil Government Contingencies of the respective Departments, I shall be obliged if you will let me know your reason for paying the amount in question from the appropriation for the Tidal Survey.

I am, Sir,

Your obedient servant,

WM. KEARNS, Asst, A.G.

The Deputy Minister, Marine and Fisheries.

CORRESPONDENCE—CORRESPONDANCE

DEPARTMENT OF MARINE AND FISHERIES, November 17, 1925.

SIR,—In reply to your letter of the 2nd instant, regarding the payment of Mr. R. B. Lee's travelling expenses out of the Appropriation for Tidal Surveys, as per voucher No. A-8466 of 1924-25, I beg to inform you that, when these expenses were incurred by Mr. Lee, he was engaged in installing tide gauges, and such expenditure is provided for and chargeable to the Tidal Surveys Appropriation.

I am, Sir,

Your obedient servant,

E. HAWKEN, *Asst. D.M.*

The Auditor General.

Votes 234 & 459—Repairs to vessels, St. Lawrence Ship Channel

AUDITOR GENERAL'S OFFICE, February 16th, 1925.

SIR,—I desire to direct your attention to Order in Council P.C. 166, dated February 3, 1925, in which authority is granted to accept certain offers amounting to \$7,932.37, for repairs to sundry vessels belonging to the River St. Lawrence Ship Channel.

It is stated in paragraph 1, "that offers were received by the Department of Marine and Fisheries for repairs.....".

In this connection I shall be obliged if you will furnish me with the following information:

- (1) Were public tenders invited?
- (2) If public tenders were invited was the contract let to the lowest tenderer?
- (3) To whom were the contracts awarded?

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Marine and Fisheries.

DEPARTMENT OF MARINE AND FISHERIES, February 25, 1925.

SIR,—By direction, I beg to acknowledge receipt of your letter of the 16th instant, relative to Order in Council P.C. 166, dated February 3rd, 1925, in which authority is granted to accept certain offers amounting to \$7,932.37 for repairs to vessels of the St. Lawrence Ship Channel Fleet.

In reply, I may say that public tenders were not invited, as it was considered advisable to have the work performed by departmental labour at the Government Shipyard, Sorel, P.Q. Estimates covering these repairs were pre-

pared by the Acting Superintendent, Government Shipyard, Sorel, and referred for approval to the Superintending Engineer, River St. Lawrence Ship Channel, who recommended that the work be done at the shipyard, which the Deputy Minister approved, and the undersigned. This is the customary way to have repairs of this character made. I regret, however, that in the preparation of the Order in Council this was not made clear.

Yours very respectfully,

GEORGE H. FLOOD, *Purchasing and Contract Agent.*

The Asst. Auditor General.

SIR,—I enclose herewith copies of correspondence with the Department of Marine and Fisheries relative to payments for services made to J. C. Chesley, Marine Agent at St. John, N.B., in addition to his regular salary as agent.

As I consider the objection raised has not been answered to my satisfaction I am referring the matter to the Treasury Board under Section 60 of the Consolidated Revenue and Audit Act for such action as the Board may deem necessary.

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Finance and Secretary of the Treasury Board.

AUDITOR GENERAL'S OFFICE, August 6, 1925.

SIR,—With further reference to certain payments to J. C. Chesley, Agent of the Marine and Fisheries Department at St. John, N.B., in addition to his regular salary, I am enclosing herewith a copy of an extract from the Minutes of the Treasury Board dated March 20th, 1925.

I shall be obliged if you will inform me if the authority for the additional payments to Mr. Chesley has been obtained from the Civil Service Commission, as directed by the Treasury Board.

I am, Sir,

CORRESPONDENCE—CORRESPONDANCE

*Extract from the Minutes of the Meeting of the Honourable the Treasury Board,
held at Ottawa, on the Twentieth day of March, 1925*

T-113188B.

AUDIT.—The Board had under consideration a communication from the Assistant Auditor General concerning payments made to J. C. Chesley, Marine Agent, St. John, N.B., in addition to his regular salary as agent.

The Board direct that in conformity with the provisions of section 22 of the Civil Service Act, authority for the additional payments be obtained from the Civil Service Commission.

J. C. SAUNDERS, *Secretary*.

DEPARTMENT OF MARINE AND FISHERIES, August 12, 1925.

SIR,—I beg to acknowledge receipt of your letter of the 6th August relative to the above matter, and in reply I am to inform you that this matter is being taken up again with the Civil Service Commission.

For your information I enclose copy of a letter to which no reply has yet been received.

I am, Sir,

Your obedient servant,

F. McVEIGH, *for D.M.*

The Auditor General.

DEPARTMENT OF MARINE AND FISHERIES, December 23, 1924.

SIR,—In addition to his salary of \$3,600 per annum as Agent of the Department at St. John, Mr. Chesley is also in receipt of two salaries, namely,—one of \$1,200 as Supervisor of Wharves, as approved by Order in Council P.C. 27/897, dated 29th April, 1918, and another \$1,200 as Acting Superintendent of Pilots at St. John, a position to which he was appointed at the request of the Pilots who pay the salary out of their revenue.

As the Auditor General claims that the two positions should be covered by certificates from the Civil Service Commission, and that the Department sees no objection to this, I am to request you to kindly cause certificates to be issued in connection with the two positions referred to.

I am, Sir,

Your obedient servant,

A. JOHNSTON, *D.M.*

The Secretary, Civil Service Commission.

AUDITOR GENERAL'S OFFICE, August 14, 1925.

SIR,—I am forwarding herewith a copy of a Minute of the Treasury Board, T-113188B, dated March 20th, 1925, with respect to payments made to J. C. Chesley, Marine Agent at St. John, N.B., in addition to his regular salary as Agent.

I am, Sir Your obedient servant,

The Asst. Secretary, Civil Service Commission.

NOTE BY AUDITOR GENERAL.—The Civil Service Commission has not issued required certificate, so far as I am informed.

Vote 242—Disposition of Pilotage Fees

AUDITOR GENERAL'S OFFICE, May 29, 1925.

SIR,—I desire to direct your attention to the practice prevailing in your Department of paying the salaries of certain pilots from the Parliamentary appropriation "Administration of Pilotage" and crediting these amounts to expenditure at the close of the fiscal year.

It may be noted that the payments thus charged and subsequently credited to Expenditure for the fiscal year ended March 31st, 1924-25 amounted to \$183,577.60, while the net expenditure charged to the vote was only \$77,952.81 out of \$250,000, appropriated by Parliament.

In view of the fact that it is provided in the Canada Shipping Act, Chapter 113, Section 483 that the remuneration of pilots be paid from the sums received by the pilotage authority, I shall be obliged if you will inform me why the payments in question are made a charge against the vote provided for the administration of pilotage throughout the year, thus requiring an amount to be voted by Parliament far in excess of the requirements arising from the actual administration of the pilotage service.

I am, Sir, Your obedient servant,

GEORGES GONTHIER, *A.G.*

The Deputy Minister, Marine and Fisheries.

DEPARTMENT OF MARINE AND FISHERIES, June 10, 1925.

SIR,—Replying to your letter of the 29th ultimo regarding the above;

The appropriation authorized by and explained to Parliament at the time of the passing of the Vote was that of the amount of \$250,000 the greater part of same would be returned during and by the end of each fiscal year, the Department carrying on the service out of the appropriation as ready money is required in getting the vessels overhauled, advancing money for salaries, up-keep, etc., the money not being collected direct but by the Customs Department.

CORRESPONDENCE—CORRESPONDANCE

In Montreal and Quebec the season of navigation is from 15th April to 15th December, in Halifax the year round heaviest in the winter, St. John very light during the summer and very heavy in the winter, and Sydney from May to December.

The vote was altogether and completely used but at the end of the fiscal year all revenue received, amounting to \$183,577.60 was returned to the credit of the Vote.

I am, Sir, Your obedient servant,

A. JOHNSTON, D.M.

The Auditor General.

Vote 256—Construction of two Patrol Boats

AUDITOR GENERAL'S OFFICE, October 27, 1925.

SIR,—On August 17, 1923, your Department contracted with the Prince Rupert Drydock and Shipyard Company to construct two boats for use in the Fisheries Patrol Service at a cost of \$11,100 each. One-half of the amount was paid to the contracting company during the fiscal year 1923-24 and the balance in 1924-25.

In addition to the amount provided by the contract the Department paid the Prince Rupert Drydock and Shipyard Company \$400, by cheque 11569 of the fiscal year 1924-25.

I shall be obliged if you will let me know your authority for making the extra payment and also furnish this office with certified vouchers in support thereof, as provided by Section 45 of the Consolidated Revenue and Audit Act.

Vote 263—Experimental Shipment of Mackerel, Shippegan to Boston

AUDITOR GENERAL'S OFFICE, October 22, 1925.

SIR,—Letter of Credit cheque No. 6683 of the fiscal year 1924-25 issued by the Fisheries Branch of your Department in favour of the Manager of the Provincial Bank of Canada, Shippegan, for \$941.55 was in payment of "expenses of experimental shipment of mackerel under carbon dioxide gas treatment, from Shippegan to Boston." This payment was charged to the vote provided for investigations into practical and economic problems connected with the fisheries.

According to vouchers submitted, the total cost of the undertaking amounted to \$1,421.58; of this amount \$480.03 was paid by Joseph A. Rich & Company.

I shall be obliged if you will let me know the arrangement governing the distribution of the charges between the Department and Joseph A. Rich & Company.

I observe that, while the vouchers bear the certificate of the several firms or persons performing services, there is no certificate by a responsible officer of your Department as required by Section 45 of the Consolidated Revenue and Audit Act.

Your obedient servant,

The Deputy Minister, Marine and Fisheries.

DEPARTMENT OF MARINE AND FISHERIES,

FISHERIES BRANCH, November 26, 1925.

SIR,—With reference to your letter of the 22nd ultimo, *re* payment to the Manager, Provincial Bank of Canada, Shippigan, by Letter of Credit Cheque No. 6683 for the fiscal year 1924-25 for \$941.55, I am to inform you that in July 1924, with a view to testing the possibilities of developing the business of shipping fresh mackerel from Shippigan to the United States kept cool by means of carbon dioxide gas, an arrangement was made with the Prest Air Corporation of New York and the shippers of such fish at Shippigan, by which the latter were asked to place a car-load of their fish under experimental gas treatment on the understanding that the Department would stand between the shippers and any loss entailed thereby.

Owing to the remoteness of Shippigan and the lack of shipping facilities, a good deal of preliminary work was necessary in preparing the car and the fish for transportation. This entailed a considerable amount of expenditure beyond what would ordinarily have occurred. As a result of an unforeseen breakdown in the icing en route, the car, which was intended for New York, had to be diverted to Boston, where it arrived during a glut in the market. The fish were in excellent condition when they reached Boston, but they had to be sold at prices which did not cover expenses.

CORRESPONDENCE—CORRESPONDANCE

As this Department did not have an officer in Shippigan, the Manager of the Provincial Bank of Canada at that place, was asked to act for the Department and pay all accounts, the certificate of the Prest Air Corporation to be accepted on the account.

Vote 264—Excess of Disbursements over Receipts, Biological Board of Canada

AUDITOR GENERAL'S OFFICE, June 27, 1925.

SIR,—In examining the accounts of the Marine Biological Board of Canada for the fiscal year 1924-25, I find that the disbursements of the Board exceeded the receipts to the extent of \$2,594.53.

The receipts of the Board for the fiscal year 1924-25 consisted of the following items:—

Appropriated by the Dominion Government (Vote 264).....	\$42,000 00
Balance of appropriation, 1923-24, transferred to 1924-25.....	1,732 40
Balances of advances, 1923-24, recovered in 1924-25.....	1,550 00
Board of Biological Stations, and sundry sales.....	1,366 89
Total receipts	<u>\$46,649 29</u>

According to vouchers and statements submitted to this office the disbursements during the year 1924-25 amounted to \$49,244.04.

I shall be obliged if you will let me know the circumstances under which the Board considered it was justified in disbursing an amount of \$2,594.75 in excess of its receipts for the fiscal year 1924-25.

DEPARTMENT OF MARINE AND FISHERIES,

SIR,—I have your letter of the 27th ultimo, with reference to the excess of disbursements over receipts by the Biological Board of Canada, for the fiscal year 1924-25, amounting to \$2,594.75, and in reply I am to inform you that the then Secretary-Treasurer was evidently under the impression that he had suffi-

cient funds in hand to meet all charges, and continued dating cheques the 31st of March after the fiscal year closed, and after he had asked for and been given an advance for 1925-26. The Secretary-Treasurer resigned his office at the annual meeting held on May 21st and 22nd last, since which time the finances of the Biological Board have been administered by officials of the Department, and the accounts kept in the same manner as those of a regular appropriation. Consequently the irregularity referred to by you will not reoccur.

Vote 454—Paylists, Quebec Harbour Commission

AUDITOR GENERAL'S OFFICE, February 16, 1925.

SIR,—I am in receipt of your application No. 261, dated February 11th, requesting the issue of a cheque in favour of the Quebec Harbour Commission, for the sum of \$128,610.49, being expenditure during the months of October, November and December, 1924, on Quebec Harbour Improvements as authorized by Order in Council P.C. 2128, dated December 9, 1924.

Please observe that the signature of the respective payees are not affixed on the several paylists appearing in this claim, nor are paid cheques submitted as evidence of payment.

In order that these claims may be approved for payment satisfactory evidence must appear either in the form of a receipt by the payee or by the presentation of the paid cheque in each case.

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Marine and Fisheries.

DEPARTMENT OF MARINE AND FISHERIES, February 23, 1925.

Sir,—Receipt is acknowledged of your letter of the 16th instant with reference to the above matter, in which you point out that the claim of the Harbour Commissioners for reimbursement of their expenditure represented by these pay lists must be supported either by a form of receipt from each recipient of pay as represented in the pay roll, or the presentation of a paid cheque in each case. I beg to advise that this Department is prepared to furnish you with any kind of certification in support of these pay rolls that may be reasonably obtained, and

CORRESPONDENCE—CORRESPONDANCE

for that purpose am enclosing herewith an affidavit of the Paymaster who made the payment to the men on the job of the different amounts, standing against their names on the pay roll, to the effect that each of the different amounts specified in the pay roll was paid to the individual in whose name it stood, with certain exceptions, which he notes and which are explained in the pay roll sheets. We can, also, exhibit to you the paid voucher cheques in which the amounts of the payroll specified in the Harbour Commissioners' claim appear. These cheques will show that the money was drawn for payroll purposes, while the certificate of the officers of the Commission show that it was applied, in detail, as stated on the payrolls, and this is supported by the affidavit of the paymaster that he paid the amounts appearing on these payrolls against each name to the individual therein named. These voucher cheques, I am enclosing, also, but I must ask you to return the originals to this Department for return to the Harbour Commissioners.

While I am quite aware of the responsibilities of your Department in payment of all accounts, I would like to refer to the provisions of the Order in Council under which payment of the accounts presented by the Quebec Harbour Commissioners is authorized. The expenditure was made under a Vote passed in the estimates of the Department of Public Works, which was transferred to this Department for administration by Order in Council of the 22nd August, 1924, (P.C. 1430) while another Order in Council of the 9th December, 1924, (P.C. 2128) approved of certain specific items of construction which were to be carried out with the aid of this Vote on application by the Quebec Harbour Commissioners to the Department with the "presentation of such statements and accounts, with vouchers to be approved by the Supervisor of Harbour Commissions, as shall be satisfactory to the Deputy Minister;—all accounts, after such approval and certification by the Supervisor of Harbour Commissions, to be paid in the usual manner....". It is felt that the authority of this Order in Council should be sufficient warrant for the payment applied for, all expenditure having been carefully checked by the Supervisor of Harbour Commissions and all accounts for material in the payroll having been certified by him in addition to the officers of the Commission.

The habit of the Harbour Commissioners has always been to pay, fortnightly, the men on outside construction work at the job and it has never been customary to require signing of the payrolls by the employees appearing thereon in the case of outside construction, as in construction where a great many men are employed, many of them illiterate, this would be a very slow and expensive process and has never been looked on as being any great safeguard to prevent improper application of payroll funds. We would think that this work might very well be treated in the same way as work let under contract by the Department of Public Works, where the certificate of responsible officers is accepted as to the total amount of expenditure made and the contractor is responsible for his own payroll, and we trust that, with the certificates you have already received and the affidavit submitted herewith, you will see your way clear to release payment of the total claim of the Harbour Commissioners, applied for, as they are already in serious financial straits owing to the delay in receiving reimbursements for the outlay which they have made in this connection, and the Minister of this Department is being seriously embarrassed by the nature of the representations being made. Money has been advanced by the Harbour Commissioners' Bankers who have gone over the limit of accommodation arranged to the Commissioners and are now pressing for a reduction of the balance of the Commissioners' overdrawn account.

MARINE AND FISHERIES—MARINE ET PÊCHERIES

I trust that, in view of the circumstances, we may have early advice, from you as to a satisfactory method of relieving the situation other than that advised in your letter of the 16th, above acknowledged, which, as pointed out in telephone conversations, is, after all, only a fancied security.

I have the honour to be,

Sir,

Your obedient servant,

A. JOHNSTON, D.M.

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, February 27, 1925.

SIR,—With further reference to your application No. 261 for a cheque in favour of the Quebec Harbour Commissioners for the sum of \$128,610.49 and your letter of the 11th inst. in connection therewith, I desire to inform you that in view of the practical impossibility of securing the necessary proofs of payment at this date, called for by the Consolidated Revenue and Audit Act, I am passing your application on the certificate of the responsible officers of the Quebec Harbour Commissioners that the whole amount (\$128,610.49) was disbursed as entered on the paylists sent me.

I desire to inform you, however, that in future all payrolls submitted as vouchers must, in addition to any other certificate required, bear the necessary proof of payment, either in the form of a receipt from each payee or the paid cheque issued in each case to the order of the payee.

I am returning herewith the voucher cheques as requested in your letter.

I am, Sir,

Your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Marine and Fisheries.

Quebec Harbour Commission—Arrears of Interest

AUDITOR GENERAL'S OFFICE, June 23, 1924.

SIR,—I have received an application from the Department of Marine and Fisheries for the issue of a cheque for \$112,000 in favour of the Quebec Harbour Commissioners, being the amount authorized by Order in Council—P.C. 913—of June 7th, 1924, as an advance to be charged to loans authorized by Statute.

On enquiry at your Department I have been informed that the Quebec Harbour Commission is in arrears of interest on previous loans to the amount of \$2,142,923.24 and it seems to me I should bring this condition of affairs to the special notice of the Treasury Board before passing for payment the amount of the advance asked for in the present instance.

CORRESPONDENCE—CORRESPONDANCE

Under Section 10 of the Act of Parliament authorizing the constitution of a Board of Audit, being Chapter 30 of the Statutes of 1923, the Board is directed to inquire into the financial affairs of any Commission or other public body, the operations of which are carried on by appropriations from the Treasury of Canada or which are aided by grants or loans from the said Treasury &c, &c.

The inquiry thus authorized will no doubt take place at an early date but in the meantime I should like to know if the Treasury Board desires that, notwithstanding the arrears of interest, the advance of \$112,000 applied for by the Department of Marine and Fisheries under the authority of Order in Council—P.C. 913—of June 7th, 1924 may be paid.

I am, Sir,

Your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister of Finance and Secy. of the Treasury Board.

TREASURY BOARD, July 17, 1924.

DEAR SIR,—Your communication of the 23rd ultimo concerning an advance of \$112,000 to the Quebec Harbour Commissioners, was considered by the Treasury Board at a meeting held on the 12th instant.

The Board, pending your enquiry on the subject, recommend that the advance referred to in your letter be made.

Yours truly,

J. C. SAUNDERS, *Secretary*.

The Auditor General.

MONSIEUR,—En examinant les pièces justificatives couvrant les dépenses faites par le ministère de la Marine et des Pêcheries pour l'année financière 1924-25, je constate que les sommes suivantes ont été payées sur le compte des salaires:

Vu que ces paiements ont été faits à d'autres personnes que celles qui sont mentionnées sur le bordereau de paye, veuillez me faire savoir si l'on a obtenu des procurations dans chaque cas avant le paiement, conformément à l'ordre de la Trésorerie en date du 1er février 1870.

Je demeure, monsieur,

Votre obéissant serviteur,

WM KEARNS, A.G. *adj.*

Le sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, le 6 novembre 1925.

MONSIEUR,—En réponse à votre lettre du 2 courant mentionnant que diverses pièces justificatives de 1924-25 indiquent que certains salaires ont été payés à des personnes autres que celles qui sont portées sur le bordereau de paye, je puis vous dire que les agents du ministère mentionné ont reçu des instructions précises pour obtenir des procurations lorsque des employés ne peuvent retirer personnellement leur salaire, et le ministère est convaincu que ces instructions ont été suivies.

Je demeure, monsieur,

Votre obéissant serviteur,

E. HAWKEN, s.-m. *adj.*

L'Auditeur général.

Vote 229—Paiements faits en 1924-25 pour des dépenses de 1923-24

BUREAU DE L'AUDITEUR GÉNÉRAL, le 22 octobre 1925.

MONSIEUR,—Durant l'année financière 1923-24, une réclamation a été produite au département des Impressions et de la Papeterie de l'Etat, pour services rendus à votre ministère, et se montant à \$9,509.19. Sur cette somme, \$8,003.57 ont été payés sur le crédit voté par le Parlement pour l'année 1923-24, et le reste, une somme de \$1,505.62, a été payée sous l'autorité de votre lettre de crédit pour l'année 1924-25 et portée au livre comme suit:

Dépenses imprévues (Navigation océanique et fluviale).. . . .	\$1,000 00
Chantier de Sorel.. . . .	358 59
Chenal de navigation du Saint-Laurent.. . . .	147 03

CORRESPONDENCE—CORRESPONDANCE

Veillez me faire connaître la raison pour laquelle on a gardé en 1923-24 ce solde de \$1,505.62 pour être payé en 1924-25. Veuillez remarquer que si le montant de \$1,000 payé en 1924-25 et porté au compte des dépenses imprévues avait été payé en 1923-24 sur le crédit voté à cette fin, celui-ci aurait été dépassé de \$949.39.

Veillez me dire aussi pourquoi vous considérez le montant en question comme correctement entré dans le compte réservé aux dépenses imprévues.

Je demeure, monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, le 27 octobre 1925.

MONSIEUR,—J'accuse réception de votre lettre du 22 courant demandant des explications au sujet du compte de \$9,509.19 payé par le département des Impressions et de la Papeterie de l'Etat, partie durant l'année financière 1923-24 et le reste en 1924-25.

En réponse je dois vous dire que la raison du retard de 1923-24 à 1924-25 pour le paiement de \$1,505.62 est que lorsque le compte est parvenu au ministère, on a constaté que les balances disponibles dans les crédits de 1923-24 pour le chantier de Sorel, le chenal maritime du Saint-Laurent et pour dépenses imprévues ne seraient pas suffisantes, et vu que les formules imprimées devaient être encore en usage pour l'année 1924-25, on a décidé de les payer sur les crédits de l'année durant laquelle ces formules serviraient.

Je demeure, Monsieur,

Votre obéissant serviteur,

E. HAWKEN, S.M. adj.

L'Auditeur général.

Vote 230—Certificats non obtenus de la Commission du Service civil

(Suite de la correspondance de la page O—134, 1923-24).

BUREAU DE L'AUDITEUR GÉNÉRAL, le 11 décembre 1925.

MONSIEUR,—Le 10 et le 31 octobre, je vous ai écrit au sujet de certaines nominations aux postes de sauvetage de Bay-View, nominations faites sans l'assentiment de la Commission du Service civil.

N'ayant pas reçu de réponse encore, je serais heureux de savoir que vous accorderez votre attention à ce sujet aussitôt que possible.

Je demeure, monsieur,

Votre obéissant serviteur,

WM KEARNS, A.G. adj.

Le sous-ministre de la Marine et des Pêcheries.

MARINE AND FISHERIES—MARINE ET PÊCHERIES

BUREAU DE L'AUDITEUR GÉNÉRAL, le 4 février 1925.

MONSIEUR,—Je me permets d'attirer de nouveau votre attention sur mes lettres du 10 octobre, du 31 octobre et du 11 décembre 1924, concernant certaines nominations qui ont été faites au poste de sauvetage de Bayview sans consulter la Commission du Service civil. Comme ces lettres sont restées sans réponse, je vous renouvelle mes questions au sujet des nominations suivantes faites à ce poste, sans égard à la Commission:

	Traitement	Pension
H. E. Raymond, bosseman	\$1,020 00	\$300 00
Wm. Ellis, mécanicien	960 00	300 00
L. A. Adams, cuisinier	660 00	300 00
W. J. Abbott, matelot	540 00	300 00
I. G. Ellis, matelot	540 00	300 00
A. L. Moorehouse, matelot	540 00	300 00
A. D. Wilson, matelot.....	540 00	300 00

Je ne crois pas que ces personnes puissent être nommées autrement que par l'émission de certificats émanant de la Commission du Service civil, et comme celle-ci n'a pas émis de tels certificats, je vous prierais de me dire en vertu de quelle autorité vous employez ces personnes.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre de la Marine et des Pêcheries.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 4 mars 1925.

Monsieur,—Vous trouverez ci-inclus copie de lettres échangées entre le ministère de la Marine et des Pêcheries, la Commission du Service civil et ce Bureau au sujet de l'emploi de certaines personnes au poste de sauvetage de Bayview, N.-E., sans l'approbation de la Commission du Service civil.

Le 10 février 1925 la Commission du Service civil a émis des certificats autorisant l'emploi de huit personnes au poste de Bayview. Quatre de celles-ci y sont employées, mais les quatre autres positions ont été remplies par des personnes qui n'y sont pas autorisées par la Commission.

Comme on n'a pas répondu d'une façon satisfaisante à l'objection posée dans mes lettres, je soumets la question au Conseil de la Trésorerie, aux termes de l'article 60 de la Loi du Revenu consolidé et de l'Audition, afin que celui-ci prenne les mesures qu'il jugera nécessaires.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre des Finances et secrétaire du Conseil du Trésor.

CORRESPONDENCE—CORRESPONDANCE

MARINE ET PÊCHERIES, le 1er juin 1925.

MONSIEUR,—J'inclus sous ce pli une copie de la lettre adressée au sous-ministre de la Justice, le 27 mars dernier, concernant certaines positions du service de sauvetage de ce ministère, ainsi que copie de la réponse du sous-ministre de la Justice. Il est d'avis que la loi du Service civil ne s'applique pas à ces positions.

Je suis, monsieur, votre obéissant serviteur,

E. HAWKEN, *S.-M. adj.*

L'Auditeur Général.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, le 27 mars 1925.

MONSIEUR,—Le ministère de la Marine et des Pêcheries maintient un poste de sauvetage à Bayview, comté de Digby, Nouvelle-Ecosse, en vertu de l'autorité conférée par le paragraphe 9 de l'Annexe au chapitre 44 des Statuts Révisés du Canada, 1906. Le canot de sauvetage de ce poste mesure 36 pieds de longueur; il est mû par un moteur à essence, et est aussi muni de voiles et de rames en cas d'urgence. L'équipage se compose d'un bosseman, d'un mécanicien, d'un cuisinier et de 5 matelots, dont la rémunération est conforme aux taux établis par la classification du Service civil; ils touchent une allocation de subsistance de \$300 par année en plus de leur traitement régulier. L'équipage vit à terre dans des quartiers mis à sa disposition par le ministère.

Règle générale les fonctions de l'équipage sur terre ne consistent qu'à maintenir une patrouille constante pour découvrir les navires en détresse et à tenir le poste et le canot de sauvetage en bon état. Il est évident que ces fonctions sont secondaires aux fins réelles pour lesquelles ces personnes sont employées, c'est-à-dire l'opération du canot à essence pour le sauvetage de la vie et de la propriété en mer.

Reste à décider si le personnel de ce poste et ceux des autres postes de ce genre doivent être nommés par la Commission du Service civil, ou si ceux-ci peuvent être considérés comme en fonctions sur un "navire de Sa Majesté", ce qui les soustrait aux effets de la loi du Service Civil en vertu de l'article 38A et des amendements à cette loi.

Je serais heureux de connaître votre opinion sur cette question le plus tôt possible.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

E. HAWKEN, *S.-M. adj.*

Le sous-ministre de la Justice.

MINISTÈRE DE LA JUSTICE, le 29 mai 1925.

MONSIEUR,—A propos de votre lettre du 27 mars dernier (53279), où vous demandez notre avis quant à savoir si les membres de l'équipe du poste de sauvetage de Bayview et des équipes de postes similaires ont droit d'être nommés par la Commission du Service civil, ou s'ils détiennent des positions "sur un navire de Sa Majesté" aux termes de l'article 38A de la loi du Service civil, je suis d'avis que le bateau en question est un navire de Sa Majesté aux termes de la définition de ce terme contenue dans la loi, et que par conséquent la loi du Service civil ne s'applique pas à ces positions.

MARINE AND FISHERIES—MARINE ET PÊCHERIES

Je sais que cette conclusion diffère de celle exprimée dans ma lettre du 21 juin 1920, et de l'opinion contenue dans la lettre de M. Newcombe en date du 12 mars 1921, qui toutes deux ont été envoyées à la Commission du Service civil. A ce propos, toutefois, je ferai remarquer que le 21 juin 1920, la définition mentionnée n'était pas dans la loi. En ce qui concerne l'opinion donnée le 12 mars 1921, alors que la définition dont il s'agit était en vigueur, j'ai discuté la question avec le juge Newcombe qui ne voit pas comment il aurait pu intentionnellement exprimer l'opinion qu'il a formulée, vu que la définition du statut est claire et que le mot "non", à la fin de l'avant-dernière ligne de sa lettre doit avoir été mis par erreur de copiste. J'ajouterai que le juge Newcombe et le fonctionnaire qui a préparé l'opinion du 12 mars 1921 sont tous deux favorables à la conclusion exprimée dans le premier paragraphe de la présente lettre.

Je vous inclus copie des deux opinions précédentes que j'ai mentionnées.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

W.-STUART EDWARDS, *S.-M. de la J.*

Le sous-ministre de la Marine et des Pêcheries.

Vote 232—Certificat de la Commission du Service civil non obtenu

(Suite de la correspondance, voir page O—135, 1923-24)

BUREAU DE L'AUDITEUR GÉNÉRAL, le 14 septembre 1925.

MONSIEUR,—Je vous envoie sous ce pli copie de la correspondance échangée avec le ministère de la Marine et des Pêcheries au sujet de l'emploi de Kendall Turner, commis-messager de la division de radiotélégraphie, sans l'approbation de la Commission.

Vu que M. Turner est encore au service du ministère, malgré le fait que la Commission du Service civil n'a pas émis les certificats nécessaires, et vu que ses appointements lui sont versés en vertu de la lettre de crédit du ministère avant d'être vérifiés dans notre bureau, je demande que la correspondance soit soumise au Conseil de la Trésorerie selon l'article 60 de la loi du Revenu consolidé et de l'Audition, et que le Conseil décide ce qu'il jugera à propos.

Je suis, monsieur,

Votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le secrétaire du Conseil de la Trésorerie.

Votes 232 et 254—Achat de terrain à Yarmouth

BUREAU DE L'AUDITEUR GÉNÉRAL, le 8 octobre 1925.

MONSIEUR,—En examinant les pièces justificatives se rattachant aux dépenses de votre ministère pendant l'année financière 1924-25, je trouve les paiements suivants:

B-4214—Chapman & Sanderson, avocats, et J. C. Chesley, agent..	\$ 225 00
A-4748—A. W. Hilton et Landry & Poltier.....	1,200 00

CORRESPONDENCE—CORRESPONDANCE

Ces paiements ont été faits au sujet d'emplacements acquis pour le poste du mât de signalement et pour le poste de recherche de la direction des ondes à Yarmouth. Ils ont été imputés sur le vote 254, Service météorologique, et sur le vote 232, Service radiotélégraphique.

Je vous ferai remarquer que ni le vote 254 ni le vote 232 ne prévoient l'achat de ces terrains. Je suis donc d'avis que l'achat des propriétés en question devrait être approuvé par le Gouverneur en Conseil.

Vous m'obligerez en me disant si les propriétés ont été évaluées par un évaluateur compétent et indépendant et comment a été déterminé le prix d'achat dans chaque cas.

Je suis, monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre de la Marine et des Pêcheries.

Vote 233—Frais de déplacement, R. B. Lee

BUREAU DE L'AUDITEUR GÉNÉRAL, le 2 novembre 1925.

MONSIEUR,—En examinant les pièces justificatives se rattachant aux dépenses du ministère de la Marine et des Pêcheries pendant l'année financière 1924-25, je constate que des frais de déplacement au montant de \$200.01 ont été payés à R. B. Lee, fonctionnaire d'Ottawa, par le chèque A.8466.

Vu les dispositions de l'arrêté du 7 novembre 1923 portant que les frais de voyages des fonctionnaires d'Ottawa doivent être payés à même le crédit des dépenses contingentes du Gouvernement civil du ministère intéressé, vous m'obligeriez en me faisant connaître vos raisons pour avoir payé ce montant sur les votes des levés relatifs aux marées.

Je suis, monsieur,

Votre obéissant serviteur,

WM KEARNS, A.G. adj.

Le sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, le 17 novembre 1925.

MONSIEUR,—En réponse à votre lettre du 2 courant relativement au paiement des dépenses de déplacement de M. R.-B. Lee, à même le vote pour Levés maréographiques, conformément à la pièce justificative N° A-8466 de 1924-25, j'ai l'honneur de vous informer que ces dépenses ont été encourues par M. Lee pendant qu'il était à faire l'installation des maréographes et ces dépenses sont prévues et imputables sur le vote pour les Levés maréographiques.

Je demeure, monsieur, votre obéissant serviteur,

E. HAWKEN, S.-M. adj.

L'Auditeur général.

MARINE AND FISHERIES—MARINE ET PÊCHERIES

Votes 234 et 459—Réparations aux navires (chenal de navigation du Saint-Laurent)

BUREAU DE L'AUDITEUR GÉNÉRAL, le 16 février 1925.

MONSIEUR,—Je désire attirer votre attention sur l'arrêté ministériel C.P. *166, en date du 3 février 1925, qui vous autorise à accepter certaines offres s'élevant à \$7,932.37, pour des réparations à divers navires appartenant au chenal de navigation du fleuve Saint-Laurent.

Il est déclaré dans le paragraphe 1 "que le ministère de la Marine et des Pêcheries a reçu des offres pour des réparations. . ."

Je vous serais obligé si vous me fournissiez les renseignements suivants concernant cette question:

- (1) A-t-on demandé des soumissions publiques?
- (2) Si on a demandé des soumissions, a-t-on adjugé les travaux au plus bas soumissionnaire?
- (3) A qui a-t-on accordé les contrats?

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

WM KEARNS, A.G. adj.

Le sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, le 25 février 1925.

MONSIEUR,—Je suis chargé d'accuser réception de votre lettre du 16 courant, concernant l'arrêté ministériel C.P. 166, en date du 3 février 1925, qui nous autorise d'accepter certaines offres s'élevant à \$7,932.37 pour des réparations à des navires de la flotte du chenal de navigation du fleuve Saint-Laurent.

En réponse, je dois dire que nous n'avons pas demandé de soumission, car il a été jugé à propos de faire exécuter le travail par les ouvriers du ministère aux chantiers maritimes de l'Etat à Sorel, P.Q. Le surintendant suppléant des chantiers maritimes de l'Etat, à Sorel, prépara une surestimation qui fut soumise à l'approbation de l'ingénieur-surintendant, chenal de navigation du fleuve Saint-Laurent, qui recommanda que les travaux fussent exécutés par les ouvriers des chantiers maritimes, le sous-ministre et le soussigné ont aussi donné leur approbation. Je regrette que les choses n'aient pas été clairement exprimées dans l'arrêté ministériel.

A vous respectueusement,

GEORGE F. FLOOD, *Acheteur et adjudicateur.*

L'Auditeur général adjoint.

**Votes 236 et 242—Paiements additionnels de traitement non approuvés
par la Commission du Service civil***(Suite de la correspondance, voir page O-131, 1923-24)*

BUREAU DE L'AUDITEUR GÉNÉRAL, le 31 janvier 1925.

MONSIEUR,—Vous trouverez ci-inclus copie de la correspondance échangée avec le ministère de la Marine et des Pêcheries relativement à la rémunération payée à J. C. Chesley, agent de navigation à Saint-Jean, N.-B., en sus de son traitement régulier à titre d'agent.

Considérant qu'on n'a pas répondu de façon satisfaisante à l'objection que j'ai soulevée, je sou mets la question au Conseil de la Trésorerie, conformément à l'article 60 de la Loi du Revenu consolidé et de l'Audition. Le Conseil prendra la décision qu'il jugera nécessaire.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre des Finances et secrétaire du Conseil de la Trésorerie.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 6 août 1925.

MONSIEUR,—Revenant de nouveau sur le sujet de certains paiements versés à J. C. Chesley, agent du ministère de la Marine et des Pêcheries à Saint-Jean, N.-B., en sus de son traitement régulier, je vous inclus sous ce pli copie d'un extrait du procès-verbal du Conseil de la Trésorerie en date du 20 mars 1925.

Je vous serais obligé si vous m'informiez si vous avez, conformément aux prescription du Conseil de la Trésorerie, obtenu la sanction de la Commission du Service civil quant aux paiements additionnels versés à M. Chesley.

J'ai l'honneur d'être, monsieur,

AUDITION.—Le Conseil a étudié un communiqué de l'Auditeur général adjoint relativement à des paiements faits à J. C. Chesley, agent de navigation à St-Jean, N.-B., en plus de son salaire régulier comme agent.

Le Conseil ordonne que l'autorisation pour les paiements supplémentaires soit acquise de la Commission du Service civil conformément aux dispositions de l'article 22 de la Loi du Service civil.

MARINE AND FISHERIES—MARINE ET PÊCHERIES

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, le 12 août 1925.

MONSIEUR,—Je désire accuser réception de votre lettre du 6 août relativement à la question susmentionnée, et en réponse je dois vous informer que nous saisissons encore une fois la Commission du Service civil de cette question.

Pour votre information, j'inclus la copie d'une lettre qui est restée jusqu'ici sans réponse.

Je suis, monsieur,

Votre obéissant serviteur,

F. McVEIGH, *pour le S.M.*

L'Auditeur général.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, le 23 décembre 1924.

MONSIEUR,—En plus de son traitement annuel de \$3,600 comme agent du Ministère à St-Jean, M. Chesley reçoit aussi deux traitements, à savoir, un de \$1,200 à titre de surintendant des quais, tel qu'approuvé par arrêté en Conseil, C.P. 27/897, daté le 29 avril 1918, et un autre traitement de \$1,200 comme surintendant suppléant des pilotes à St-Jean, une position à laquelle il a été nommé à la demande des pilotes qui paient le traitement à même leur revenu.

Vu que l'Auditeur général soutient que les deux positions nécessitent l'émission de certificats par la Commission du Service civil, et entendu que le Ministère n'y voit pas d'objection, je vous prie donc de bien vouloir faire émettre des certificats relativement aux deux positions dont il est question.

Je suis, monsieur,

Votre obéissant serviteur,

A. JOHNSTON, *S.M.*

Le Secrétaire de la Commission du service civil.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 14 août 1925.

MONSIEUR,—Je vous envoie ci-joint une copie d'un procès-verbal du Conseil de la Trésorerie, T-113188B, daté le 20 mars 1925 relativement aux paiements faits à J. C. Chesley, agent de navigation à St-Jean, N.-B., en plus de son traitement régulier comme agent.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

REMARQUE DE L'AUDITEUR GÉNÉRAL.—La Commission du Service civil n'a pas émis les certificats requis, en tant que je suis informé.

CORRESPONDENCE—CORRESPONDANCE

Vote 242—Emploi des droits de pilotage

BUREAU DE L'AUDITEUR GÉNÉRAL, le 29 mai, 1925.

MONSIEUR,—Je désire attirer votre attention sur la coutume établie dans votre ministère de payer les salaires de certains pilotes à même le crédit parlementaire "Administration de pilotage" et de porter ces montants au crédit de la Dépense à la fin de l'année financière.

Permettez-moi de vous faire remarquer que les paiements ainsi débités et dans la suite crédités au compte de la Dépense pour l'année financière terminée le 31 mars, 1924-25, ont atteint le montant de \$183,577.60, alors que le chiffre net de la dépense débité au crédit n'a été que de \$77,952.81 sur un total de \$250,000 autorisé par le Parlement.

Par suite du fait que la loi de la Marine marchande au Canada, chapitre 113, stipule à l'article 483 que les rémunérations aux pilotes soient payées à même les sommes reçues par l'administration de pilotage, je vous serais obligé de bien vouloir me dire pourquoi les paiements dont il s'agit sont imputés sur le crédit destiné à l'administration du pilotage pendant toute l'année, ce qui a pour résultat de faire voter par le Parlement un crédit de beaucoup plus élevé que le chiffre nécessaire pour assurer la seule administration du service de pilotage.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, le 10 juin 1925.

MONSIEUR,—En réponse à votre lettre du 29 écoulé ayant trait à la question ci-dessus indiquée, je désire vous faire les remarques suivantes:

Lorsque le Parlement a autorisé ce crédit on a déclaré, à titre d'explication, que la plus forte partie de ce montant de \$250,000.00 serait remboursée au cours et à la fin de chaque année financière, le ministère administrant le service à même le crédit parce qu'il lui faut payer argent comptant pour faire visiter ou réparer les navires, le ministère avançant également les fonds pour le paiement des salaires, l'entretien, etc., les droits n'étant pas perçus directement mais par l'entremise du ministère des Douanes.

À Montréal et à Québec la saison de navigation s'étend du 15 avril au 15 décembre alors qu'à Halifax la saison de navigation dure toute l'année avec une forte augmentation en hiver, qu'à St-Jean elle est très faible en été et très forte en hiver, et qu'à Sydney elle s'étend du mois de mai au mois de septembre.

Le vote a été pleinement et complètement utilisé, mais à la fin de l'année financière toutes les recettes encaissées, au montant de \$183,577.60, ont été portées au crédit de ce vote.

Je suis, monsieur, votre obéissant serviteur,

A. JOHNSTON, S.M.

L'Auditeur général.

Vote 256—Construction de deux pataches

BUREAU DE L'AUDITEUR GÉNÉRAL, le 27 octobre 1925.

MONSIEUR,—Le 17 août 1923 votre ministère a confié par contrat à la Prince Rupert Drydock and Shipyard Company la construction de deux pataches devant être employées dans le service de patrouille des pêcheries au coût de \$11,100 chacune. La moitié du montant a été payé à la compagnie contractante au cours de l'année financière 1923-24 et le reste en 1924-25.

En plus du montant arrêté dans le contrat le ministère a également payé à la Prince Rupert Drydock and Shipyard Company une somme de \$400 comme l'atteste le chèque 11569 de l'année financière 1924-25.

Je vous serai reconnaissant de bien vouloir me dire de quelle autorité vous avez fait ce paiement supplémentaire et aussi faire tenir à ce bureau les pièces justificatives certifiées motivant ce paiement, conformément à l'article 45 de la Loi du Revenu consolidé et de l'Audition.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, DIVISION DES PÊCHERIES,
le 25 novembre 1925.

MONSIEUR,—Relativement à votre lettre du 27 du mois dernier concernant le chèque officiel N° 11569 pour l'année financière 1924-25, émis en faveur de la Prince Rupert Drydock and Shipyard Company pour la somme de \$400.00, sur le compte de la construction de deux bateaux de patrouille pour le service des pêcheries, je dois vous informer que ce chèque a été déposé au crédit du Receveur général et que le montant dudit chèque est reporté dans le rapport des revenus pour le mois courant.

Je demeure, monsieur, votre obéissant serviteur,

Vote 263—Expédition de maquereau, de Shippegan à Boston, à titre d'essai

BUREAU DE L'AUDITEUR GÉNÉRAL, le 22 octobre 1925.

MONSIEUR,—Le chèque N° 6683 (contre lettre de crédit) pour l'année financière 1924-25 émis par la division des Pêcheries de votre ministère en faveur du gérant de la Banque Provinciale du Canada, Shippegan, pour la somme de \$941.55 en paiement des "dépenses relatives aux essais d'expédition de maquereau traité par le gaz bioxide de carbone, de Shippegan à Boston". Ce paiement a été imputé sur le crédit voté pour les fins de recherches touchant les problèmes économiques et pratiques dans le domaine des pêcheries.

D'après les pièces justificatives soumises, le coût total de l'entreprise s'est élevé à \$1,421.58, dont \$480.03 ont été payés par Joseph A. Rich & Company.

CORRESPONDENCE—CORRESPONDANCE

Je vous serais reconnaissant de me laisser savoir dans quelle proportion les frais de cette entreprise ont été partagés entre le ministère et la compagnie Joseph A. Rich & Company.

Bien que les pièces justificatives portent l'attestation de plusieurs firmes ou personnes dont les services sont utilisés, je n'y vois pas de certificat émis par un officier responsable de votre ministère, tel que requis par la loi du Revenu consolidé et de l'Audition.

Je demeure, monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, DIVISION DES PÊCHERIES,
26 novembre 1925.

MONSIEUR,—Relativement à votre lettre du 22 du mois dernier concernant le paiement effectué au gérant de la Banque Provinciale du Canada, Shippigan, au moyen d'un chèque portant le numéro 6683, au montant de \$941.55, émis contre lettre de crédit (année 1924-25), je dois vous informer qu'au mois de juillet, dans le but d'éprouver la possibilité de développer le commerce d'exportation de Shippigan aux Etats-Unis du maquereau frais conservé au moyen du gaz bioxyde de carbone, des arrangements ont été conclus entre la Prest Air Corporation, de New-York, et les expéditeurs de ce poisson à Shippigan, en vertu desquels ces derniers devaient expédier en essai un wagon complet de leur poisson sous traitement au gaz avec l'entente que le ministère se portait garant de toutes pertes que les expéditeurs souffriraient comme résultat de cette expérience.

Shippigan étant un endroit éloigné et manquant de facilités pour ces consignations, il a fallu beaucoup de travaux préliminaires en vue de préparer à la fois le wagon et le poisson à expédier. Il en est résulté une dépense beaucoup plus élevée qu'en temps ordinaire. Puis en cours de route un accident imprévu mettant hors de service le système de réfrigération il a fallu diriger ce wagon qui était destiné à New-York, sur Boston où il arriva pendant que le marché était à la baisse. Le poisson était en condition excellente en arrivant à Boston mais on a dû le vendre à un prix qui ne couvrirait pas les dépenses.

Comme le ministère n'avait pas de fonctionnaire à Shippigan, le gérant en cet endroit de la Banque Provinciale du Canada a été prié d'agir au nom du ministère et de payer tous les comptes en acceptant le certificat de la Prest Air Corporation à cet effet.

Je demeure, monsieur, votre obéissant serviteur,

A. JOHNSTON, S.-M.

Vote 264—Excédent des déboursés sur les recettes, Commission biologique du Canada

BUREAU DE L'AUDITEUR GÉNÉRAL, le 27 juin 1925.

MONSIEUR,—En examinant les comptes de la Commission biologique du Canada (ministère de la Marine) pour l'année financière 1924-25, je constate que les déboursés de la Commission dépassent les recettes de \$2,594.53.

Les recettes de la Commission pour l'année financière 1924-25 se composaient comme suit:

Appropriation budgétaire du gouvernement fédéral, (crédit 264).....	\$42,000 00
Reliquat du crédit de 1923-24 reporté en 1924-25.....	1,732 40
Soldes des avances 1923-24 recouvrées en 1924-25.....	1,550 00
Stations de la Commission biologique et ventes diverses.....	1,366 89
Total des recettes	46,649 29

Suivant les pièces justificatives et les états soumis à ce bureau les déboursés pour l'année financière 1924-25 s'élèvent à \$49,244.04.

Je vous serais reconnaissant de me laisser savoir comment il se fait que la Commission s'est crue justifiée de dépenser \$2,594.75 de plus que ses recettes pendant l'année financière 1924-25.

Je demeure, monsieur,

Votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES,

DIVISION DES PÊCHERIES, le 22 juillet 1925.

MONSIEUR,—Je viens de recevoir votre lettre du 27 écoulé relativement à l'excédent des déboursés sur les recettes de la Commission biologique du Canada, s'élevant pendant l'année financière 1924-25 à \$2,594.75. Je dois vous informer en réponse que le secrétaire-trésorier d'alors était sous l'impression qu'il avait amplement de fonds en mains pour couvrir toutes les dépenses et continua à dater ses chèques du 31 mars après la fin de l'année financière et après avoir demandé et reçu une avance sur 1924-25. Le secrétaire-trésorier démissionna à l'assemblée annuelle des 21 et 22 mai écoulé et depuis cette date les finances de la Commission biologique ont été administrées par des fonctionnaires du ministère et les comptes tenus tout comme s'il se fût agi de crédits régulièrement votés. Par conséquent, l'irrégularité dont vous vous plaignez ne se répétera plus.

Je demeure, monsieur,

Votre obéissant serviteur,

W. A. FOUND, *pour le S.-M.*

L'Auditeur général.

CORRESPONDENCE—CORRESPONDANCE

Vote 454—Bordereaux de paye de la Commission du havre de Québec

BUREAU DE L'AUDITEUR GÉNÉRAL, le 16 février 1925.

MONSIEUR,—Je reçois votre demande n° 261, en date du 11 février, relative à l'émission d'un chèque en faveur de la Commission du havre de Québec au montant de \$128,610.49, pour couvrir les dépenses effectuées dans les mois d'octobre, novembre et décembre 1924 en améliorations au havre de Québec, améliorations autorisées par un arrêté (P.C. 2128) en date du 9 décembre 1924.

Veuillez noter que la signature des bénéficiaires respectifs n'apparaît pas sur les différents bordereaux de paye constituant cette réclamation, pas plus que n'apparaissent, comme preuve du versement des sommes dues, les chèques payés.

En vue d'assurer la reconnaissance de ces réclamations il convient de fournir la preuve satisfaisante de leur acquittement dans chaque cas soit sous forme de récépissé émanant du bénéficiaire, soit sous forme de présentation du chèque acquitté.

Je suis, monsieur,

Votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, le 23 février 1925.

MONSIEUR,—J'accuse réception de votre lettre du 16 courant concernant les bordereaux de paie de la Commission du havre de Québec, dans laquelle vous faites remarquer que la réclamation des Commissaires du havre, afin d'obtenir le remboursement de leurs déboursés représentés par ces bordereaux de paie, doit être appuyée soit par une formule de reçu émanant de chaque salarié dont le nom apparaît sur le bordereau de paie, ou par la présentation d'un chèque acquitté dans chaque cas. Je dois vous notifier que le ministère est prêt à vous fournir n'importe quel certificat pouvant être obtenu assez facilement à l'appui de ces bordereaux de paie. Dans ce but, je vous inclus un affidavit provenant du payeur ayant effectué le paiement des divers montants aux hommes ayant travaillé, en regard de leurs noms sur le bordereau de paie. Cet affidavit fait foi que chacun des différents montants spécifiés dans le bordereau de paie a été payé au particulier auquel il était destiné, sauf certaines exceptions que le payeur note et qui font l'objet d'explications dans les feuilles attachées au bordereau de paie. Nous pouvons aussi vous montrer les chèques acquittés comme pièces justificatives sur lesquels apparaissent les montants mentionnés sur bordereau de paie de la Commission du havre. Ces chèques démontrent que l'argent a été retiré pour le bordereau de paie, alors que le certificat des fonctionnaires de la Commission indique que l'argent a servi en détail tel qu'énoncé sur les bordereaux de paie. A l'appui de ceci on lit l'affidavit du payeur comme quoi il a déboursé les montants apparaissant sur ces bordereaux de paie, en regard de chaque nom, au particulier qui y est nommé. Je vous inclus aussi ces chèques comme pièces justificatives, mais je dois vous demander de bien vouloir renvoyer les originaux au ministère afin de les retourner à la Commission du havre.

MARINE AND FISHERIES—MARINE ET PÊCHERIES

Bien que je sache parfaitement les responsabilités qui incombent à votre Bureau dans le paiement de tous les comptes, j'aimerais dire un mot des dispositions de l'arrêté en Conseil en vertu duquel le paiement des comptes présentés par la Commission du havre de Québec est autorisé.

Les déboursés ont été faits d'après un crédit adopté dans les prévisions budgétaires du ministère des Travaux publics. L'administration de ce vote a été transférée à ce ministère par un arrêté en Conseil en date du 22 août 1924, (décret du C.P. 1430), alors qu'un autre arrêté en Conseil du 9 décembre 1924, (décret du C.P. 2128), approuvait certains item de construction qui devaient être exécutés avec l'aide de ce crédit, sur demande adressée à ce ministère par la Commission du havre de Québec avec la "présentation de tous les états et comptes; les pièces justificatives devant être approuvées par le surveillant des Commissions de havres, à la satisfaction du sous-ministre. Tous les comptes après avoir été ainsi approuvés et certifiés par le surveillant des Commissions de havre devant être payés selon la manière habituelle. . . ." On croit que l'autorisation constituée par cet arrêté en Conseil devrait être une garantie suffisante du paiement demandé, tous les déboursés ayant été pointés avec soin par le surveillant des Commissions de havre et tous les comptes de matériaux dans le bordereau de paie ayant été certifiés par lui, outre les fonctionnaires de la Commission.

La Commission du havre a toujours eu l'habitude de payer tous les quinze jours les hommes travaillant à des constructions en plein air, et la coutume n'a jamais prévalu d'exiger des employés leur signature sur les bordereaux de paie dans le cas de construction à l'extérieur. Dans ce genre de travaux auxquels travaillent un grand nombre d'hommes, une bonne partie d'entre eux étant illettrés, ce serait un procédé très lent et très dispendieux et il n'a jamais été considéré comme offrant une garantie sûre contre les manipulations des fonds du bordereau de paie. Nous sommes d'avis que ces ouvrages peuvent facilement être mis sur le même pied que les travaux adjugés sous contrat par le ministère des Travaux publics, pour lesquels on accepte le certificat des fonctionnaires responsables, quant au montant total des dépenses effectuées, l'entrepreneur étant responsable de son propre bordereau de paie. Nous espérons qu'avec les certificats que vous avez déjà reçus et l'affidavit soumis avec ceci, vous ne ferez aucune difficulté à accorder le paiement de la réclamation totale des Commissaires du havre, telle que demandée, ceux-ci se trouvant dans des difficultés financières sérieuses, par suite du retard qui s'est produit dans la réception des remboursements pour les déboursés qu'ils ont faits à ce sujet. Le ministre de la Marine et des Pêcheries est grandement embarrassé par la nature des représentations qu'on lui fait. Les banquiers de la Commission du havre ont avancé des fonds à celle-ci en excédent de ce qui lui revenait et ils insistent à l'heure actuelle afin que le solde du compte découvert de la Commission soit réduit.

J'espère qu'à cause des circonstances, vous nous ferez connaître sous peu une méthode satisfaisante d'améliorer la situation autre que celle recommandée dans votre lettre du 16, dont réception a été accusée plus haut. Cette méthode n'est après tout, comme on vous l'a fait remarquer dans des conversations téléphoniques, qu'une garantie imaginaire.

J'ai l'honneur d'être monsieur,

Votre obéissant serviteur,

A. JOHNSTON, S.-M.

L'Auditeur général adjoint.

CORRESPONDENCE—CORRESPONDANCE

BUREAU DE L'AUDITEUR GÉNÉRAL, le 27 février 1925.

MONSIEUR, — Me référant de nouveau à votre demande n° 261 relative à l'émission d'un chèque en faveur de la Commission du havre de Québec pour la somme de \$128,610.49 ainsi qu'à votre lettre du 11 de ce mois y ayant trait, je désire porter à votre connaissance que vu l'impossibilité physique de posséder les preuves nécessaires d'acquit à date, preuves exigées par la loi du Revenu consolidé et de l'Audition, je joins votre demande au certificat signé par les fonctionnaires responsables de la Commission du havre de Québec à l'effet que l'intégralité de cette somme (\$128,610.49) a été déboursée comme en font foi les bordereaux de paye qu'on m'a fait tenir.

Je désire toutefois porter à votre connaissance que dans l'avenir toutes les feuilles de paye devant constituer des pièces justificatives devront, en sus de tous autres certificats requis, comporter la preuve nécessaire d'acquit soit sous forme de récépissé signé par chacune des personnes en cause, soit par la production du chèque émis chaque fois à l'ordre du bénéficiaire.

Je vous renvoie sous ce pli les pièces justificatives que vous me demandez dans votre lettre.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre de la Marine et des Pêcheries.

Commission du Havre de Québec—Intérêts en souffrance

BUREAU DE L'AUDITEUR GÉNÉRAL, le 23 juin 1924.

MONSIEUR, — J'ai reçu du ministère de la Marine et des Pêcheries la demande d'émission d'un chèque pour la somme de \$112,000 en faveur des Commissaires du havre de Québec, somme autorisée par arrêté—C.P. 913—du 7 juin 1924, comme avance au titre des prêts autorisés par statut.

Sur renseignement obtenu de votre ministère, j'apprends que la Commission du havre de Québec doit sur les prêts antécédents des arrérages d'intérêts au montant de \$2,142,923.24, et je crois devoir rappeler spécialement cet état de choses au Conseil de la Trésorerie avant que de recommander l'octroi de l'avance présentement sollicitée.

L'article 10 de la loi du Parlement autorisant la constitution d'un Conseil de vérification, chapitre 30 des Statuts de 1923, prescrit que ce bureau doit s'enquérir de la situation financière de toute commission ou corps public dont les activités relèvent de crédits émanés du Trésor canadien ou qui reçoivent des subventions sous forme d'allocations ou de prêts de la part du Trésor, etc., etc.

Il est probable que dans un avenir rapproché cette enquête ait lieu mais dans l'entretemps j'aimerais à savoir si le Conseil de la Trésorerie est d'avis que, nonobstant les arrérages d'intérêts, l'on octroie l'avance de \$112,000 demandée par le ministère de la Marine et des Pêcheries sous l'empire de l'arrêté—C.P. 913—du 7 juin 1924.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre des Finances et secrétaire du Conseil de la Trésorerie.

MARINE AND FISHERIES—MARINE ET PÊCHERIES

CONSEIL DU TRÉSOR, le 7 juillet 1924.

CHER MONSIEUR,—Le Conseil de la Trésorerie a examiné, à sa réunion du 12 de ce mois, votre lettre du 23 du mois passé, relativement à une avance de \$112,000 en faveur de la Commission du havre de Québec.

Il recommande l'octroi de cette avance en attendant l'enquête menée par votre bureau en l'occurrence.

Bien à vous,

J.-C. SAUNDERS, *Secrétaire.*

Salaries of four Engravers at Printing Bureau charged to Mines Dept.

AUDITOR GENERAL'S OFFICE, December 12, 1924.

SIR,—It is observed that the Department of Public Printing and Stationery charges the salaries of four engravers to your Department in your printing account.

Please let me know if this has the approval of the Civil Service Commission or if not under what authority your Department pays the salaries of these engravers.

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Mines.

DEPARTMENT OF MINES, December 30, 1924.

DEAR SIR,—Your letter of the 12th instant to The Deputy Minister, enquiring as to the authority under which the Mines Department pays the salaries of certain engravers was duly received at this Office.

It is scarcely accurate to say that the Mines Department pays the salaries of four engravers belonging to the Department of Public Printing & Stationery. Actually we pay for the services rendered each month to the Geological Survey by four members of the staff of the Printing Department: latterly this has been full time service, but for a considerable number of months prior thereto the payment was for part time service only.

In the year 1921, the Printing Department came to the conclusion that it would expedite engraving work for several departments if the engravers engaged in the work might be domiciled with the departments for which they were working. After discussion had taken place the proposal seemed a desirable one to us. The result was that agreement was reached in December 1921 and January 1922 between The King's Printer and the Deputy Minister of Mines whereby four engravers were given working quarters in the Victoria Memorial Museum, along with the Geological Survey. The four engravers allotted to the Survey are under the technical supervision of the Chief Engraver of the Printing Department, and it is incumbent on that official to see that they are kept supplied with work. During the first few months of the arrangement these men did work for the Naval Service and Post Office Department, as well as for the Geological Survey; but since then the Survey has had enough work to keep them continuously busy.

The Department of Mines is responsible for the attendance and discipline of the engravers in question, but it furnishes monthly records to the King's Printer of the absences, holidays, and of the work done for the Geological Survey or other departments.

Yours very truly,

L. L. BOLTON, *Acting D.M.*

The Assistant Auditor General.

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Mines.

DEPARTMENT OF MINES, January 12, 1925.

DEAR SIR,—In reply to your letter of the 10th instant requesting copies of agreements in connection with the following accounts:—

Cheque 1320: W. S. Dyer, Royal Ontario Museum, Toronto.

For Manuscript of report and illustrations on exploration in New Brunswick, 1923, as per agreement, \$174.66.

Cheque 1469: Dr. M. Y. Williams, University of British Columbia, Vancouver.

I am enclosing herewith extracts, from the instructions issued by the Director of the Geological Survey to these gentlemen, which constituted the agreements referred to in this connection.

Yours very truly,

L. L. BOLTON, *Acting D.M.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, January 17, 1925.

SIR,—With further reference to my letter of the 10th inst. and your reply of the 12th inst., it appears that Mr. W. S. Dyer and Dr. N. Y. Williams were paid at the rate of \$3.55 a day and \$3,600 a year respectively. For the purposes of audit it will be necessary to furnish this office with a statement showing how the amounts paid for their services have been arrived at.

Under Section 23, Sub-Section 5 of the Civil Service Act, 1918, their employment should have been authorized by the Civil Service Commission and their remuneration approved by the Governor in Council.

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Mines.

MINES

DEPARTMENT OF MINES, January 19, 1925.

DEAR SIR,—In compliance with the request contained in your letter of the 17th instant, I am enclosing herewith a statement signed by the Accountant, Department of Mines, showing amounts paid for the services of Dr. M. Y. Williams and Mr. W. S. Dyer, for the years 1924-25 and 1923-24, respectively.

The temporary employment of Dr. M. Y. Williams by the Geological Survey as Geologist, was authorized by Civil Service Commission Certificate, dated April 30th, 1924, for a period not exceeding six months, at a salary rate of \$3,600 per annum, with effect from May 1st, 1924.

The temporary employment of Mr. W. S. Dyer, as a Geological Field Assistant, at \$3.55 per diem with subsistence in the field, for a period not exceeding six months, effective May 26th, 1923, was authorized by Civil Service Commission Certificate dated August 10th, 1923.

From paragraphs 2 and 3 above it will be seen that the employment of these men was not handled under Section 23, Sub-section 5 of the Civil Service Act.

Yours very truly,

CHARLES CAMSELL, *D.M.*

The Assistant Auditor General.

Items chargeable to Civil Government Contingencies

AUDITOR GENERAL'S OFFICE, November 28, 1924.

SIR,—I beg to point out that the Contingencies Act, R.S.C. Chap. 20, provides that certain departmental expenses are chargeable to the vote for Civil Government Contingencies.

It is the general practice of the departments at Ottawa to charge subscriptions to newspapers, telegrams, postage, stationery, etc., to this vote as provided by the Act.

I should like to know your reason for charging these expenses to other votes.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of Mines.

DEPARTMENT OF MINES, December 5, 1924.

DEAR SIR,—Referring to your enquiry of the 28th ultimo as to why the Mines Department charges to Votes other than Civil Government Contingencies, expenses incurred in connection with subscriptions to newspapers, telegrams, postage, stationery, etc.

The reason is that prior to the Contingencies Act, R.S.C. 1906, Chapter 20, coming into effect, the practice of charging disbursements of the kind mentioned to other Votes was well established, and since the passage of the Act no one has suggested any different practice on our part.

In this connection I have read the Act and beg to say that practically all of the kinds of expenses enumerated in Section 3, except those for attendance at exhibitions, conventions and annual meetings of societies, incurred by officers

CORRESPONDENCE—CORRESPONDANCE

of this Department are made directly or indirectly in connection with investigations being carried on by our various branches. This fact, I suppose, was what led the Department in the absence of instructions to the contrary, to continue to the present, the practice in existence prior to 1906.

From year to year the Votes for this Department, other than Civil Government Contingencies, have been made large enough to take care of all expenses to be incurred directly or indirectly in connection with investigations, and in consequence the amounts expended from them year by year are interesting for purposes of comparison. If henceforth expenses for postage, telegrams, express, freight, etc., are charged to contingencies the amount for Civil Government Contingencies will have to be increased by an amount necessary to meet such expenses; and the basis of comparison will be destroyed from the date of the change in practice.

A large proportion of our disbursements for telegrams, freight, and express is incurred by the heads of field parties directly in connection with their field work, and to me it scarcely seems logical to charge such disbursements against Contingencies rather than against the Votes for investigations. Do you not imagine this situation may have been overlooked by those responsible for drafting the Contingencies Act 1906?

I may say here that our Estimates for the Fiscal Year 1925-26, as submitted to Treasury Board, have been prepared on the same basis as in the past.

Yours sincerely,

CHS. CAMSELL, *D.M.*

The Assistant Auditor General.

MONSIEUR,—Nous constatons que le département des Impressions et de la Papeterie de l'Etat impute à votre ministère, au compte des impressions, le salaire de quatre graveurs.

Veuillez, s'il vous plaît, m'informer si cela est approuvé par la Commission du Service civil et, dans le cas contraire, en vertu de quelle autorité votre ministère paie le salaire de ces quatre graveurs.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre des Mines.

MINISTÈRE DES MINES, le 30 décembre 1924.

MONSIEUR,—Nous avons dûment reçu à notre bureau votre lettre du 12 courant adressée au sous-ministre et demandant en vertu de quelle autorité le ministère des Mines paie le salaire de certains graveurs.

Il n'est pas très exact de dire que le ministère des Mines paie le salaire de quatre graveurs employés par le département des Impressions et de la Papeterie de l'Etat. Présentement nous payons le travail exécuté chaque mois pour la Commission géologique par quatre employés de l'Imprimerie nationale; depuis quelque temps cela représente leur plein salaire, mais pour plusieurs mois antérieurs cela ne représentait qu'une partie de leur salaire.

En 1921, l'Imprimerie nationale vint à la conclusion que le travail de gravure accompli pour les différents ministères serait expédié si les graveurs qui y sont employés pouvaient être postés dans les ministères pour lesquels ils travaillent. Après avoir discuté la question, la chose nous parut recommandable. Une entente fut conclue au mois de décembre 1921 ou au mois de janvier 1922 entre l'imprimeur du Roi et le sous-ministre des Mines aux termes de laquelle quatre graveurs occupèrent des bureaux au musée Victoria dans les quartiers assignés à la Commission géologique. Les quatre graveurs assignés à la Commission géologique relèvent du graveur en chef de l'Imprimerie nationale et il appartient à ce fonctionnaire de leur fournir du travail. Pendant les premiers mois qui suivirent la conclusion de l'entente ces hommes travaillèrent pour le Service naval et le ministère des Postes aussi bien que pour la Commission géologique; mais depuis cette époque la Commission géologique leur a fourni assez de travail pour les tenir continuellement occupés.

Le ministère des Mines se charge de surveiller la présence et de veiller à la discipline des graveurs en question; chaque mois il fournit à l'Imprimeur du Roi un état des absences, des congés ainsi que du travail accompli pour la Commission géologique et pour les autres ministères.

Votre tout dévoué,

L. L. BOLTON, *S.-M. suppléant.*

Chèque 1330: W. S. Dyer, musée Royal d'Ontario, Toronto.

Pour le manuscrit du rapport et des illustrations concernant

ment à l'entente.. \$174 66

J'inclus des extraits des instructions émises à ces messieurs par le directeur de la Commission géologique, qui constituaient les ententes dont il est question.

Votre tout dévoué,

L. L. BOLTON, *S.-M. suppléant.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 17 janvier 1925.

MONSIEUR,—Faisant suite à ma lettre du 10 courant et à votre réponse du 12 courant, il paraît que M. W. S. Dyer et le Dr. M. Y. Williams furent payés au taux de \$3.55 par jour et \$3,600 par année, respectivement. Pour des fins de vérification il faudra soumettre à ce bureau un exposé indiquant comment les montants attribués pour leurs services ont été calculés.

En vertu de l'article 23, paragraphe 5 de la Loi du Service civil, 1918, leur engagement aurait dû être autorisé par la Commission du Service civil, et leur traitement approuvé par le Gouverneur en Conseil.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

MINES

MINISTÈRE DES MINES, le 19 janvier 1925.

CHER MONSIEUR,—Conformément à la demande contenue dans votre lettre du 17 courant, j'inclus sous pli un rapport signé par le comptable du ministère des Mines indiquant les montants payés pour les services du Dr M. Y. Williams et M. W. S. Dyer, pour les années 1924-25 et 1923-24, respectivement.

L'engagement temporaire du Dr M. Y. Williams à titre de géologue par la Commission géologique, fut autorisé en vertu d'un certificat de la Commission du Service civil, en date du 30 avril 1924, pour une période qui ne devait pas dépasser six mois, au traitement annuel de \$3,600, en vigueur à partir du 1er mai 1924.

L'engagement temporaire de M. W. S. Dyer, à titre de géologue adjoint de campagne, à raison de \$3.55 par jour avec subsistance sur place, pour une période qui ne devait pas dépasser six mois, en vigueur le 26 mai 1923, fut autorisé en vertu d'un certificat de la Commission du Service civil en date du 10 août 1923.

On constatera à la lecture des paragraphes 2 et 3 sus-mentionnés que l'engagement de ces hommes ne fut pas effectué en vertu de l'article 23, paragraphe 5 de la Loi du Service civil.

Votre tout dévoué,

CHARLES CAMSELL, *S.-M.*

L'Auditeur général adjoint.

Item imputables sur le compte des Dépenses contingentes du Gouvernement civil

BUREAU DE L'AUDITEUR GÉNÉRAL, le 28 novembre 1924.

MONSIEUR,—Permettez-moi de vous faire remarquer que la Loi des Dépenses contingentes, S.R.C., chapitre 20, stipule que certaines dépenses de ministères sont imputables sur le crédit destiné aux dépenses contingentes du Gouvernement civil.

C'est une pratique générale dans les ministères d'Ottawa d'imputer les abonnements aux journaux, les télégrammes, les frais de port, la papeterie, etc., sur ce crédit comme le demande la loi.

J'aimerais connaître les raisons pour lesquelles vous imputez ces dépenses sur d'autres crédits.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre des Mines.

MINISTÈRE DES MINES, le 5 décembre 1924.

CHER MONSIEUR,—Permettez-moi de vous référer à votre lettre du 28 écoulé demandant pourquoi le ministère des Mines impute sur des crédits autres que celui des Dépenses contingentes du Gouvernement civil les dépenses comprenant les abonnements aux journaux, les télégrammes, les timbres, la papeterie, etc.

La raison naît du fait qu'avant la mise en vigueur de la Loi des Dépenses contingentes, S.R.C., chapitre 20, la pratique d'imputer les déboursés de ce genre sur d'autres crédits était bien établie, et que, depuis l'adoption de cette loi, personne ne nous a suggéré d'agir autrement.

À ce propos, j'ai pris connaissance de la loi, et permettez-moi de vous dire que pratiquement toutes les dépenses du genre de celles énumérées à l'article 3, à l'exception des dépenses faites pour assister à des expositions, des conventions

CORRESPONDENCE—CORRESPONDANCE

et des réunions annuelles de sociétés, encourues par les fonctionnaires de notre département sont faites directement ou indirectement dans l'intérêt des travaux de recherches que font nos diverses divisions. C'est ce fait, je suppose, qui a porté le département, n'ayant jamais été averti d'agir autrement, à continuer jusqu'ici à s'en tenir à la pratique établie avant 1906.

D'année en année les crédits autres que celui des dépenses contingentes pour le Gouvernement civil, accordés à ce département, ont été assez importants pour nous permettre de payer toutes les dépenses encourues directement ou indirectement pour les fins de nos travaux de recherches. Il est par conséquent intéressant d'étudier les montants dépensés à même ces crédits, d'année en année, dans le but d'établir une comparaison. Si dorénavant les dépenses pour frais de port, pour télégrammes, messageries et transport de marchandises, etc., doivent être imputées sur le compte des Dépenses contingentes le chiffre du crédit destiné à payer les Dépenses contingentes du Gouvernement civil devra être augmenté du montant nécessaire pour payer ces dépenses, et, le jour où cette nouvelle pratique sera mise en vigueur, il ne sera plus possible de trouver une base de comparaison.

Une grande partie des déboursés pour télégrammes, transport de marchandises et messageries sont faits par les chefs des équipes d'exploration directement dans l'intérêt de leurs travaux d'exploration, et il ne me semble pas très logique d'imputer ces déboursés sur le compte des Dépenses contingentes plutôt que sur le crédit destiné aux travaux de recherches. Ne croyez-vous pas que cette situation aurait pu échapper à l'attention de ceux qui ont rédigé la Loi des Dépenses contingentes de 1906?

Je puis ajouter ici que nos prévisions budgétaires pour l'année financière 1925-26, soumises au Conseil du Trésor, ont été préparées sur la même base que celle des années passées.

Votre sincère,

CHS. CAMSELL, *S.-M.*

Vote 90—Entertainment of Special Service Squadron of Royal Navy

AUDITOR GENERAL'S OFFICE, November 26, 1924.

SIR, — Included in the expenditure from Contingencies appropriation during the fiscal year 1924-25, I find two payments made in connection with the entertainment of the Special Service Squadron of the Royal Navy. They are as follows:—

Military District No. 5—

Cheque No. 3775, Brigadier General J. P. Landry, Quebec	\$ 300
--	--------

Military District No. 11—

Cheque No. 2515, Garrison Officers' Mess, Esquimalt. .	450
--	-----

The payment to Brigadier General Landry is unsupported by vouchers. The payment to Garrison Officers' Mess, Esquimalt, is covered by a statement of outlay aggregating \$457.09, but no sub-vouchers are attached.

Please furnish this office with itemized accounts covering both advances.

As Parliament by Vote No. 430 specially provided for such expenditure, application should now be made for the transfer to that appropriation of any payments on this account from Contingencies or other votes.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of National Defence.

DEPARTMENT OF NATIONAL DEFENCE, December 2, 1924.

SIR, — I have your letter of Nov. 26th in regard to payments in connection with the visit of the Special Service Squadron, Royal Navy, as follows: —

M.D. 5, Cheque 3775, Brig. Gen. Landry.....	\$ 300
M.D. 11, " 2515, Garrison Officers' Mess....	450

The special Service Squadron visited Esquimalt, Quebec and Halifax, and was officially welcomed by the Minister, or his representatives, at each place. The expenses of this official welcome were met from the special vote No. 430. It was necessary, also, that the Garrisons at those places should provide an entertainment for the personnel of the Special Service Squadron through their Messes. At Esquimalt there is only one Officers' Mess, while at Quebec there is more than one. It was therefore necessary, in the latter case, to make the allowance to the District Officer Commanding, to whom the apportionment was left. These entertainments by the Garrison Messes were not a part of the Government's Official Welcome of the Squadron, but were necessary under the circumstances. The numbers entertained were beyond the ordinary resources of the Garrison Messes and it was, therefore, necessary to aid them. The entertainments not being a part of the Official Welcome, the cost was met from ordinary appropriations.

CORRESPONDENCE—CORRESPONDANCE

Application will, however, be made to charge these amounts to the Special Vote 430, as suggested.

The officers concerned have been requested to furnish the vouchers asked for in your letter.

I am, Sir, your obedient servant,

G. J. DESBARATS, D.M.

The Assistant Auditor General.

Vote 91—Bedford, N.S., Rifle Range: Sale of Standing Timber

AUDITOR GENERAL'S OFFICE, July 17, 1924.

SIR, — I beg to bring to your notice a payment made by Letter of Credit Cheque 588 of the current fiscal year for \$21.60 in favour of the Halifax Chronicle for advertising the sale of certain standing merchantable timber on the danger area of the Bedford Rifle Range, payment to be made by the contractor by the supply of spruce or hemlock planks 3" in thickness not less than 6" in width of a length not less than 10 feet, "the tenderers to state in their tenders the amount per cent of this nature or material they offer in payment for the total quantity of timber cut".

I call your attention to the terms of payment in this proposed sale because in my opinion the Department will thereby be in a position to incur expenditure without the authority of Parliament.

If it was deemed necessary in the public interest to dispose of the standing timber in question it seems to me the Department should have advertised a cash sale, the amount received to be treated as revenue and deposited to the credit of the Receiver General.

A Department of Government, so far as I know, is bound to obtain Parliamentary authority for any expenditure under its administration and cannot evade this obligation by transfer or bargaining.

I shall be obliged if you will let me know what action you have taken as a result of this advertisement.

I am, Sir, your obedient servant,

WM. KEARNS, Asst. A.G.

The Deputy Minister of National Defence.

DEPARTMENT OF NATIONAL DEFENCE, July 30, 1924.

SIR, — I beg to acknowledge receipt of your letter of the 17th instant, in which you make certain observations concerning the payment of \$21.60 by Letter of Credit Cheque 588 for the current fiscal year to the *Halifax Chronicle*, for advertising the sale of certain standing merchantable timber on the danger area of the Bedford Rifle Range.

The observation which you make apparently refers to the manner in which the contractor is to pay the Department for the timber cut, pursuant to the tender for sale as advertised. Unfortunately, the advertisement in question was not very appropriately worded, and while the actual result of the contract, so far as the Department is concerned, is in accordance with the Department's intention, yet the terms of the advertisement itself are, from an audit point of view, somewhat misleading.

NATIONAL DEFENCE—DÉFENSE NATIONALE

What the Department intended to do was as follows:—

There is a large amount of standing timber on the Bedford Rifle range which has reached maturity, and as large quantities of boards, planks, etc., are required annually by the Engineers at Halifax, it was considered advisable that the Department's supply of timber should be obtained from the standing timber in question, and to reimburse the contractor for cutting the same he was to deduct a certain percentage of the cut instead of being paid in cash. This procedure, it is submitted, would not be in conflict with any of the provisions of the Audit Act. Unfortunately, however, the terms of the advertisement make it appear that the situation is reversed. In other words, that instead of the Department reimbursing the contractor in kind for the cutting of the timber in question, it is the contractor who reimburses the Department. This was not the intention of the Department. As pointed out, however, the final result, so far as the Department and the contractor are concerned, is exactly the same as if there had been published such an advertisement as would have given effect to the Department's intention, and, consequently, I hope that this explanation will answer the observations which you made in your letter under reply.

I am, Sir, your obedient servant,

G. J. DESBARATS, *D.M.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, August 20, 1924.

SIR,—I have the honour to acknowledge the receipt of your letter of the 30th ultimo in explanation of the disposal made by the Department of standing timber on the Bedford Rifle Ranges to which I called your attention in my letter of the 17th ultimo.

I am still of opinion that if it was deemed necessary to dispose of the trees in question the proceeds of the sale should have been deposited to the credit of the Receiver General.

The Department, so far as I know, is not at liberty to use receipts whether in money or kind to take the place of a Parliamentary Appropriation.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of National Defence.

Vote 94—Re Hire of Horses used at Annual Drill

AUDITOR GENERAL'S OFFICE, October 24, 1924.

SIR,—I beg to draw your attention to a payment made by the Paymaster of Military District No. 2 in the fiscal year 1924-25 under Annual Training.

By cheque No. 2758, Lieutenant-Colonel J. F. H. Ussher received \$600 being for "hire of horses for mounted drill and instruction in equitation for 1923-1924 training at local headquarters".

The voucher comprises an allowance of \$200 each to "A." "B." & "C." squadrons Ontario Mounted Rifles.

CORRESPONDENCE—CORRESPONDANCE

Sections 186 to 191, Pay and Allowance Regulations, provide, under certain restrictions, for an allowance of \$2 per diem for each horse used.

In view of the clearly defined procedure prescribed in the Regulations, please explain why the horse hire of this corps was calculated practically on the basis of a \$200 grant to each of its three squadrons.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of National Defence.

DEPARTMENT OF NATIONAL DEFENCE, October 31, 1924.

SIR,—Your letter of the 24th October is acknowledged, regarding the payment under cheque No. 2758, \$600.00 to Lieutenant-Colonel J. F. H. Üssher, for hire of horses for mounted drill and instruction in equitation at Local Headquarters, for training 1923-24.

It is appreciated that the allowance for the hire of horses provided under the Pay and Allowance Regulations is for a specific amount for each horse actually supplied for training, and for that reason vouchers are required to be furnished to cover the amounts disbursed for the hire of horses.

Instructions were issued last year that the maximum amount which could be expended by each squadron for this service was \$200.00 but the Officer Commanding the Ontario Mounted Rifles was under the impression that the amount indicated was intended to be in the nature of a grant, and accordingly did not furnish vouchers for the horses obtained from private individuals and local livery stables, and his claim was accordingly held up.

The Officer Commanding, however, furnished a detailed statement of the horses used, which showed that the amount claimed was less than that permissible under the Regulations. A certificate was also supplied by the Officer Commanding that the amounts had actually been expended for the hire of horses during the training season, and the account was specially authorized for payment in accordance with the recommendation of the Officer Commanding Military District No. 2, dated April 4th, 1924.

In this connection it may be mentioned for your information that, while it is necessary owing to the shortage of funds to restrict the expenditure for each Squadron, the amount authorized is generally much less than that required, and it is therefore necessary for the various Cavalry Units to make up any difference, and, under the circumstances as above explained, I trust that the claim as paid may be allowed to stand.

I am, Sir, your obedient servant,

J. G. DESBARATS, *D.M.*

The Auditor General.

Vote 95—Pay and Allowances of the Rank of Major granted to a Captain

AUDITOR GENERAL'S OFFICE, March 17, 1925.

SIR,—Order in Council P.C. 349, dated 9th March, 1925, provides that, from the date of his transfer to regimental duty with the Royal 22nd Regiment, Captain and Brevet Lieutenant-Colonel P. A. Piuze shall receive "the pay and allowances for the rank of Major in his regiment."

NATIONAL DEFENCE—DÉFENSE NATIONALE

The Order in Council further states that this officer reverted to the rank of Captain on 1st October, 1924, and that the consequent reduction in pay and allowances "makes it impossible for him to support his wife and family."

The rates of remuneration for officers of all ranks are clearly defined in Pay and Allowance Regulations.

I do not understand how the rates prescribed for the rank of Major can, under any circumstances, be considered applicable to the rank of Captain, and would be pleased to receive an expression of your views on this point.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister of National Defence.

DEPARTMENT OF NATIONAL DEFENCE, March 27, 1925.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th instant, and to inform you that under the Militia Act the Governor in Council is empowered to prescribe from time to time Regulations to govern the issue of pay and allowances to personnel of the Permanent Active Militia, and that it would therefore appear to be competent for the same authority to vary, in any particular case, the rates laid down for any rank in the said Regulations.

It was accordingly considered that the grading by Order in Council of Captain (Brevet Lieutenant-Colonel) Piuze for pay and allowances at Major's rates was in order. The recommendation in the Order in Council that Captain Piuze be paid "the pay and allowances for the rank of Major" was so worded as being the most convenient manner of describing the pay and allowances which it was desired that this officer should receive.

I am, Sir, your obedient servant,

G. J. DESBARATS, *D.M.*

The Auditor General.

Naval Stores—Re Missing Chronometer

(Continuation of correspondence on page Q-139 Report of 1923-24)

AUDITOR GENERAL'S OFFICE, December 18, 1924.

SIR,—Referring to your letter of August 7th, 1924, in which you state that a thorough investigation is now being made to trace a chronometer reported to you as missing by the chief examiner of this Department who checked the Naval Stores at Halifax in January, 1924, I shall be obliged if you will let me know if this missing chronometer has been located.

If not located I would like to be informed of the result of the investigation which you instituted.

I am, Sir, your obedient servant,

GEORGES GONTHIER, *A.G.*

The Deputy Minister of National Defence.

CORRESPONDENCE—CORRESPONDANCE

DEPARTMENT OF NATIONAL DEFENCE, December 31, 1924.

SIR,—I beg to acknowledge your letter dated the 18th instant, relative the Johannsen chronometer, No. 5724, which could not be located by the chief examiner of your Department when checking the Naval Stores at H.M.C. Dockyard, Halifax, N.S., in January, last.

As a result of the investigation instituted to locate this instrument, it has been definitely established that an instrument of this make and number was never in use in this service, and the fact that it was shown in the ledger is due to an error in receipts, in explanation of which the Naval Store Officer at Halifax has reported as follows:—

“When the H.M.C.S. “Aurora” was placed out of commission in May, 1922, the navigating Officer returned the chronometers to the Chart and Chronometer Depot in the dockyard and obtained a receipt for them from the Commander in Charge. This receipt shows the correct number of the chronometers.

In August of the same year, a Storekeeping Officer was detailed to complete the returning of stores from the “Aurora” and to close the store accounts. This Officer finding that the chronometers had not been shown as returned in the store accounts and no doubt being unable to locate the receipt obtained by the Navigating Officer, raised a return voucher and obtained another receipt thereon. In this instance, however, the correct number, 5404, was shown as number 5724. The ledger clerk in the Chart and Chronometer Depot took the chronometers on ledger charge from the voucher accompanying the instruments when returned by the Navigating Officer, but as number 5724 appeared on the second voucher and was not already shown in the ledger, the clerk also entered this number in the ledger, which resulted in the Chief Examiner being unable to locate it.”

The two receipts referred to above are attached for your information and it is requested that they be returned to this Department.

From the above explanation, it will be seen that the discrepancy is a paper discrepancy only, and no loss is involved.

I am, Sir, your obedient servant,

G. J. DESBARATS, *D.M.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, January 28, 1925.

SIR,—With reference to your letter of December 31st, 1924, in which you state that chronometer No. 5724 was never in use in the service and that the ledger clerk made an error when issuing a receipt, I desire to say that the Chief Examiner of this Office who checked the stores at Halifax located a copy of the receipt given by the stores clerk at Halifax for the Johannsen Chronometer No. 5724, and also an entry in the stores ledger taking on charge the chronometer in question.

I observe in paragraph four of your letter that a storekeeping officer was detailed to close the stores accounts of the Aurora and it is stated further that “This officer, finding that the chronometers had not been shown as returned in the stores accounts—raised a return voucher and obtained another receipt thereon.” This receipt included chronometer No. 5724.

NATIONAL DEFENCE—DÉFENSE NATIONALE

It is evident, therefore, that this officer obtained and accepted a receipt for the return of a chronometer bearing No. 5724 with which to close his accounts.

In view of this fact it seems reasonable to assume that a chronometer bearing No. 5724 actually appeared on charge in the stores ledgers of the Aurora.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister of National Defence.

DEPARTMENT OF NATIONAL DEFENCE, March 9, 1925.

SIR,—With reference to your letter dated the 28th January, last, relative chronometer No. 5724, I beg to advise you that in the further prosecution of the investigation regarding this instrument it has been necessary to obtain certain information from the Royal Astronomer at Greenwich, England, and on receipt of this information a further report will be made to you.

I am, Sir, your obedient servant,

G. J. DESBARATS, D.M.

The Auditor General.

DEPARTMENT OF NATIONAL DEFENCE, July 9, 1925.

SIR,—With reference to my letter dated the 9th March last, relative chronometer No. 5724, I beg to advise you that a most exhaustive investigation has been made, as the result of which the undermentioned enclosures "A", "B", and "C", and "D" are forwarded for your information:—

"A"—Copy of a letter from the High Commissioner for Canada, dated the 30th March, 1925, giving the registered numbers of chronometers and watches supplied to H.M.C. Ships "Aurora", "Patriot", and "Patrician" when these vessels were turned over to the Canadian Government in 1920, and stating that there is no trace of chronometer No. 5724 having been at any time on the books of the Royal Observatory, Greenwich, or of the Hydrographic Department of the Admiralty.

"B"—Original survey voucher registered number 11, made out by the Navigating Officer of H.M.C.S. "Aurora" on the 27th May, 1922, when the chronometers were returned to the dockyard, personally, by this Officer. It will be noted that Commander Shenton (who had charge of the Chronometer Depot at Halifax at that time) has signed the voucher as having personally received the instruments shown thereon.

"C"—Statement from Lieut.-Commander Murray, R.C.N.,—Navigating Officer of the "Aurora"—to the effect that only three chronometers were maintained on the "Aurora" and that No. 5404 was drawn from the Chronometer Depot at Halifax in lieu of No. 5728 which was returned for repairs.

"D"—Original survey voucher registered number 25, made out by the Central Storekeeping Officer of the "Aurora" on the 17th August 1922, (nearly three months after the chronometers were returned personally by Lieut.-Commander Murray). Although chronometer No. 5724 is

CORRESPONDENCE—CORRESPONDANCE

shown on this voucher it will be noted that while a notation has been made against the other numbers in the "report by Dockyard Officers" column, acknowledging their receipt, no notation has been made against No. 5724. It will also be noted that the voucher has not been receipted. In connection with the entries in the Chronometer Depot ledger, it is observed that No. 5724 was taken on charge in error on the 18th August, 1922, from this voucher, while the other numbers shown on this voucher and also No. 5404 were taken on charge on the 27th May, 1922, from survey voucher registered number 11 (enclosure "B").

Reports received from H.M.C. Ships and Establishment are all to the effect that no information is available relative chronometer No. 5724.

From the statement made by Lieut.-Commander Murray it will be seen that survey voucher number 25 should not have been made out by the Central Storekeeping Officer of the "Aurora" as the chronometers were on Lieut.-Commander Murray's personal charge (in accordance with the Regulations) and should not have been entered in the Ship's Central Storekeeping Ledger; the Central Storekeeping Officer not having charge of the instruments.

I have, therefore, to confirm the statement made in my letter dated the 31st December, 1924, to the effect that the discrepancy is a paper discrepancy only, and no loss is involved.

I am, Sir, your obedient servant,

G. J. DESBARATS, D.M.

The Auditor General.

Enclosure "A"

OFFICE OF THE HIGH COMMISSIONER FOR CANADA,
KINNAIRD HOUSE, PALL MALL EAST, LONDON, S.W.1, March 30, 1925.

SIR,—I beg to refer to your letter of the 5th March, and to say I am informed by the Admiralty that there is no trace of Chronometer Johannsen 5724 having been at any time on the books of the Royal Observatory, Greenwich, or of the Hydrographic Department of the Admiralty.

It is stated that the Chronometer Johannsen 5728 was, however, an Admiralty Chronometer and was on board H.M.S. "Aurora", being turned over to the Canadian Government with this ship.

The following is a statement of the Chronometers and watches on board H.M.C. Ships "Aurora", "Patriot", and "Patrician", when these ships were transferred to the Canadian Navy:—

H.M.C.S. "Aurora"

Chronometer Uhrig No. 517.
Chronometer Webb No. 5380.
Chronometer Johannsen No. 5728.
Hack Watch Johnson No. 341100.

H.M.C.S. "Patriot"

Chronometer Watch Alexander No. 99429.
Hack Watch Johannsen No. 7814.

H.M.C.S. "Patrician"

Chronometer Watch Kinzler No. 52064.
Hack Watch Wales & McCulloch No. 3923.

NATIONAL DEFENCE—DÉFENSE NATIONALE

With regard to your request for particulars regarding certificate numbers, the Admiralty observes that this appears to relate to a method of reference employed by the Canadian Government, which does not obtain in the Admiralty, as no certificates are used in connection with Chronometers and Watches, which are known solely by their makers names and numbers.

The Admiralty will be pleased to supply any further information regarding the Chronometers and Watches in question, which may assist in your investigations.

I am, Sir, your obedient servant,

LUCIEN PACAUD, *Secretary.*

The Deputy Minister of National Defence, Ottawa.

Enclosure "C"

H.M.C. DOCKYARD, HALIFAX, N.S., March 13, 1925.

TO NAVAL STORE OFFICER:—

Having been personally asked by Naval Store Officer for information regarding number of chronometers actually on board "Aurora" at any one time, I beg to state that only three chronometers were maintained on the ship.

Chronometer No. 5728 was returned to Dockyard for repairs to broken main in spring.

Chronometer No. 5404 was issued in lieu and subsequently returned with remaining two chronometers to the Dockyard.

As Chronometers were on my personal charge in accordance with regulations and not on charge in Central Stores, the Central Storekeeping Officer would not be in a position to know what Chronometer transactions had taken place and would not know the numbers of the Chronometers.

L. W. MURRAY, *Lieut.-Commander,*
Navigating Officer R.C.N.

Re: Stocktaking of Stores

AUDITOR GENERAL'S OFFICE, December 2, 1924.

DEAR SIR,—Referring to your letter of the 26th ultimo, respecting stock-taking and stores accounting of the three branches of the Public Service under the administration of the Department of National Defence, namely Naval, Military and Aviation, I wish to thank you for the careful consideration you have given my letter of the 14th ultimo, and your evident desire to comply as fully as possible with my request respecting stores and stores accounting.

Until my Department has gone more fully into the control and stocktaking of stores, in view of establishing uniformity in methods and efficiency of control in all Departments, it would be satisfactory if the Inventories show the approximate total cost and estimated value of each kind of article without a complete list being made of these articles. Furniture, current stationery and equipment actually in use, plant and buildings are not to be included in the

CORRESPONDENCE—CORRESPONDANCE

Inventories, at least for my present purpose. When found impossible to obtain these details a total approximate value should be given of the whole stock of stores in any of the depots, to the best knowledge and information of the Official in charge, corroborated, if possible, by another Official.

I can understand the difficulties in the way of furnishing the desired information at present, but I trust that in regard to the current fiscal year you will be in a position to give a satisfactory return of all stores under your supervision, as above stated.

Yours truly,

GEORGES GONTHIER, A.G.

The Deputy Minister of National Defence.

DEPARTMENT OF NATIONAL DEFENCE, February 13, 1925.

DEAR SIR,—With reference to your letter dated the 2nd December last, regarding statement of the values of stocks held by the Naval, Military and Air Force Branches of the Department of National Defence.

Since the receipt of your communication, mentioned above, very careful consideration has been given to the question of obtaining priced statements of all stocks held.

As regards the Military Branch, unless the clerical staffs at Ordnance Depots are materially increased, it is very doubtful if priced balance sheets can be provided in view of the great amount of routine work which has to be kept up and the great amount of labour involved in preparing such priced sheets. This department is most anxious to meet your wishes on this subject and would welcome an opportunity of explaining to a representative or yourself the difficulties. It is felt that this would be more satisfactory as it would then be brought to your notice our exact position in the matter, both as regards the clerical work necessitated by the present system and the labour which would be involved in the preparation of priced balance sheets.

I should be very glad to have your further remarks on the subject and to put this question in front of your representative should you desire to send one to these Headquarters.

Yours faithfully,

G. J. DESBARATS, D.M.

The Auditor General.

DEPARTMENT OF NATIONAL DEFENCE, March 26, 1925.

DEAR SIR,—Further to my letter of the 21st instant, I regret to inform you that the statement in the last paragraph therein was in error. A priced list of artillery stores, ammunition and small arms, as published by the War Office and as used in Canada, together with amendments, has since been forwarded to you by the Chief of the Printing and Stationery Branch. In using this price list in Canada, 35 per cent is added to the prices shewn therein.

Yours truly,

G. J. DESBARATS, D.M.

The Asst. Auditor General.

Vote 90—Réception de l'escadre de la Marine royale en service spécial

BUREAU DE L'AUDITEUR GÉNÉRAL, le 26 novembre 1924.

MONSIEUR,—Dans le compte des dépenses contingentes pour l'année 1924-25, je note deux paiements versés au sujet de la réception faite à l'escadre de la Marine royale en service spécial. Ces paiements sont les suivants:—

District militaire n° 5

Chèque n° 3775, Brig.-Gén. J. P. Landry, Québec, \$300.

District militaire n° 11

Chèque n° 2515, Pension des officiers de la garnison, Esquimalt, \$450.

Le paiement fait au brigadier-général Landry n'est pas appuyé de pièces justificatives. Le paiement fait à la pension des officiers de la garnison d'Esquimalt est appuyé d'un état des déboursés se montant à \$457.09, mais sans aucun récépissé.

Veuillez faire parvenir à ce bureau des comptes détaillés pour couvrir ces deux avances.

Le Parlement ayant voté le crédit n° 430 destiné spécialement à couvrir ces dépenses, il faudrait maintenant demander le transfert à ce crédit de tous les paiements faits sur les fonds contingents ou autres fonds.

Je demeure, monsieur, votre obéissant serviteur,

WM KEARNS, A.G. adj.

Le sous-ministre de la Défense Nationale.

MINISTÈRE DE LA DÉFENSE NATIONALE, le 2 décembre 1924.

MONSIEUR,—Je suis en possession de votre lettre du 26 novembre relativement à des paiements faits au sujet de la visite d'une escadre de la Marine royale en service spécial, savoir:—

D.M. 5, Chèque 3775, Brig.-Gén. Landry, \$300

D.M. 11, Chèque 2515, Pension des officiers de la garn., \$450

Cette escadre a visité Esquimalt, Québec et Halifax et a été saluée officiellement par le ministre, ou ses représentants, à chacun de ces endroits. Les dépenses de cette réception officielle ont été couvertes par le crédit spécial n° 430. Il était nécessaire de plus que les garnisons de ces endroits donnassent à leurs quartiers mess des réceptions au personnel de l'escadre. A Esquimalt, il n'y a qu'un seul mess des officiers, tandis qu'il y en a plusieurs à Québec. C'est pourquoi il a été nécessaire, dans ce cas, de payer l'allocation au nom de l'officier commandant du district et de lui faire faire la répartition. Ces réceptions par les mess des officiers ne faisaient pas partie de la cérémonie officielle de bienvenue à l'escadre, mais elles étaient nécessaires dans les circonstances. Vu le nombre de convives les ressources ordinaires des mess des officiers ne pouvaient suffire, et il fallait par conséquent leur venir en aide. Les réceptions ne faisant pas partie de la cérémonie officielle, il a fallu imputer les frais sur les crédits ordinaires.

CORRESPONDENCE—CORRESPONDANCE

Cependant, une demande sera faite, comme vous le suggérez, pour transférer ces montants au compte du crédit spécial n° 430.

On a demandé aux officiers désignés de fournir les pièces justificatives mentionnées dans votre lettre.

Je demeure, monsieur, votre obéissant serviteur,

G. J. DESBARATS, S.-M.

L'Auditeur général adjoint.

Champ de tir de Bedford, N.-E.: Vente de bois sur pied

BUREAU DE L'AUDITEUR GÉNÉRAL, le 17 juillet 1924.

MONSIEUR,—Je désire attirer votre attention sur un paiement fait, à même votre lettre de crédit de l'année financière courante, au moyen du chèque n° 588, au montant de \$21.60, en faveur du *Halifax Chronicle*, pour annoncer la vente d'une certaine quantité de bois sur pied, marchand, dans la région dangereuse du champ de tir de Bedford, le paiement par l'entrepreneur devant être fait par la fourniture de madriers d'épinette ou de sapin de 3" d'épaisseur, de pas moins de 6" de largeur et d'une longueur d'au moins 10', "les soumissionnaires devant déclarer dans leur soumission le pourcentage de ces madriers qu'ils offrent en paiement pour la quantité totale de bois coupé".

J'attire votre attention sur les termes du paiement dans cette proposition de vente, parce qu'à mon avis le ministère se trouve par là en mesure de faire des dépenses sans l'autorisation du Parlement.

Si l'on a cru nécessaire dans l'intérêt public de disposer du bois sur pied en question, il semble que le ministère aurait dû en annoncer une vente au comptant, le montant reçu étant considéré comme un revenu et déposé au crédit du Receveur général.

D'après moi, un ministère du gouvernement doit obtenir l'autorité du Parlement pour toute dépense à faire sous son administration et ne peut éluder cette obligation par transfert ou par transaction.

Je serais heureux de savoir de vous ce qui est résulté de cette annonce.

Je demeure, monsieur, votre obéissant serviteur,

WM KEARNS, A.G. adj.

Le sous-ministre de la Défense Nationale.

MINISTÈRE DE LA DÉFENSE NATIONALE, le 30 juillet 1924.

MONSIEUR,—Je vous accuse réception de votre lettre du 17 courant, dans laquelle vous faites certaines remarques concernant le paiement de \$21.60 en faveur du *Halifax Chronicle*, par chèque émis à même une lettre de crédit, en vue d'annoncer la vente de certains bois sur pied marchands, dans la région dangereuse du champ de tir de Bedford.

Les remarques que vous faites semblent se rapporter à la manière dont l'entrepreneur devait payer le ministère pour le bois coupé, conformément à la soumission de vente ainsi annoncée. Malheureusement, l'annonce en question n'a pas été rédigée d'une manière bien précise, et malgré que le résultat réel du

NATIONAL DEFENCE—DÉFENSE NATIONALE

contrat, en ce qui concerne le ministère, soit conforme aux intentions du ministère, les termes de l'annonce elle-même sont quelque peu trompeurs, au point de vue de la vérification des comptes.

Voici ce que le ministère voulait:

Il y avait sur le champ de tir de Bedford une forte quantité de bois sur pied ayant atteint la maturité, et comme il faut chaque année de fortes quantités de planches, madriers, etc., pour les besoins des ingénieurs d'Halifax, on a cru utile de prendre la provision de bois du ministère à même le bois sur pied en question, et de rembourser l'entrepreneur de la coupe de ce bois par un certain pourcentage de ce bois, au lieu de le payer en argent. Cette méthode, dites-vous, vient en conflit avec les dispositions de la Loi de l'audition. Malheureusement, les termes de l'annonce semblent renverser les rôles. En d'autres termes, au lieu que ce soit le ministère qui rembourse l'entrepreneur, c'est celui-ci qui rembourse le ministère. Comme je l'ai fait remarquer, le résultat final, cependant, en ce qui concerne le ministère et l'entrepreneur, est absolument le même que si l'annonce avait été rédigée suivant les intentions du ministère et, par conséquent, j'aime à croire que cette explication répond aux remarques que vous avez faites dans votre lettre.

Je demeure, Monsieur,

Votre obéissant serviteur,

G. J. DESBARATS, S.-M.

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 20 août 1924.

MONSIEUR,—J'ai l'honneur de vous accuser réception de votre honorée du 30 dernier expliquant la transaction faite par le ministère au sujet du bois sur pied au champ de tir de Bedford, sur laquelle j'avais attiré votre attention dans ma lettre du 17 dernier.

Je suis encore d'avis que si l'on a cru nécessaire de disposer des arbres en question, le produit de la vente devrait être déposé au crédit du Receveur général.

D'après moi, le ministère ne peut à volonté employer les recettes en argent ou en nature pour remplacer les crédits votés par le Parlement.

Je demeure, monsieur,

Votre obéissant serviteur,

WM KEARNS, A.G. adj.

Le sous-ministre de la Défense Nationale.

Vote 94—Louage de chevaux employés aux manœuvres annuelles

BUREAU DE L'AUDITEUR GÉNÉRAL, le 24 octobre 1924.

MONSIEUR,—Je désire attirer votre attention sur un paiement fait au payeur du district militaire n° 2 dans l'année financière 1924-25 sous la rubrique: manœuvres annuelles.

Par le chèque n° 2758, le lieutenant-colonel J. F. H. Ussher a reçu \$600 pour "louage de chevaux pour les exercices et la pratique de l'équitation aux manœuvres de 1923-24 des quartiers locaux".

CORRESPONDENCE—CORRESPONDANCE

La pièce justificative comprend une allocation de \$200 pour chacun des escadrons "A", "B" et "C" des Carabiniers à cheval d'Ontario.

Les articles 186 à 191 des règlements, concernant la solde et l'allocation, stipulent, sous certaines restrictions, une allocation de \$2 par jour pour chaque cheval utilisé.

Considérant la procédure clairement établie dans les règlements, veuillez expliquer pourquoi le louage des chevaux de ce corps a été pratiquement calculé sur la base d'une allocation de \$200 pour chacune de ces trois escadrons.

Je demeure, Monsieur,

Votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre de la Défense Nationale.

MINISTÈRE DE LA DÉFENSE NATIONALE, le 31 octobre 1924.

MONSIEUR,—Je vous accuse réception de votre lettre du 24 courant relativement au paiement du chèque n° 2758, pour la somme de \$600.00, en faveur du lieutenant-colonel J. F. H. Usher, pour louage de chevaux destinés aux exercices d'équitation et à l'enseignement de l'équitation au quartier général régional pendant la saison d'entraînement 1923-24.

On se rend bien compte que l'allocation pour le louage de chevaux prévue aux règlements concernant la solde et les allocations, fixe une somme explicite pour chaque cheval mis en service pour l'entraînement et que c'est pour cette raison que l'on exige les pièces justificatives couvrant les déboursés effectués pour louer des chevaux.

L'année dernière des instructions ont été données établissant que le montant maximum pouvant être dépensé à ces fins était limité à \$200 pour chaque escadron, mais l'officier commandant les chasseurs à cheval d'Ontario était sous l'impression que la somme indiquée était plutôt sous forme d'un octroi, et par conséquent il n'a pas fourni les pièces justificatives pour les chevaux obtenus de particuliers ou d'écuries de louage et sa réclamation a été en conséquence tenue en suspens.

Cependant l'officier commandant a fourni une liste détaillée des chevaux utilisés qui fait voir que le montant réclamé était moins élevé que celui autorisé par les règlements. L'officier commandant a aussi produit un certificat attestant que ces débours avaient été effectués pour louer des chevaux pendant la saison d'entraînement, et le paiement du compte a été autorisé conformément à la recommandation de l'officier commandant du district militaire n° 2 en date du 4 avril 1924.

Pour votre propre information nous vous ferons remarquer sous ce rapport, que, bien qu'il soit nécessaire de réduire les dépenses de chaque escadron, à cause de l'insuffisance des fonds, le montant autorisé est généralement bien inférieur au montant réellement requis, de sorte que les diverses Unités doivent nécessairement suppléer à la différence quand il en existe et dans les circonstances que l'on vient d'expliquer j'espère que les déboursés encourus seront approuvés.

Je demeure, monsieur, votre obéissant serviteur,

G. J. DESBARATS, *S.-M.*

L'Auditeur général.

NATIONAL DEFENCE—DÉFENSE NATIONALE

Vote 95—Solde et allocations du grade de major accordées à un capitaine

BUREAU DE L'AUDITEUR GÉNÉRAL, le 17 mars 1925.

MONSIEUR,—L'arrêté en Conseil C.P. 349, daté le 9 mars 1925, stipule qu'à partir de la date de sa permutation dans les cadres du 22e Régiment Royal, le capitaine et lieutenant-colonel breveté P. A. Piuze recevra "la solde et les allocations attachées au grade de major dans son régiment."

De plus l'arrêté en Conseil expose que cet officier rétrograda au rang de capitaine le 1er octobre 1924 et que la réduction consécutive dans le montant de sa solde et de ses allocations "le met dans l'impossibilité de faire vivre sa femme et sa famille".

L'échelle de rémunération pour les officiers de tous grades est clairement définie dans les règlements concernant la solde et les allocations.

Je ne comprends pas comment les taux applicables au grade de major puissent en aucune circonstance s'appliquer au grade de capitaine et j'aimerais à connaître vos vues sur ce point.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, A.G. adj.

Le sous-ministre de la Défense Nationale.

MINISTÈRE DE LA DÉFENSE NATIONALE, 27 mars 1925.

MONSIEUR,—J'ai l'honneur de vous accuser réception de votre lettre du 17 courant et de vous informer que, sous le régime de la Loi de la milice, le Gouverneur en Conseil a le pouvoir de prescrire de temps à autre les règlements régissant le paiement de la solde et des allocations au personnel de la milice active et que la même autorité, par conséquent, est tout à fait compétente à modifier dans toute circonstance particulière les taux de n'importe quel grade établis dans lesdits règlements.

La classification par arrêté en Conseil du capitaine (lieutenant-colonel breveté) Piuze lui accordant la solde et les allocations du grade de major a donc été considérée comme étant régulière. La recommandation de l'arrêté en Conseil à l'effet que le capitaine Piuze soit payé au taux de "la solde et des allocations attachées au grade de major" a été rédigée dans les termes les plus propres à bien faire comprendre quelle solde et quelles allocations cet officier était autorisé à recevoir.

Je demeure, monsieur, votre obéissant serviteur,

G. J. DESBARATS, S.-M.

L'Auditeur général.

Matières maritimes—Chronomètre manquant

(Continuation de la correspondance à la page Q-139, Rapport 1923-24)

BUREAU DE L'AUDITEUR GÉNÉRAL, le 18 décembre 1924.

MONSIEUR,—Relativement à votre lettre du 7 août 1924 disant qu'une enquête complète se poursuit actuellement en vue de retracer un chronomètre rapporté comme manquant par l'examineur en chef de ce ministère qui vérifia

CORRESPONDENCE—CORRESPONDANCE

les matières des magasins maritimes à Halifax au mois de janvier 1924, je vous serais bien obligé d'être assez bon de me dire si ce chronomètre a été retrouvé.

S'il n'a pas été retrouvé, veuillez me faire connaître le résultat de votre enquête.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre de la Défense Nationale.

MINISTÈRE DE LA DÉFENSE NATIONALE, le 31 décembre 1924.

MONSIEUR,—J'ai l'honneur de vous accuser réception de votre lettre du 18 courant au sujet du chronomètre Johansen n° 5724 qui n'a pu être localisé par l'examineur en chef de votre ministère lors de la vérification des matières des magasins maritimes à l'arsenal de S.M. au port de Halifax, N.-E., au mois de janvier dernier.

Il ressort de l'enquête instituée dans le but de retracer cet instrument qu'il a été définitivement établi qu'un instrument de cette marque et portant ce numéro n'a jamais été utilisé dans notre service et le fait qu'il a été porté au grand-livre est dû à une erreur dans l'échange de reçus au sujet desquels l'officier en charge des magasins maritimes à Halifax a fait le rapport suivant:—

“ Lorsque le S.C.S.M. *Aurora* a été mis hors de service au mois de mai 1922, l'officier de navigation a remis les chronomètres au dépôt des cartes et chronomètres de l'arsenal et obtint un reçu de ces articles du commandant en charge. Le numéro du chronomètre est indiqué sur ce reçu.

Au mois d'août de la même année un officier-magasinier a été mis en devoir pour compléter la remise des matières de l'*Aurora* et fermer les comptes du matériel. Cet officier constatant que les chronomètres n'avaient pas été rapportés comme ayant été retournés et ne pouvant, sans aucun doute trouver le reçu obtenu de l'officier de navigation rédigea une autre pièce justificative attestant le retour de l'instrument et en obtint un autre reçu. Mais dans ce dernier cas le numéro exact, 5404, a été inscrit sous le n° 5724. Le commis du grand-livre au dépôt des cartes et chronomètres inscrivit les chronomètres au compte du grand-livre d'après les pièces justificatives accompagnant les instruments lorsqu'ils ont été rapportés par l'officier de navigation, mais comme le n° 5724 paraissait sur la deuxième pièce justificative et n'était pas inscrit au grand-livre, le commis en fit l'entrée au grand-livre, ce qui a eu pour résultat que l'examineur en chef n'a pas été capable de le localiser.”

Pour votre propre information, vous trouverez ci-annexés les deux reçus dont il est ici question et nous vous demanderons de les retourner à notre ministère.

Vous vous rendrez compte, d'après ces explications, que nous avons là une erreur d'écriture seulement qui ne comporte aucune perte.

Je suis, monsieur, votre obéissant serviteur,

G. J. DESBARATS, S.-M.

L'Auditeur général.

NATIONAL DEFENCE—DÉFENSE NATIONALE

BUREAU DE L'AUDITEUR GÉNÉRAL, le 28 janvier 1925.

MONSIEUR,—Me reportant à votre lettre du 31 décembre 1924 m'informant que le chronomètre n° 5724 n'a jamais été utilisé dans votre service et que le préposé au grand-livre a fait une erreur en donnant un reçu, je désire vous dire que l'examineur en chef de ce bureau qui a vérifié les matières à Halifax a trouvé une copie du reçu donné par le commis-magasinier des matières à Halifax pour le chronomètre Johannsen n° 5724 ainsi qu'une entrée dans le grand-livre des matières accusant le retour du chronomètre en question.

Je remarque, dans le paragraphe 4 de votre lettre qu'un officier-magasinier a été chargé de fermer les comptes-matières de l'*Aurora*, et plus loin que "cet officier constatant que les chronomètres n'avaient pas été rapportés comme ayant été retournés dans les comptes des matières... rédigea une autre pièce justificative attestant le retour des instruments et en obtint un autre reçu". Le chronomètre n° 5724 était mentionné dans ce reçu.

Par conséquent, il est évident que cet officier obtint et accepta un reçu pour la remise d'un chronomètre portant le n° 5724 pour lui permettre de fermer ses comptes.

A cause de ce fait il semble raisonnable de présumer qu'un chronomètre portant le n° 5724 était effectivement porté dans les comptes du grand-livre des matières de l'*Aurora*.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre de la Défense Nationale.

MINISTÈRE DE LA DÉFENSE NATIONALE, le 9 mars 1925.

MONSIEUR,—En réponse à votre lettre en date du 28 janvier écoulé ayant trait au chronomètre n° 5724, permettez-moi de vous dire que dans la poursuite des travaux de l'enquête concernant cet instrument il nous a fallu obtenir certains renseignements de l'astronome du Roi à Greenwich, Angleterre, et lorsque nous aurons reçu ces renseignements nous vous ferons tenir un autre rapport.

Je suis, monsieur, votre obéissant serviteur,

G. J. DESBARATS, S.M.

L'Auditeur général.

MINISTÈRE DE LA DÉFENSE NATIONALE, le 9 juillet 1925.

MONSIEUR,—Me reportant à ma lettre en date du 9 mars écoulé ayant trait au chronomètre n° 5724, permettez-moi de vous dire que nous avons fait, à ce propos, une enquête des plus approfondies et, comme résultat, nous vous envoyons, pour votre gouverne, les documents ci-après indiqués "A", "B", "C" et "D" que vous trouverez sous ce pli:—

"A" Copie d'une lettre du Haut Commissaire du Canada, en date du 30 mars 1925, donnant les numéros enregistrés des chronomètres et des montres fournis aux navires canadiens de Sa Majesté *Aurora*, *Patriot* et *Patrician* lorsque ces navires ont été remis au gouvernement du Canada en 1920, et déclarant que rien n'indique que le chronomètre n° 5724 ait été en aucun temps inscrit dans les livres de l'Observatoire royal de Greenwich, ou du service hydrographique de l'Amirauté.

CORRESPONDENCE—CORRESPONDANCE

“ B ” La pièce justificative même de l'enregistrement sous le numéro 11 de l'expertise faite par l'officier de navigation du navire canadien de Sa Majesté *Aurora* le 27 mai 1922, lorsque tous les chronomètres ont été retournés à l'arsenal maritime par cet officier lui-même. On remarquera que le commandant Shenton (qui avait alors la garde du dépôt des chronomètres à Halifax) a signé la pièce justificative attestant qu'il avait lui-même reçu les instruments indiqués dans ce récépissé.

“ C ” Déclaration du lieutenant commandant Murray, M.R.C., chronométrateur du navire *Aurora*, disant que trois chronomètres seulement étaient en usage sur le navire *Aurora* et que le chronomètre n° 5404 avait été retiré du dépôt des chronomètres à Halifax pour le mettre à la place du n° 5728 qui avait été retourné pour être réparé.

“ D ” La pièce justificative même de l'enregistrement portant le numéro 25 de l'expertise faite par le gardien du magasin central des matières de l'*Aurora*, le 17 août 1922 (près de trois mois après que le lieutenant commandant Murray eut lui-même retourné les chronomètres). Bien qu'il soit fait mention du chronomètre n° 5724 dans cette pièce justificative, on remarquera que lorsqu'une indication faite pour les autres numéros dans la colonne portant la rubrique “ rapport par les officiers de l'arsenal maritime ” atteste que ces instruments ont été reçus, il ne s'y trouve aucune indication pour le n° 5724. On remarquera aussi que la pièce justificative n'a pas été signée. Quant aux inscriptions dans le livre du dépôt des chronomètres, on constate que le n° 5724 a été reçu par erreur le 18 août 1922 d'après cette pièce justificative, tandis que les autres numéros indiqués sur cette pièce justificative, de même que le n° 5404, ont été reçus le 27 mai 1922 d'après la pièce justificative de l'expertise enregistrée sous le numéro 11 (document “ B ” ci-inclus).

Tous les rapports reçus de navires et des établissements canadiens de Sa Majesté déclarent qu'on ne peut donner aucun renseignement relatif au chronomètre n° 5724.

D'après la déclaration faite par le lieutenant-commandant Murray on constatera que la pièce justificative de l'expertise portant le numéro 25 n'aurait pas dû être émise par le gardien du magasin central de l'*Aurora* puisque les chronomètres étaient confiés à la garde du lieutenant-commandant Murray (conformément aux règlements) et n'auraient pas dû être inscrits dans le livre du magasin central du navire, le gardien du magasin central n'étant pas chargé de la garde de ces instruments.

Je dois donc confirmer la déclaration que je faisais dans ma lettre en date du 31 décembre 1924, disant que cette différence n'existe que dans les livres et ne constitue pas une perte véritable.

Je suis, monsieur, votre obéissant serviteur,

G. J. DESBARATS, S.M.

L'Auditeur général.

Document “ A ”

BUREAU DU HAUT COMMISSAIRE CANADIEN,
KINNARD-HOUSE, PALL-MALL EAST, LONDON, S.W.I. le 30 mars 1924.

MONSIEUR,—Me référant à votre lettre du 5 mars, permettez-moi de vous dire que j'apprends de l'Amirauté que rien n'indique que le chronomètre Johannsen 5724 ait été inscrit dans les livres de l'observatoire Royal de Greenwich, ou du Service hydrographique de l'Amirauté.

NATIONAL DEFENCE—DÉFENSE NATIONALE

Il est établi, cependant, que le chronomètre Johannsen 5728 était bien un chronomètre de l'Amirauté et se trouvait à bord du navire de Sa Majesté *Aurora*, et qu'il a été remis au gouvernement du Canada en même temps que ce navire.

Voici un état des chronomètres et des montres à bord des navires canadiens de Sa Majesté *Aurora*, *Patriot*, et *Patrician* lorsque ces navires ont été transférés à la Marine Canadienne:

N.C.S.M. Aurora.

Chronomètre Uhrig n° 517.

“ Rebb n° 5380.

“ Johannsen n° 5728.

Compteur Johnson n° 341100.

N.C.S.M. Patriot.

Montre-chronomètre Alexander n° 99429.

Compteurs Johannsen n° 7814.

N.C.S.M. Patrician.

Montre-chronomètre Kinzler n° 52064.

Compteurs Wales & McCulloch n° 3923.

Quant à votre demande de renseignements concernant les numéros des certificats, l'Amirauté me fait remarquer que ces numéros semblent se rapporter à une méthode de renvoi employée par le gouvernement canadien, méthode qui n'est pas suivie dans l'Amirauté, puisqu'on n'y émet pas de certificats pour les chronomètres et les montres, ces instruments étant désignés seulement par les noms des fabricants et les numéros.

L'Amirauté sera heureuse de vous fournir tous autres renseignements concernant les chronomètres et les montres dont il s'agit, de nature à vous aider dans cette enquête.

Je suis, monsieur, votre obéissant serviteur,

LUCIEN PACAUD, *Secrétaire.*

Le sous-ministre de la Défense Nationale.

Document “C”

ARSENAL MARITIME, C.S.M., HALIFAX, N.-E., le 13 mars 1925.

AU PRÉPOSÉ DES MATIÈRES, SERVICE NAVAL:—

Le préposé des matières du Service naval m'ayant personnellement demandé des renseignements concernant le nombre de chronomètres réellement à bord de l'*Aurora*, en aucun temps, permettez-moi de vous dire que trois chronomètres seulement ont été utilisés sur le navire.

Le chronomètre n° 5728 a été retourné à l'arsenal maritime pour réparations au grand ressort qui était brisé.

Le chronomètre n° 5404 a été envoyé pour remplacer le précédent et a été, dans la suite, retourné avec les deux autres chronomètres à l'arsenal.

CORRESPONDENCE—CORRESPONDANCE

Comme ces chronomètres se trouvaient placés sous ma responsabilité personnelle, conformément aux règlements, et non sous la responsabilité du magasin central des matières, le préposé du magasin central des matières ne serait pas en état de savoir ce que l'on a fait des chronomètres et ne connaîtrait pas les numéros des chronomètres.

L. W. MURRAY, *lieutenant-commandant,*
Officier de navigation, M.R.C.

Inventaire des matières

BUREAU DE L'AUDITEUR GÉNÉRAL, le 2 décembre 1924.

CHER MONSIEUR,—Me référant à votre lettre du 26 du mois dernier relative à l'inventaire et à la comptabilité des matières des trois divisions du service public placées sous la direction du ministère de la Défense Nationale, et principalement des affaires navales, militaires et de l'aviation, je désire vous remercier de la sérieuse considération que vous avez accordée à ma lettre du 14 écoulé et du désir évident dont vous avez fait preuve de vous rendre dans toute la mesure possible à ma demande concernant les matières et la comptabilité y relative.

D'ici à ce que mon département se soit tout à fait familiarisé avec le contrôle de l'inventaire des matières pour arriver à amener l'uniformité de méthode et une mainmise efficace dans chacun des ministères, il serait fort à propos que l'inventaire affichât le coût total approximatif et l'estimation de la valeur de chaque catégorie d'articles sans avoir à recourir à la préparation d'une liste complète des matières. Il ne faut pas comprendre dans l'inventaire l'ameublement, la papeterie ordinaire ni les installations présentement utilisées, pas plus que les bâtiments et la machinerie, au moins en ce qui concerne mon but actuel. Dans l'impossibilité d'obtenir ces données, il faudrait fournir un chiffre approximatif d'ensemble des dépôts de matières au mieux de la connaissance et des sources de renseignements du fonctionnaire compétent, avec, là où ce sera possible, la corroboration d'un autre fonctionnaire.

Je suis au fait des difficultés qu'entraîne la production des renseignements présentement demandés, mais j'ai confiance que, du moins pour l'année financière en cours, vous serez en mesure de fournir un rapport assez complet de toutes les matières confiées à vos soins, comme il est établi ci-haut.

Bien à vous,

GEORGES GONTHIER, A.G.

Le sous-ministre de la Défense Nationale.

MINISTÈRE DE LA DÉFENSE NATIONALE, le 13 février 1925.

CHER MONSIEUR,—Me reportant à votre lettre en date du 2 décembre dernier relative à un état de la valeur des matières des divisions navale et militaire et du service aéronautique du ministère de la Défense nationale:

Depuis la réception de votre lettre ci-haut mentionnée, nous avons fait tout notre possible pour obtenir un état d'évaluation de toutes les matières en mains.

NATIONAL DEFENCE—DÉFENSE NATIONALE

Pour ce qui est de la division militaire, et à moins que le personnel des écritures des dépôts de l'artillerie ne soit sérieusement augmenté, il est fort douteux qu'il soit possible de fournir des états de prix à cause de la somme considérable de travail routinier qu'il importe d'effectuer, ainsi que du labeur immense occasionné par la préparation de ces états de prix. Notre ministère est tout disposé à se rendre à vos désirs en l'occurrence et serait enchanté de rencontrer soit vous-même, soit un de vos représentants pour vous exposer notre embarras. Nous sommes d'avis que cette entrevue serait plus satisfaisante en ce qui concerne le nombre du personnel nécessité par le travail de routine actuel qu'en ce qui a trait à la somme de travail occasionnée par la préparation des états de prix.

Je recevrai avec plaisir vos instructions ultérieures en la matière et serai heureux de mettre la situation sous les yeux de votre représentant, si vous jugez bon de l'envoyer aux quartiers généraux.

Bien à vous,

G. J. DESBARATS, S.-M.

L'Auditeur général.

MINISTÈRE DE LA DÉFENSE NATIONALE, le 26 mars 1925.

CHER MONSIEUR,—Pour faire suite à ma lettre du 21 de ce mois, j'ai le regret d'avoir à vous déclarer que les renseignements contenus dans le dernier alinéa étaient erronés. Une liste des prix du matériel de l'artillerie, des munitions et des armes légères, telle que publiée par le Bureau de la Guerre et utilisée en Canada, y compris les modifications survenues, vous a depuis été expédiée par le chef du bureau des Impressions et de la Papeterie. Pour les fins d'utilisation de cette liste de prix en Canada, il convient d'ajouter 35 pour 100 aux données énoncées.

Bien à vous,

G. J. DESBARATS, S.-M.

L'Auditeur général adjoint.

PATENTS AND COPYRIGHTS—BREVETS D'INV. ET DROITS D'AUTEUR

Vote 345: Printing and Binding Outside of Government Bureau

AUDITOR GENERAL'S OFFICE, OTTAWA, July 6, 1925.

SIR,—I am in receipt of your application dated July 2nd, 1925, in favour of Edward G. Allen & Sons, Ltd., for £37-17-9, being payment for binding English Patent Records.

In this connection I desire to direct your attention to chap. 80, Section 16 of the Revised Statutes of Canada which provides as follows:—

“A Government establishment shall be organized at Ottawa, and shall be under the management of the Superintendent of Printing, in which establishment all printing, electrotyping, stereotyping, lithographing and binding, and other work of like nature required for the service of the Parliament and the several departments of the Government shall be executed.”

In view of this statutory provision I shall be obliged if you will let me know your reasons for not having the binding in question done at the Government Printing Bureau at Ottawa.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

GEO. F. O'HALLORAN, Esq.,

Commissioner of Patents, Patent & Copyright Office, Ottawa.

PATENTS AND COPYRIGHTS DEPARTMENT,
OTTAWA, July 11, 1925.

SIR,—I am in receipt of your letter of the 6th instant, in the matter of our application dated July 2, 1925, for £37-17-9 in favour of Edward G. Allen and Sons, Limited, being payment for binding English Patent Records.

When Dr. Dawson occupied the position of King's Printer, the question of binding the British Patent Reports was referred to him and he reported that the binding as per sample could not be done as cheaply as in London and recommended that the work be left in the hands of Messrs. Edward G. Allen and Sons, Limited.

In 1919, one of the bound books identical in material and workmanship with those in our library from the year 1617, a collection of three hundred years, was sent to the Bureau and the estimate of the foremen of the bindery was so greatly in excess of that paid Messrs. Allen and Sons, Limited, that it was decided that no change be made. The binding has been done by this firm for the department for the past twenty-five years. The matter of collecting and collating the material is, of course, more easily accomplished in London than it would be here.

These are the reasons why the office has continued to have the binding in question done by Messrs. Allen and Sons, Limited.

Your obedient servant,

GEO. F. O'HALLORAN, *Commissioner.*

The Auditor General.

CORRESPONDENCE—CORRESPONDANCE

AUDITOR GENERAL'S OFFICE, OTTAWA, August 5, 1925.

SIR,—With further reference to my letter of the 6th ult., and your reply of the 11th ult. respecting certain expenditure arising from binding English Patent Records by Edward G. Allen and Sons, Limited, London, England, I am of opinion that Chapter 80, Section 16 of the Revised Statutes of Canada applies to the purchases in question and the Department is as a consequence bound by its provisions.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

G. F. O'HALLORAN, Esq.,

Commissioner of Patents and Copyrights, Ottawa.

Vote 345: Impressions et reliure faites en dehors de l'Imprimerie nationale

OTTAWA, le 6 juillet 1925.

MONSIEUR,—J'ai reçu votre lettre du 2 juillet 1925 demandant de payer à Edward G. Allen & Sons, Ltd., la somme de £37-17-9, pour la reliure du "Patent Record" d'Angleterre.

A ce sujet, je tiens à attirer votre attention sur le chapitre 80, article 16, des Statuts révisés du Canada, qui dispose que:

"Est organisé à Ottawa un établissement officiel dont le surintendant des impressions a la gérance, et dans lequel doivent se faire tous les travaux d'impression, d'électrotypie, de stéréotypie, de lithographie et de reliure, et autres ouvrages du même genre requis pour le service du Parlement et du Gouvernement du Canada."

Etant donné cette disposition statutaire, vous m'obligeriez en me faisant connaître vos raisons de n'avoir pas fait faire la reliure en question à l'Imprimerie nationale.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

GEORGE F. O'HALLORAN,

Commissaire des brevets, Ottawa.

DÉPARTEMENT DES BREVETS D'INVENTION ET DES DROITS D'AUTEUR,

OTTAWA 11 juillet 1925.

MONSIEUR,—J'ai reçu votre lettre du 6 courant à propos de la demande en date du 2 juillet 1925 relative au paiement de £37-17-9 à Edward G. Allen & Sons, Limited, pour la reliure du "Patent Record" d'Angleterre.

Lorsque le Dr Dawson occupait le poste d'imprimeur du Roi, on lui soumit la question de la reliure du "Patent Record" d'Angleterre et il fit rapport que cette reliure, suivant l'échantillon, ne pouvait se faire à aussi bon marché ici qu'à Londres, recommandant que le travail reste entre les mains de Edward G. Allen and Sons, Limited.

En 1919, on a envoyé à l'Imprimerie nationale un livre relié semblable, au point de vue des matériaux et de l'exécution, aux volumes de notre bibliothèque. Celle-ci comprend une collection qui remonte à 1617, soit trois cents ans. Le contremaître de la reliure a donné une estimation dépassant de beaucoup la somme payée à "Allen and Sons, Limited". Alors on a décidé de ne faire aucun changement. Cette maison fait de la reliure pour le département depuis vingt-cinq ans. Le collectionnement des numéros est évidemment plus facile à faire à Londres qu'ici.

Voilà les raisons pour lesquelles le Bureau a continué à faire faire la reliure en question par MM. Allen & Sons, Limited.

Votre obéissant serviteur,

GEO. F. O'HALLORAN, *commissaire*.

L'Auditeur général.

OTTAWA, 5 août 1925.

MONSIEUR,—A propos de ma lettre du 6 écoulé et de votre réponse du 11 dernier concernant certaines dépenses pour la reliure du "Patent Record" d'Angleterre par Edward G. Allen and Sons, Limited, de Londres, Angleterre, je suis d'avis que le chapitre 80, article 16, des Statuts révisés du Canada s'applique aux achats en question et que le département est en conséquence tenu de se conformer à cette disposition.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

GEORGE F. O'HALLORAN,
Commissaire des brevets, Ottawa.

POST OFFICE—POSTES

Vote 368—Strike of Postal Employees, June, 1924

POST OFFICE DEPARTMENT, OTTAWA, July 14, 1924.

DEAR MR. GONTHIER,—I am enclosing a copy of a memorandum embodying the proposed conditions of reimbursements in regard to employees in the Toronto Post Office who went on strike. A similar memorandum will be prepared concerning the employees at Montreal and Windsor.

It is desirable that this memorandum should be handed individually to each employee at the time he signs for his salary cheque to-morrow, and I would, therefore, request that you be good enough to review the proposed conditions immediately and let me know not later than this afternoon whether or not you have any objections.

Yours sincerely,

L. J. GABOURY, *D.P.G.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, OTTAWA, July 14, 1924.

DEAR MR. GABOURY,—Referring to your letter of the 14th instant and the correspondence enclosed therein respecting the proposed action of the Department in the settlement of the recent strike of postal clerks at Toronto, Montreal and Windsor, I am of opinion that the Department should consult the Deputy Minister of Justice as to the position and power, under existing statutes and regulations, of the Post Office Department in this matter.

The question to be considered first of all, is, I think, have the positions held by the postal clerks who went on strike and absented themselves from duty become vacant?

Under Section 28 of the Civil Service Act it would appear that an employee may be considered to be in the Civil Service until he has been dismissed or his resignation has been accepted by the Governor in Council.

Under Section 27 provision has been made, in the case of an employee absent without leave, for the deduction from his monthly salary of the amount due each day for such absence.

The Civil Service Regulations which have been approved by the Governor in Council provide under Section 103 as follows:—

“Any employee absent from duty without leave for a period of two weeks shall be held to have abandoned his position which shall thereby become vacant, and if the Department desires, immediate steps may be taken to fill the same.”

There may be other statutory provisions relative to this matter of which, at the moment, I am not aware.

I would not like therefore to give a hasty opinion as to the legality of the proposed settlement and I think the Department will be on safe ground in obtaining the opinion of the Department of Justice.

Yours sincerely,

GEORGES GONTHIER, *A.G.*

The Deputy Postmaster General.

CORRESPONDENCE—CORRESPONDANCE

AUDITOR GENERAL'S OFFICE, OTTAWA, November 8, 1924.

DEAR SIR,—I am in receipt of paylists covering the retiring allowances granted under the Public Service Retirement Act to several employees of your Department who went out on strike in June last but who were subsequently reinstated and later retired under that Act.

When your statements of the allowances to which they were entitled were submitted to this Office, verification could not then be made of the actual salaries paid them but your officers stated that "these men were entitled to certain rates from April 1st, 1924, by reason of salary revision."

Further information obtained shows that some of these employees were absent without pay from June 19th to 30th inclusive, being the period they were on strike. For the months of July and August they were paid as temporary helpers only, at a salary of \$1,020 per annum irrespective of the higher salaries they were previously receiving in their former positions. From September 1st they were paid the salaries of their former positions and at the revised rates which were made effective from April 1st, 1924.

In view of the fact that these employees were absent "on strike" for about two weeks there are several questions to be decided before considering them as eligible for the allowances recommended.

1. Did their going on strike affect their status as employees of your Department?
2. Under what authority were they restored to their former positions?
3. Was the requisite authority obtained for their employment as temporary helpers?
4. Did such absence affect the continuity of their service and thus render them ineligible for annuities under the Public Service Retirement Act?
5. If they are eligible for annuities should the annuities be calculated on the basis of the full salary which they would have received had they not gone on strike and as a consequence been deducted pay for twelve days and reduced in position and salary for two months?

I am of opinion that these questions should be submitted to the Justice Department before any payments under the Orders in Council retiring them be made.

Yours truly,

GEORGES GONTHIER, A.G.

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, OTTAWA, ONT., November 27, 1924.

DEAR MR. GONTHIER,—I wish to refer to your letter of the 8th instant, regarding the basis on which the retiring allowance due employees of the Post Office Department who participated in the recent strike and who have since been retired under the Public Service Retirement Act, are to be calculated.

For convenience, I shall quote your question and then give my remarks,—

1. Did their going on strike affect their status as employees of your Department?

No. They were simply absent without leave during the strike period, which in no cases exceeded two weeks.

POST OFFICE—POSTES

2. Under what authority were they restored to their former positions?

No authority was necessary, as they had not been removed from their positions.

3. Was the requisite authority obtained for their employment as temporary helpers?

No specific authority was obtained, but the Memorandum of Conditions of Reinstatement submitted to you on the 14th July was, on the same day, referred to the Civil Service Commission, who expressed the opinion that this was a matter of Government policy and Departmental procedure, in which it was presumed the concurrence of the Auditor General had been secured, and that the Commission would not be called upon for certificates in connection therewith. All the department did was to pay the employees affected less during July and August than it had authority to pay.

4. Did such absence affect the continuity of their service and thus render them ineligible for annuities under the Public Service Retirement Act?

No.

5. If they are eligible for annuities should the annuities be calculated on the basis of the full salary which they would have received had they not gone on strike and as a consequence been deducted pay for twelve days and reduced in position and salary for two months.

The Department's understanding of the Government's attitude to those who went on strike was that they should be penalized to the extent of losing their pay during the period of absence, and that they should serve a probationary period of two months at reduced pay, in order that the Department might be in a position to decide whether the services rendered during that period would warrant their being re-established in their former positions. In the case of those who have not been re-established in their former positions steps were taken to remove their names from the list of employees by Order in Council. These deductions, therefore, were looked upon by the Department in practically the same way as fines, and it was certainly not the Government's intention to further penalize employees on retirement by reducing their retiring allowances on account of the imposition of these fines.

Deductions are, from time to time, made from the salaries of employees by way of fines in connection with the mistreatment of mail matter, and in many cases employees are called upon to make good losses due to the careless handling of such mail matter. No attempt, whatever, has been made to take cognizance of deductions of this kind when calculating retiring allowances, and there does not appear to be any good reason why a different procedure should be followed in this case.

As regards the statement made by the Department when submitting the calculations of allowances for approval by you, that these men were entitled to certain rates from April last, by reason of salary revision, I may say that the increased rate being paid under salary revision was the only factor taken into consideration.

I note that it is your intention to submit these several questions to the Department of Justice for an opinion, and I trust that you will advise me as soon as that opinion is obtained.

Yours truly,

L. J. GABOURY, D.P.G.

The Auditor General.

CORRESPONDENCE—CORRESPONDANCE

AUDITOR GENERAL'S OFFICE, OTTAWA, December 1, 1924.

DEAR MR. GABOURY,—I am in receipt of yours of the 27th ult. in reference to the salaries and retiring allowances of the employees of your Department who took part in the recent strike.

In your letter you state that you noted my intention to refer the various questions to the Department of Justice for its opinion. I intended that the reference to the Justice Department should be made by you, as you might have something additional to add to the questions raised by me.

Also in my letter to you of July 14, I suggested the advisability of your Department obtaining the opinion of the Justice Department in regard to the status of these employees.

Yours truly,

GEORGES GONTHIER, A.G.

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, OTTAWA, December 17, 1924.

DEAR MR. GONTHIER,—In compliance with the request made in your letter of the 1st instant, the questions raised in your letter of the 8th ultimo regarding the basis on which retiring allowances granted under the Public Service Retirement Act to certain employees of this Department who went out on strike in June last but who were subsequently reinstated and later retired under that Act, are to be calculated, were submitted to the Department of Justice and I beg to enclose a copy of the reply received.

In view of the opinions expressed therein I would be very glad if I could release the paylists referred to in your letter of the 8th November, with the least possible delay, in order that the former employees concerned may be given their cheques at the earliest possible moment. This is specially important in view of the approaching Christmas season.

Yours very truly,

L. J. GABOURY, D.P.G.

The Auditor General.

DEPARTMENT OF JUSTICE, CANADA, OTTAWA, December 15, 1924.

SIR,—I have the honour to refer to your letter of the 3rd instant, with accompanying copies of correspondence, requesting my opinion on the several questions raised in the Auditor General's letter of the 8th November last with regard to the basis on which the retiring allowances granted to employees who participated in the recent postal strike and who have since been retired from the service under the provisions of the Public Service Retirement Act, is to be calculated.

These questions and my answers are as follows:—

- (1) Did their going on strike affect their status as employees of the Department?

POST OFFICE—POSTES

Answer: No. They were on absence without leave, and the Governor in Council, in whom resides the power of dismissal, might tolerate such absence subject to the forfeiture of pay provided for by sec. 27 of the Civil Service Act.

(2) Under what authority were they restored to their former positions?

Answer: In view of my answer to question No. 1, no authority was required for their reinstatement.

(3) Was the requisite authority obtained for their employment as temporary helpers?

Answer: It is presumed that the employees referred to in this question are those mentioned in paragraphs 3 and 4 of the memorandum of conditions of reinstatement. These employees returned to duty unconditionally as postal helpers, subject to the terms set forth in the paragraphs aforementioned. They do not appear to have forfeited their permanency, but they accepted, as a condition of reinstatement, temporary demotion in the case of employees referred to in paragraph No. 3, and permanent demotion in the case of those referred to in paragraph No. 4. I think this arrangement was legally unobjectionable.

(4) Did such absence affect the continuity of their service and thus render them ineligible for annuities under the Public Service Retirement Act?

Answer: No.

(5) If they are eligible for annuities, should the annuities be calculated on the basis of the full salary which they would have received had they not gone on strike and as a consequence been deducted pay for twelve days and reduced in position and salary for two months?

Answer: The annuity granted to an employee retired under the provisions of the Public Service Retirement Act, should be computed upon the basis, not of the salary actually received by the employee, but of the salary legally attached to his position during the last three years of his service, or of the full term of his service, as the case may be.

I have the honour to be,

Sir,

Your obedient servant,

W. STUART EDWARDS, *D.M.J.*

The Deputy Postmaster General.

Vote 368—Advances to District Superintendents

AUDITOR GENERAL'S OFFICE, OTTAWA, January 14, 1925.

SIR,—I beg to bring to your notice advances to the following District Superintendents at the commencement of the fiscal year 1924-25 for the purpose of defraying travelling expenses of themselves and assistants:

A. G. H. Lowe, Ottawa District.. . . .	\$500
J. P. Chillas, Montreal District.. . . .	900
J. F. Murray, Vancouver District.. . . .	900

CORRESPONDENCE—CORRESPONDANCE

Statements of travelling expenses with supporting vouchers are submitted by the official incurring the expense, generally once a month for which cheques are issued immediately.

In view of the fact that the monthly expenditure incurred under these advances is rarely more than half the amount of the advance I shall be obliged if you will let me know your reasons for granting to each of the District Inspectors referred to those seemingly excessive advances.

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, OTTAWA, January 17, 1925.

DEAR SIR,—I beg to acknowledge the receipt of your letter of the 14th instant, on the subject of the advance made to the District Superintendents at Ottawa, Montreal and Vancouver on account of travelling expenses for the Fiscal year 1924-25.

In reply it is advised that these amounts were estimated as necessary to meet

1. The normal increases over the previous year.
2. The exigencies of absence of several of the travelling officials at the same time.
3. An anticipated increase in the amount of travel to provide for a greater amount of inspection duty.
4. To meet possible emergencies.

As it has been found, however, in checking the monthly accounts so far received in the present year, that smaller advances would be sufficient—the advances to the officers in question will be reduced for next year.

Yours truly,

L. J. GABOURY, *D.P.G.*

The Assistant Auditor General.

Vote 368—Overdraft of Salaries

AUDITOR GENERAL'S OFFICE, OTTAWA, April 22, 1925.

DEAR SIR,—I beg to acknowledge the receipt of your application of the 18th inst. for a transfer debiting Cost of Living Bonus (Vote 363) and crediting Post Office Expenditure (Salaries) with \$959,263, "being approximately the difference between the amount paid from Salary Appropriation on account of the revised salary rates of the Civil Service Commission and the amount that would have been paid under the former salary rates affecting employees in receipt of bonus for the nine months from July 1st, 1924, during which the revised rates were regularly charged in the paylists against Salary Appropriation for 1924-25. Stated briefly this is the approximate estimate of the amount

POST OFFICE—POSTES

charged against Salary Appropriation which would have been charged against Bonus Allowance but for the effect of the revision of salaries."

I cannot see my way clear to pass this application. The money voted for Bonus must be so applied and cannot be diverted to Salaries even if the increased salary expenditure resulted in a saving of a like amount in the Bonus Vote.

I return your application herewith.

Yours truly,

WM. KEARNS, *Asst. A.G.*

Financial Superintendent, Post Office Department.

Vote 368—Retiring Allowance to J. J. Hayes

AUDITOR GENERAL'S OFFICE, OTTAWA, August 22, 1925.

SIR,—In examining the vouchers in support of the expenditure of your Department during the fiscal year ended March 31, 1925, I find that an amount of \$1,857.87 was paid to J. J. Hayes, formerly Supervisor of Letter Carriers, Calgary Post Office, as a retiring allowance, by cheque No. 11440.

I desire to direct your attention to the fact that Vote 368 of the Appropriation Act of the fiscal year 1924-25 specifically provides for the payment of this amount to Mr. Hayes.

I shall be obliged if you will let me know why the payment in question was charged to the Public Service Retirement Act, 1920, and not to Vote 368, as provided by Parliament.

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, OTTAWA, August 25, 1925.

SIR,—I beg to acknowledge the receipt of your letter of the 22nd instant, calling attention to the fact that \$1,857.87 paid Mr. Hayes as retiring allowance had been charged to the Public Service Retirement Act of 1920, instead of to the proper Vote 368 of the Appropriation Act of 1924-25.

In reply I regret to say that this amount was charged in error to the Public Service Retirement Act of 1920, and was omitted when the final transfers for last year were prepared for your office.

I am, Sir,

Your obedient servant,

L. J. GABOURY, *D.P.G.*

Asst. Auditor General.

CORRESPONDENCE—CORRESPONDANCE

Vote 368—Subsistence Allowance, J. D. Downing

AUDITOR GENERAL'S OFFICE, OTTAWA, September 15, 1925.

SIR,—On October 17th, 1923, J. D. Downing, Postal Clerk, Sherbrooke District, was transferred to the office of the District Superintendent of Postal Service, North Bay, without increase in salary.

In this connection I desire to direct your attention to regular monthly payments to Mr. Downing from October 17th, 1923, to February 28th, 1925, amounting to \$599.95, being for "board and lodging" at North Bay in addition to his salary of \$2,040 per annum.

I shall be obliged if you will let me know the authority under which subsistence allowance has been granted to Mr. Downing for the period in question, while engaged at North Bay.

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, OTTAWA, September 24, 1925.

SIR,—I beg to acknowledge the receipt of your letter of the 15th inst., regarding the payment made to Mr. J. D. Downing for living expenses at North Bay, Ont., and in reply have to say that when Mr. Downing was transferred to the office of the District Superintendent of Postal Service at North Bay, it was not intended nor expected that his transfer would be permanent, consequently he was not in a position to transfer his residence from Sherbrooke to North Bay. While employed as a travelling officer his expenses were paid in the usual course and while employed at office work his board and lodging were paid, following the usual practice when employees are on duty away from home.

It will be observed that these payments were discontinued in February, 1925, when it was found it would be necessary for Mr. Downing to remain at North Bay some months longer.

I am, Sir,

Your obedient servant,

L. J. GABOURY, *D.P.G.*

The Auditor General.

Vote 368—Subsistence Allowance, W. H. H. Wood

AUDITOR GENERAL'S OFFICE, OTTAWA, September 22, 1925.

SIR,—According to information contained in the vouchers submitted to me in support of expenditure during the fiscal year 1924-25, Mr. W. H. H. Wood, an Inspector of Postal Service, Winnipeg District, was placed in charge of the

POST OFFICE—POSTES

Post Office at Brandon from July 2nd, 1924, to February 12th, 1925, a period of 226 days, during which time he received a living allowance of \$6 per day.

I shall be obliged if you will let me know the authority under which Mr. Woods was paid the allowance in question, amounting to \$1,356.

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, OTTAWA, September 28, 1925.

SIR,—I beg to acknowledge the receipt of your letter of the 22nd with reference to the payment of living allowance of \$6 a day to W. H. H. Wood, Inspector of Postal Service in Winnipeg District, while acting as Postmaster at Brandon from July 2nd, 1924, to February 12th, 1925. You inquire under what authority the allowance in question, amounting to \$1,356, was paid.

In reply I have to say that Mr. Wood was called from Winnipeg to Brandon to act as Postmaster on the date mentioned above and as it was understood that his services would be but temporary, he was informed that his personal expenses would be paid. Moreover, the period that Mr. Wood was on duty at Brandon he had to maintain his house and family at Winnipeg, which is his headquarters.

Owing to unforeseen delay in filling the vacancy at Brandon, Mr. Wood had to be retained a longer period than was anticipated, but on the other hand it may be pointed out that no salary was paid to the Postmaster at Brandon while Mr. Wood was filling the place, so that the Department was not put to any extra expense by his retention there.

I am, Sir,

Your obedient servant,

L. J. GABOURY, *D.P.G.*

The Auditor General.

Pacific Cable

OTTAWA, November 10, 1925.

SIR,—The audited statements of expenditure of the Pacific Cable Board sent me during the past seven or eight years show in each year a surplus of revenue over expenditure and as a consequence Canada has not been asked for the contribution or any portion of it provided in the statute in the case of a deficit.

CORRESPONDENCE—CORRESPONDANCE

In view of the regularly occurring surplus in these recent years it seems to me I should know, for the information of Parliament, if any action has been taken on the part of the Canadian Government in regard to the division of the profits for which provision has been made in the Imperial Statute—1 Edward VII, Chapter 31, assented to the 17th August, 1901.

I have the honour to be, Sir,

Your obedient servant,

GEORGES GONTHIER, A.G.

The Postmaster General.

POST OFFICE DEPT., Dec. 14, 1925.

SIR, — I beg to acknowledge the receipt of your letter of the 10th ultimo with reference to the account of the Pacific Cable Board.

You call attention to the fact that the operations of the Board show a surplus of revenue over expenditure during each year for the past seven or eight years, and inquire, for the information of Parliament, if any action has been taken on the part of the Canadian Government in regard to the division of the profits for which provision was made in the Imperial Statute—1 Edward VII, Chapter 31, assented to on 17th August, 1901.

In reply, I beg to say that the annual statements of the Board showed a loss each year for the first thirteen years after the completion of the Cable, amounting to \$3,466,515. Under the provisions of the Act above-mentioned, the Canadian Government was liable for $\frac{5}{18}$ of this loss, and payment was made from year to year covering Canada's share thereof. It may be added that the British Act of 1901 also provided, among other things, that any profits arising from the Cable should be divided between His Majesty's Government and the Colonial Governments, in the same proportion as the losses, if any, would be borne.

In 1911, an amendment to the Pacific Cable Act was passed by the British Government, providing that the Board, with the approval of the Treasury, may apply out of their Reserve Fund such sums as may be required for the purposes of any works authorized under that Act—which were a submarine cable between Australia and New Zealand, as already sanctioned by the contributing Governments, and any other extensions, connections, or rearrangements in or near the Pacific Ocean which, in the opinion of *all* the contributing Governments, are necessary or expedient for the improvement of the Pacific Cable Board's undertaking. It appears, however, that Canada did not pass any concurrent or other legislation acknowledging the right of the Board to create or control a Reserve Fund, or to direct that the excess profits should be used for any other purpose than a reduction of the debt on account of money borrowed under the Act of 1901.

Of greater importance, however, is the fact that in its legislation (See Section 2, of the Amending Act just quoted) the British Government provided that only those works should be undertaken *which, in the opinion of all the contributing Governments, were necessary or expedient*. From this it is very evident that the intention of the Act was that if any of the Governments objected to any proposed work, such work should not be undertaken by the Board.

POST OFFICE—POSTES

Notwithstanding the explicit terms of the British Act of 1911, the Pacific Cable Board decided, about the beginning of the present year, to duplicate the cable from Fiji to Canada, not only without obtaining Canada's consent, but in defiance of the protests of her representatives on the Board.

On behalf of Canada, it was pointed out, among other things, that there had been no investigation made of the new wireless beam system, for the use of which a contract had been entered into between the British Post Office and the Marconi Company; that the Board's engineers admitted they had no definite data as to cables of the latest models, and, therefore, could not furnish necessary comparisons on which to base a considered judgment; that on account of the Board specifying the use of a new and untried material in the construction of the cable which it was alleged would increase the frequency of transmission of messages, the tenderers had first included in their price the sum of £150,000 through fear of being mulcted in damages for the infringement of a patented material which it had been demonstrated by actual use would increase the frequency of transmission of messages; that, later, the sum of £107,000 was actually paid by the tenderers to the holders of the patented material for a license under which they could use the new and untried material without danger of litigation, and that the sum so paid was included in the tender; that the inclusion of this amount in the tender was improper, unbusinesslike and indefensible from every point of view; that definite figures had not been obtained by the Board from manufacturers as to the cost of cables coated with the patented material above referred to, and having a guaranteed capacity greater than 600 letters per minute; that adequate consideration had not been given by the Board to the question as to whether the proposed new cable would fully meet future traffic requirements or would have to be duplicated again before the normal life of the cable would have ended; that the fact that the Board had a surplus of \$11,000,000, or more, did not constitute a reason for spending the money in an illegal and unbusinesslike manner; and, that, in any event, such an expenditure could be justified only by the most urgent public necessity and by absolute proof that the public interests of all the Countries concerned would suffer if the cable were not laid, and that no such condition had been shown to exist.

The foregoing representations and protests, as well as many others of a legal and business character, were entirely disregarded. In fact, the Chairman of the Board, Sir William Mercer, went so far as to say that "it had never been the custom and it is not now intended to consult any of the Governments previous to awarding contracts". This statement was made evidently in ignorance of the law and of the fact that when prior cable construction was proposed in 1922, Sir Babington Smith, the then Chairman of the Board, had written a letter asking Canada's approval of the work then proposed, and in his letter had said: "The Board hopes that the formal assent of the Governments, which is necessary under the Pacific Cable Act of 1911, can be obtained without delay".

Possibly a Key to such contradictions as those in which Sir William Mercer is involved may be found in an editorial article published by the London "Outlook" on the 28th of November last, in which the writer thus expressed himself:—

"I have an uneasy feeling, when I note that the British seats on the Board, including the Chair, are filled by two relics of the Colonial office, plus a Treasury official".

Following his statement as above quoted Sir William Mercer wrote the Canadian representatives on the Board, and after recalling that, at the outset,

CORRESPONDENCE—CORRESPONDANCE

both the British and the Australian Governments were opposed to the Pacific Cable project, he stated that Canada's interest in the construction of the first cable

"was largely prompted by a desire for greater imperial unity and not "merely as a commercial undertaking". Apparently this was intended

as an answer to Canada's claim to share in the profits of the undertaking. In reply to Sir William Mercer it was admitted that, in the first instance, Canada may have entered upon the Pacific Cable project from sentimental reasons, but it was also pointed out that her partnership therein was not long confined to sentiment alone, as she had paid close upon \$1,000,000 as her share of the deficits when the cable was run at a loss. And it was added that, in any event, Canada did not desire a monopoly of sentiment, but wished to share it with the other partners, with whom she also desired to share the proceeds of the now profitable undertaking.

The attempt to dispose of Canada's case by invoking the sentimental, or Imperial, or "All Red", character of the Pacific Cable came with poor grace from the Chairman of the Board, which was not only willing, but which actually proposed to divest it of that character.

Such a proposal was made in 1920. In that year, the Pacific Cable Board recommended that a new cable be laid from New Zealand to Honolulu to connect at Honolulu on American territory, with an American line, namely, that of the Commercial Cable Company, and thus give direct communication with San Francisco.

In support of its proposal to construct this non/British alternative route, the Board pointed out that a large part of the traffic carried across the Pacific originates and has its destination in the United States; that it was this traffic which was causing congestion at the time; that it would be an advantage if the United States traffic could be handled by United States cables as far as Honolulu, since that would relieve the All Red route via Bamfield, Canada; that as matters then stood an American alternative route had to be depended on whenever there was an interruption of the Fanning Island—Bamfield section; and that, as far as interruption by hostile action in time of war was concerned, it might be taken as certain that any state of belligerence which would deprive Canada and the other partners of the use of the route via Honolulu would also involve the severing of the Bamfield-Fanning Island Cable; and that in any case a second Bamfield-Fanning Island cable could not be expected to remain intact if the then existing cable were cut.

So thoroughly had the Board studied the problem and so little concerned were they with the sentimental, or Imperial, or All Red character of the Pacific Cable in 1920, that they supplemented the arguments above quoted by a recommendation that negotiations should be undertaken to secure the concurrence of the United States Government and of the Commercial Cable Company in the project of duplicating the cable from New Zealand to Honolulu.

The foregoing will enable you to weigh the value of any Imperial or sentimental objections now raised by the Board, or by any of its apologists, to the claim made on behalf of Canada in connection with the issue for which the Board is solely responsible.

The work illegally entered upon by the Board in spite of Canada's representations and protests embraces two contracts, — one covering the portion of the Cable from Fiji to Fanning Island and the other from Fanning Island to Bamfield, — the cost of these new cables to be paid from the Reserve Fund made up of

POST OFFICE—POSTES

the profits that have been earned since 1916, which now amount to over \$11,000,000.

In connection with these contracts Canada, let me repeat, has contended that the Board has no authority to proceed with the duplication of the Pacific Cable without her consent, and that to do so will be a violation of the British Act of 1911. Rather than condone such illegality, and having regard to the record of the Board, as above outlined, the undersigned has notified the Board that he will recommend the withdrawal of Canada from the partnership with the United Kingdom, Australia and New Zealand, under which the cable was constructed. In addition to other sums to which Canada is entitled, a claim has also been made for payment of her share in the Reserve Fund which the Board now proposes to spend in a manner that is considered to be illegal and in an enterprise, the justification for which is not apparent at present.

A copy of the Pacific Cable Board Account for the year 1924-25, which has just been received, is being forwarded to your office in the usual course, with a copy of the Report of the Board's Auditor. The last paragraph of the letter transmitting the Report in question would seem to imply that their own Auditor is not entirely satisfied that the funds of the Board are being applied in accordance with the provisions of the Act of 1901. I would suggest that the paragraph in question be given careful consideration. It is as follows:

“In view of Section 4 of the Pacific Cable Act 1901, which directs that any surplus shall be applied in reduction of the sums outstanding on account of money borrowed under the Act, it is assumed that, in the special circumstances, this amount may be considered to be ‘necessary expenses’ as defined by that Act. In this connection I would point out that the Board have not yet set up an Annuity to repay to the Renewal Fund the expenditure in recent years therefrom, in respect of renewals, as directed by Section 1 (1) of the Pacific Cable Act, 1911”.

Having regard to the revelations of the Board's conduct, you will not be surprised to learn that on the 24th of November last the London Daily Telegraph published a cable despatch from its Australian Correspondent at Melbourne as follows:—

“The Canadian Government's objection to the use of the Board's profits in capital expenditure is strongly supported here. During the first thirteen years of the Board's operations the deficits exceeded £700,000, which the partner Governments paid. During the last ten years, the net profits, after allocating over £100,000 annually to the repayment of capital and to the sinking fund contribution and renewal fund, have exceeded £1,600,000. Instead of this being devoted to the reduction of the rates, it has been applied to the further reduction of Capital and the inflation of the renewal fund, which now approximates the enormous total of £2,500,000. The view is taken here that the attitude of the Canadian Government affords a convenient opportunity for reviewing the financial policy of the Board, which has hitherto entirely disregarded the interests of the persons for whom the Pacific cables were laid, that is to say, cable-users of all kinds.”

As you will observe, the stand taken by Canada in this matter has already borne fruit. I may add that your intervention at this stage is most welcome,

CORRESPONDENCE—CORRESPONDANCE

and you may rest assured of the continuous and practical co-operation of the Post Office Department until all the questions at issue are cleared up to Canada's satisfaction.

Yours truly,

CHAS. MURPHY, *P.M.G.*

The Auditor General.

POST OFFICE DEPT., December 14, 1925.

DEAR SIR,—I am herewith enclosing a copy of the letter sent by the Auditor of the Pacific Cable Board when transmitting the Account of the Board for the year 1924-25.

Yours truly,

CHAS. MURPHY, *P.M.G.*

The Auditor General.

TREASURY, G.W.L., 30th July, 1925.

SIR,—I have the honour to report that I have audited the Accounts of the Pacific Cable Board for the year ended 31st March, 1925, in accordance with the instructions conveyed in Sir O. E. Niemeyer's letter of the 2nd February, 1924, (F. 7.227) and have found them correct.

The accounts show receipts arising in connection with the Cable amounting to £549,917.2.11. The expenses of the Cable, including the payment of the Annuity of £77,544.18.0 in respect of the original borrowing and the transfer to Renewal Fund of the instalment of £9,150.5.0. in respect of the New Zealand (1912) cable amount to £352,023.5.0. In addition the Board have transferred to the Renewal Fund the normal annual contribution of £30,000 and also the resulting balance of £167,893.17.2.

In view of Section 4 of the Pacific Cable Act, 1901, which directs that any surplus shall be applied in reduction of the sums outstanding on account of money borrowed under the Act, it is assumed that, in the special circumstances, this amount may be considered to be "necessary expenses" as defined by that Act. In this connection I should point out that the Board have not yet set up an Annuity to repay to the Renewal Fund the expenditure in recent years therefrom, in respect of renewals, as directed by Section 1 (1) of the Pacific Cable Act, 1911.

I am, etc.,

T. CHADWICK.

The Secretary, H.M. Treasury.

POST OFFICE—POSTES

Vote 368—Grève des Postiers, juin 1924

MINISTÈRE DES POSTES, OTTAWA, le 14 juillet 1924.

CHER M. GONTHIER,—Je vous envoie sous ce pli copie d'un mémoire contenant les conditions de remboursement proposées au sujet des employés du bureau de poste de Toronto qui se sont mis en grève. Un mémoire semblable sera préparé concernant les employés de Montréal et de Windsor.

Il est désirable que ce memorandum soit transmis à chaque employé au moment où il signe le reçu de son chèque de traitement demain. Je vous demanderais donc d'avoir la bonté d'examiner immédiatement les conditions proposées et de me faire savoir, pas plus tard que cette après-midi, si vous y voyez des inconvénients ou non.

Votre tout dévoué,

L. J. GABOURY, S.-M.P.

L'Auditeur général.

OTTAWA, le 14 juillet 1924.

CHER M. GABOURY,—A propos de votre lettre du 14 courant et de la correspondance qui y est incluse concernant la décision que se propose de prendre le département pour le règlement de la grève récente des postiers de Toronto, de Windsor et de Montréal, je suis d'avis que le ministère devrait consulter le sous-ministre de la Justice sur la situation et sur les pouvoirs du ministère des Postes dans cette affaire, en vertu des lois et règlements existants.

La première question à examiner, je crois, est celle de savoir si les positions détenues par les postiers qui se sont mis en grève et se sont absentés de leur travail sont devenues vacantes.

En vertu de l'article 28 de la Loi du Service civil, il semble qu'un employé peut être considéré comme appartenant encore au service civil tant qu'il n'a pas été congédié ou que sa démission n'a pas été acceptée par le Gouverneur en Conseil.

D'après l'article 27, dans le cas d'un employé absent sans permission, il est prévu une déduction, sur ses appointements mensuels, de la somme due pour chaque jour d'absence.

Les règlements du Service civil qui ont été approuvés par le Gouverneur en Conseil contiennent la disposition suivante, article 103:—

“Tout employé absent de son poste sans permission pendant une période de deux semaines sera considéré comme ayant abandonné sa position, laquelle deviendra vacante; et si le département le désire, des mesures immédiates pourront être prises pour remplir cette position.”

Il y a peut-être d'autres dispositions statutaires relatives à cette question, mais dans le moment je ne les connais pas.

En conséquence, je n'aimerais pas exprimer une opinion trop hâtive sur la légalité du règlement projeté et je crois que le département agirait avec prudence en obtenant l'opinion du ministère de la Justice.

Votre tout dévoué,

GEORGES GONTHIER, A.G.

Le sous-ministre des Postes.

CORRESPONDENCE—CORRESPONDANCE

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 8 novembre 1924.

CHER MONSIEUR,—J'ai reçu les bordereaux de paye relatifs aux allocations de retraite accordées en vertu de la loi de Retraite du Service public à plusieurs employés de votre ministère qui se sont mis en grève en juin dernier, mais qui ont été réinstallés, puis plus tard retraités de nouveau en vertu de la loi.

Lorsque vos états concernant les allocations auxquelles ils avaient droit ont été soumis à notre bureau, nous ne pouvions pas vérifier les traitements qu'ils avaient effectivement reçus, mais vos fonctionnaires ont déclaré que "ces hommes avaient droit à certains taux à partir du 1er avril 1924 par suite d'une revision de traitements".

De nouveaux renseignements obtenus montrent que quelques-uns de ces employés ont été absents sans traitements du 19 au 30 juin inclus, soit pendant la grève. Pendant les mois de juillet et août, on les a payés comme aides temporaires seulement, à un salaire de \$1,020.00 par année, sans tenir compte des traitements plus élevés qu'ils recevaient dans leurs positions antérieures. A partir du 1er septembre, on leur a versé les traitements de leurs anciennes positions et suivant les tarifs révisés entrés en vigueur partant du 1er avril 1924.

Vu que ces employés ont été absents "en grève" à peu près deux semaines, il y a plusieurs questions à décider avant de les considérer comme ayant droit aux allocations recommandées:

1. Leur entrée en grève affecte-t-elle leur status comme employés de votre département?
2. En vertu de quelle autorisation ont-ils été réintégrés dans leurs anciennes positions?
3. A-t-on obtenu l'autorisation voulue pour les employer comme aides temporaires?
4. Cette absence a-t-elle rompu la continuité de leur service, leur a-t-elle fait perdre leur droit à la pension selon la loi de Retraite du Service civil?
5. S'ils ont droit à une pension, celle-ci doit-elle être basée sur le plein traitement qu'ils auraient reçu s'ils ne s'étaient pas mis en grève et par conséquent si l'on ne leur avait pas retranché leur paye pendant douze jours et si l'on ne les avait pas baissés de position et de traitement pendant deux mois?

Je suis d'avis qu'il faudrait soumettre ces questions au ministère de la Justice avant de faire des paiements en vertu du décret qui les retraite.

Votre tout dévoué,

GEORGES GONTHIER, A.G.

Le sous-ministre des Postes.

MINISTÈRE DES POSTES, OTTAWA, ONT., le 27 novembre 1924.

CHER MONSIEUR GONTHIER,—Je désire référer à votre lettre du 8 courant concernant la base sur laquelle on doit calculer la pension des employés du ministère des Postes qui ont participé à la récente grève et qui depuis ont été mis à la retraite en vertu de la Loi de retraite du Service public.

Pour plus de commodité je citerai vos questions et j'y ajouterai mes remarques.

POST OFFICE—POSTES

1. Le fait qu'ils ont déclaré la grève a-t-il affecté leur status comme employés de votre ministère?

Non. Ils furent simplement absents sans autorisation pendant la durée de la grève, absence qui dans aucun cas n'excéda deux semaines.

2. En vertu de quelle autorité furent-ils réintégrés dans leurs anciennes positions?

Nulle autorité n'était requise, car ils n'avaient pas été congédiés.

3. A-t-on obtenu l'autorité requise pour les employer à titre d'aides surnuméraires?

Aucune autorité particulière n'a été obtenue, mais le mémoire sur les conditions de réintégration qu'on vous a présenté le 14 juillet fut, le même jour, référé à la Commission du Service civil, qui exprima l'opinion que cette question relevait de la politique gouvernementale et de la procédure ministérielle, au sujet de laquelle on supposait que nous avions obtenu l'approbation de l'Auditeur général, et qu'on n'avait pas à demander de certificats de la Commission du Service civil. Le ministère se borna à verser aux employés intéressés pendant les mois de juillet et d'août une rémunération moindre qu'il n'était autorisé à payer.

4. Ladite absence a-t-elle affecté la continuité de service et fait perdre le droit à l'annuité conférée par la Loi de retraite du Service public?

Non.

5. S'ils ont droit à l'annuité, celle-ci doit-elle être calculée d'après le plein traitement qu'ils auraient touché s'ils ne s'étaient mis en grève et si, en conséquence, ils n'avaient souffert la perte de leur traitement pendant douze jours et occupé une position inférieure et touché un salaire moindre pendant deux mois?

L'interprétation qu'a donnée le ministère à l'attitude du gouvernement vis-à-vis des grévistes, c'est que ces derniers devaient perdre leur salaire pendant la durée de leur absence et qu'ils devaient faire un stage de deux mois à un salaire réduit, afin de permettre au ministère de décider si les services rendus pendant cette période justifiaient leur réintégration dans leurs anciennes positions. Quant à ceux qui n'ont pas été réintégrés dans leurs anciennes positions on a pris des mesures pour faire biffer leurs noms de la liste des employés; on a fait adopter un décret ministériel à cet effet. Le ministère a donc considéré ces déductions comme des amendes et le gouvernement n'avait certainement pas l'intention de châtier les employés davantage en réduisant leur pension du fait de ces amendes.

On opère, de temps à autre, en guise d'amendes, des déductions du salaire des employés qui négligent le soin à donner aux dépêches, et souvent les employés sont priés de réparer les pertes occasionnées par la manutention négligente des dépêches. Il n'a jamais été tenu compte des déductions de ce genre dans le calcul du chiffre de la pension et il ne semble pas exister de raison justifiable pour agir différemment dans le présent cas.

Quant à l'opinion exprimée par notre ministère lorsque nous avons soumis à votre approbation le calcul des pensions, opinion qui attestait que ces gens avaient droit à une certaine rémunération à compter du mois d'avril dernier, par suite de la revision des traitements, je dois dire que le seul facteur que nous avons pris en considération c'est l'augmentation résultant de la revision des traitements.

CORRESPONDENCE—CORRESPONDANCE

Je constate que vous avez l'intention de demander l'opinion du ministère de la Justice sur ces diverses questions; j'espère que vous me communiquerez cette opinion dès que vous l'aurez obtenue.

Bien à vous,

L. J. GABOURY, *S.-M. P.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 1er décembre 1924.

CHER MONSIEUR GABOURY,—J'ai reçu votre lettre du 27 écoulé relativement au traitement et à la pension des employés de votre ministère qui ont participé à la récente grève.

Vous déclarez dans votre lettre que vous avez constaté mon intention de demander l'opinion du ministère de la Justice sur les diverses questions en jeu. Mon intention était que vous référiez vous-même la question au ministère de la Justice, afin que vous puissiez ajouter aux points que j'ai soulevés ce que vous jugerez opportun.

Je suggérais de plus dans ma lettre du 14 juillet qu'il serait à propos d'obtenir l'opinion du ministère de la Justice sur le status de ces employés.

Votre dévoué,

GEORGES GONTHIER, *A.G.*

Le sous-ministre des Postes.

MINISTÈRE DES POSTES, OTTAWA, le 17 décembre 1924.

CHER MONSIEUR GONTHIER,—Conformément à la demande formulée dans votre lettre du premier du mois courant, les questions soulevées dans votre lettre du huit du mois dernier concernant la base sur laquelle les allocations de retraite accordées en vertu de la Loi de retraite du service public à certains employés de ce ministère, qui se mirent en grève au mois de juin dernier, mais furent subsequmment réintégrés et plus tard mis à la retraite sous le régime de cette Loi, doivent être calculées, furent soumises au ministère de la Justice. Je vous inclus une copie de la réponse qui a été reçue.

Etant donné les opinions qui y sont exprimées, je serais très heureux si vous pouviez renvoyer dans le plus bref délai les bordereaux de paie dont il fut question dans votre lettre du 8 novembre, afin que les anciens employés intéressés puissent toucher leurs chèques le plus tôt possible. Ceci est particulièrement important à l'occasion de la saison de Noël qui approche.

Votre tout dévoué,

L. J. GABOURY, *S.-M.P.*

L'Auditeur général.

POST OFFICE—POSTES

MINISTÈRE DE LA JUSTICE, CANADA, OTTAWA, le 15 décembre 1924.

MONSIEUR,—J'ai l'honneur de m'en rapporter à votre lettre du trois courant, ainsi qu'aux copies de la correspondance qui l'accompagnent, demandant mon opinion sur les différentes questions soulevées dans la lettre de l'Auditeur général du 8 novembre dernier relativement à la base sur laquelle les allocations de retraite accordées aux employés qui participèrent à la récente grève postale et qui ont été mis à la retraite dans la suite en vertu des dispositions de la Loi de retraite du service public, doivent être calculées.

Ces questions et mes réponses suivent:—

(1) Le fait qu'ils ont déclaré la grève a-t-il affecté leur status comme employés de votre ministère?

Réponse: Non. Ils étaient absents sans autorisation, et le Gouverneur en Conseil qui est investi du pouvoir de renvoi pourrait tolérer telle absence sujette à la perte du salaire prévue dans l'article 27 de la Loi du Service civil.

(2) En vertu de quelle autorité furent-ils réintégrés dans leurs anciennes positions?

Réponse: Etant donné ma réponse à la question n° 1, nulle autorité n'était requise pour leur réintégration.

(3) A-t-on obtenu l'autorité requise pour les employer à titre d'aides sur-numéraires?

Réponse: On présume que les employés dont il s'agit dans cette question sont ceux mentionnés dans les paragraphes 3 et 4 du mémoire touchant les conditions de réintégration. Ces employés se remirent en devoir sans condition comme aides postaux, sujets aux conditions énumérées dans les paragraphes sus-mentionnés.

Ils ne semblent pas avoir perdu leur status permanent, mais ils acceptèrent comme condition de réintégration, une position inférieure à titre temporaire dans les cas des employés dont il est question dans le paragraphe n° 3, et une position inférieure à titre permanent dans le cas des employés mentionnés dans le paragraphe n° 4. Je crois que cet arrangement était inattaquable au point de vue légal.

(4) Ladite absence a-t-elle affecté la continuité de service et fait perdre le droit à l'annuité conférée par la Loi de retraite du Service public?

Réponse: Non.

(5) S'ils ont droit à l'annuité, celle-ci doit-elle être calculée d'après le plein traitement qu'ils auraient touché s'ils ne s'étaient mis en grève et si, en conséquence, ils n'avaient subi la perte de leur traitement pendant douze jours et occupé une position inférieure et touché un salaire moindre pendant deux mois?

Réponse: L'annuité payée à un employé mis à la retraite en vertu des dispositions de la Loi de retraite du Service public, devrait être calculée sur la base, non pas du salaire réel touché par l'employé, mais du salaire attribué légalement à sa position durant les trois dernières années de son service, ou du plein terme de son service, selon le cas.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

W. STUART EDWARDS, S.-M.J.

Le sous-ministre des Postes.

CORRESPONDENCE—CORRESPONDANCE

Vote 368—Avances aux surintendants de district

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 14 janvier 1925.

MONSIEUR,—Je désire attirer votre attention sur les avances effectuées aux surintendants de district au début de l'année financière 1924-1925 en vue de défrayer leurs dépenses de voyages et ceux de leurs assistants:

A. G. H. Lowe, district d'Ottawa	\$500
J. P. Chillas, district de Montréal	900
J. F. Murray, district de Vancouver	900

Un état des frais de voyage joint à un bordereau justificatif est soumis par le fonctionnaire qui a effectué les dépenses et qui le produit d'ordinaire une fois par mois, après quoi on émet les chèques en conséquence sans tarder.

Vu que les dépenses mensuelles de ce chef sont rarement de plus de la moitié du chiffre de ces avances, je vous serais obligé de me faire tenir les raisons qui vous font octroyer à chacun des inspecteurs de district ci-haut ces avances apparemment excessives.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre des Postes.

MINISTÈRE DES POSTES, OTTAWA, ONT., le 17 janvier 1925.

CHER MONSIEUR,—Je vous accuse réception de votre lettre du 14 de ce mois à propos des avances consenties aux surintendants de district à Ottawa, Montréal et Vancouver pour frais de voyage durant l'année financière 1924-1925.

En réponse, je dois vous dire que ces montants ont paru nécessaires pour rencontrer:—

1. La majoration normale de ces dépenses sur l'année précédente;
2. L'obligation pour plusieurs fonctionnaires de se mettre en voyage en même temps;
3. La prévision d'une augmentation du chiffre des frais de voyage occasionnée par une activité d'inspection plus intense;
4. En vue de faire face à des besoins éventuels.

Vu toutefois qu'on a constaté, à la suite de la vérification des montants mensuels de frais de voyage produits à ce jour, que des montants moins considérables suffiraient aux besoins, on réduira le chiffre des avances faites aux fonctionnaires visés pour l'exercice prochain.

Bien à vous,

L. J. GABOURY, *S.-M.P.*

L'Auditeur général adj.

POST OFFICE—POSTES

Vote 368—Salaires à découvert

OTTAWA, le 22 avril 1925.

CHER MONSIEUR,—Je vous accuse réception de votre demande du 18 de ce mois relative au transport consistant à débiter l'allocation de vie chère (Vote 363) et de créditer les dépenses des postes (titre des traitements) de \$959,263, "chiffre considéré comme constituant l'écart entre la somme payée à même le crédit des traitements du chef de la révision des traitements effectuée par la Commission du Service civil et la somme qui aurait été payée sous le régime des anciens tarifs de traitements applicables aux employés titulaires d'une allocation pour les neuf mois à partir du 1er juillet 1924, période pendant laquelle on a régulièrement porté sur les listes de paye les taux révisés à la rubrique des crédits de traitements pour 1924-1925. Bref, c'est là le calcul approximatif du montant porté à la rubrique des crédits de traitements et qui aurait été porté à la rubrique des allocations d'indemnités n'eût été le résultat de la révision des traitements".

Je ne puis voir que je sois justifiable d'accepter cette demande. Les sommes votées aux fins d'indemnités doivent suivre leur destinée et ne peuvent servir aux traitements, même étant donné que la majoration des dépenses de traitements comporte une économie correspondante du crédit d'indemnités.

Je vous renvoie sous ce pli votre demande.

Bien à vous,

WM. KEARNS, *A.G. adj.*

Le surintendant des finances,
Ministère des Postes.

Vote 368—Allocation de retraite à J. J. Hayes

OTTAWA, le 22 août 1925.

MONSIEUR, — En examinant les pièces justificatives à l'appui des déboursés faits par votre ministère durant l'année financière close le 31 mars 1925, je constate qu'une somme de \$1,857.87 a été payée à J. J. Hayes, anciennement surveillant des facteurs au bureau de poste de Calgary, en tant qu'allocation de retraite, par le chèque n° 11440.

Je désire attirer votre attention sur le fait que le Vote 368 du Budget des crédits de l'année financière 1924-25 stipule spécifiquement le paiement de cette somme à M. Hayes.

Je vous serais obligé si vous me laissiez savoir pourquoi le paiement en question a été imputé à la loi de retraite du Service public 1920 et non pas au Vote 368, tel que stipulé par le Parlement.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre des Postes.

CORRESPONDENCE—CORRESPONDANCE

MINISTÈRE DES POSTES, OTTAWA, le 25 août 1925.

MONSIEUR, — J'ai l'honneur de vous accuser réception de votre lettre du 22 courant dans laquelle vous attirez mon attention sur le fait que les \$1,857.87 payés à M. Hayes à titre d'allocation de retraite ont été portés au compte de la Loi de retraite du Service public de 1920 au lieu du Vote 368 de la Loi des subsides de 1924-25.

Je regrette d'avoir à vous dire que c'est par erreur que ce montant a été porté au compte de la Loi de retraite du Service public de 1920 et qu'il a été omis dans les transports finals qui ont été préparés pour votre bureau pour l'année écoulée.

Je demeure, monsieur, votre obéissant serviteur,

L.-J. GABOURY, *S.-M.P.*

L'Auditeur général adj.

Vote 368—Allocation de subsistance, J. D. Downing

BUREAU DE L'AUDITEUR GÉNÉRAL, le 15 septembre 1925.

MONSIEUR.—Le 17 octobre 1923, J. D. Downing, commis des postes, district de Sherbrooke, était transféré au bureau du Surintendant de district du service postal, à North-Bay, sans augmentation de traitement.

A cet égard je désire attirer votre attention sur le fait que M. Downing a retiré régulièrement des versements mensuels du 17 octobre 1923 au 28 février 1925, dont le chiffre total s'élève à \$599.95, pour "pension et logement" à North-Bay, outre son traitement de \$2,040 par année.

Je vous serai reconnaissant de faire connaître l'autorité en vertu de laquelle une allocation de subsistance a été accordée à M. Downing pendant la période en question pendant qu'il était employé à North-Bay.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre des Postes.

MINISTÈRE DES POSTES, OTTAWA, le 24 septembre 1925.

MONSIEUR, — J'ai l'honneur de vous accuser réception de votre lettre du 15 courant relativement aux paiements effectués en faveur de M. J. D. Downing, pour frais de subsistance à North-Bay, et en réponse, je dois vous dire que lorsque M. Downing a été transféré à North-Bay, au bureau du surintendant de district du service postal, ce n'était pas dans l'intention ni dans l'attente que ce transfert serait de nature permanente; par conséquent cet employé n'était pas en

POST OFFICE—POSTES

état de déménager de Sherbrooke à North-Bay. Pendant qu'il était employé à titre de fonctionnaire ambulant ses dépenses ont été payées de la manière ordinaire et pendant qu'il travaillait au bureau sa pension et logement ont été payés suivant la coutume établie pour les employés en fonctions ailleurs que chez eux.

Vous remarquerez que ces paiements ont pris fin au mois de février 1925 alors que nous avons constaté que les services de M. Downing seraient encore requis pendant quelques mois à North-Bay.

Je demeure, monsieur, votre obéissant serviteur,

L. J. GABOURY, *S.-M.P.*

L'Auditeur général.

Vote 368—Allocation de subsistance, W. H. H. Wood

OTTAWA, le 22 septembre 1925.

MONSIEUR,—D'après les renseignements contenus dans les pièces justificatives qui m'ont été soumises pour motiver la dépense faite au cours de l'année financière 1924-25, M. W. H. H. Wood, inspecteur du service postal, s'est vu confier la direction du bureau de poste de Brandon du 2 juillet 1924 au 12 février 1925, période de 226 jours pendant laquelle il a touché une allocation de subsistance de \$6.00 par jour.

Je vous serais très obligé de bien vouloir me dire de quelle autorité M. Woods a touché cette allocation au montant de \$1,356.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre des Postes.

MINISTÈRE DES POSTES, OTTAWA, le 28 septembre 1925.

MONSIEUR,—Permettez-moi de vous accuser réception de votre lettre du 22 courant ayant trait au paiement d'une allocation de subsistance de \$6.00 par jour à W. H. H. Wood, inspecteur du service postal pour le district de Winnipeg, alors qu'il a remplacé le maître de poste à Brandon du 2 juillet 1924 au 12 février 1925. Vous me demandez de quelle autorité lui a été payée cette allocation au montant de \$1,356.

Permettez-moi de vous dire, en réponse, que M. Wood a été appelé de Winnipeg à Brandon pour agir en qualité de maître de poste à la date ci-dessus indiquée et, comme il était entendu que ses services ne seraient requis que temporairement, on lui a dit que ses dépenses personnelles seraient payées. De plus, M. Wood, pendant qu'il était de service à Brandon, a dû entretenir sa maison et sa famille à Winnipeg où se trouve sa résidence.

CORRESPONDENCE—CORRESPONDANCE

Par suite d'un délai imprévu dans la nomination d'un titulaire à la vacance de Brandon, les services de M. Wood ont été retenus plus longtemps qu'on l'avait d'abord jugé nécessaire, mais, d'un autre côté, je puis signaler ici le fait qu'aucune rémunération n'a été payée au maître de poste alors que M. Wood occupait cette position, de sorte que le ministère n'a eu à encourir aucune dépense supplémentaire du fait de la présence de M. Wood à cet endroit.

Je suis, monsieur, votre obéissant serviteur,

L. J. GABOURY, *S.-M.P.*

L'Auditeur général.

Câble du Pacifique

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 10 novembre 1925.

MONSIEUR,—Les états vérifiés des dépenses de la Commission du Câble du Pacifique que j'ai reçus durant les sept ou huit dernières années font ressortir un surplus pour chacune de ces années, et, comme résultat, le Canada n'a pas été appelé à verser, en tout ou en partie, la quote-part prescrite par la loi, en cas de déficit.

Comme les surplus ont régulièrement succédé aux surplus, d'année en année, il me semble que j'ai le droit de savoir, au nom du Parlement, si le gouvernement canadien a fait des démarches en vue du partage des bénéfices prévu par le Statut impérial 1 Edouard VII, chapitre 31, sanctionné le 17 août 1901.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, *A.G.*

Le sous-ministre des Postes.

MINISTÈRE DES POSTES, le 14 décembre 1925.

MONSIEUR,—J'accuse réception de votre lettre du 10 courant au sujet du compte de la Commission du Câble du Pacifique.

Vous faites remarquer que les opérations de cette commission accusent un excédent des recettes sur les dépenses chaque année, depuis sept ou huit ans, et vous demandez, pour l'information du Parlement, si des représentants du gouvernement canadien se sont occupés de la division des bénéfices prévue dans le statut impérial: 1 Edouard VII, chapitre 31, sanctionné le 17 août 1901.

Je répondrai que les états annuels de la commission montrent une perte annuelle pendant les 13 premiers années subséquentes à l'achèvement du câble, perte qui s'est élevée à une somme globale de \$3,466,515. D'après les dispositions de la loi susmentionnée, le gouvernement canadien était responsable des $\frac{5}{18}$ de cette perte, et des paiements ont été faits d'année en année pour couvrir la part de dette du Canada. J'ajouterai que la loi anglaise de 1901 prévoyait

POST OFFICE—POSTES

aussi, entre autres choses, que tous les bénéfices provenant du câble seraient divisés entre le gouvernement de Sa Majesté et les gouvernements coloniaux dans la même proportion que les pertes.

En 1911, le gouvernement britannique a fait adopter un amendement à la loi relative au câble du Pacifique, disposant que la Commission, avec l'approbation de la Trésorerie, peut employer, sur les deniers de son fonds de réserve, les sommes dont elles aura besoin pour les travaux autorisés par ladite loi. Il s'agissait de l'établissement d'un câble sous-marin entre l'Australie et la Nouvelle-Zélande, déjà approuvé par les gouvernements participants, et de tout autre prolongement, raccordement ou réinstallation dans les limites ou dans les environs de l'océan Pacifique qui, de l'avis de tous les gouvernements participants, on jugerait nécessaire ou opportun de faire pour améliorer les câbles du Pacifique. Il appert toutefois que le Canada n'a voté aucune loi pour reconnaître à la Commission le droit de créer ou de contrôler un fonds de réserve ou pour décréter que les excédents de bénéfices soient employés à d'autres fins que la réduction de la dette provenant de l'emprunt contracté en vertu de la loi de 1901. Cependant, on doit attacher une plus grande importance au fait que dans sa législation (Voir art. 2 de la loi d'amendement déjà citée) le gouvernement britannique a stipulé que seuls les travaux jugés nécessaires ou opportuns, de l'avis de tous les gouvernements appelés à contribuer, devraient être entrepris. D'après cela, il est bien clair que l'intention de la loi est que si l'un des gouvernements s'oppose à quelque projet, cet ouvrage ne peut être entrepris par la Commission.

Nonobstant les termes explicites de la Loi anglaise de 1911, la Commission du câble du Pacifique a décidé, au début de la présente année, de redoubler le câble de Fiji au Canada, non seulement sans obtenir le consentement du Canada, mais de plus malgré les protestations de ses représentants dans la Commission.

Il a été dit entre autres choses, au nom du Canada, que l'on n'a pas fait d'enquête sur le nouveau système de rayon électrique dont l'usage a fait le sujet d'un contrat entre le ministère britannique des Postes et la compagnie Marconi; que les ingénieurs de la Commission ont admis qu'il n'y avait pas de données définies au sujet des derniers modèles de câbles, et que, par conséquent, on n'avait pas les moyens de comparaison nécessaires pour baser une décision; que par suite de la charge imposée par la Commission de matériaux nouveaux et non éprouvés pour la construction du câble, matériaux qui pouvaient, prétendent, augmenter la fréquence de transmission des dépêches, les soumissionnaires ont d'abord inclus dans leur prix la somme de £150,000, à cause de la crainte d'avoir à payer des dommages pour infraction aux droits de brevet sur des matériaux pouvant augmenter la fréquence de transmission des dépêches, augmentation constatée après usage; que, plus tard, la somme de £107,000 a été versée par les soumissionnaires aux porteurs du brevet pour un permis d'employer ces matériaux nouveaux et non éprouvés sans danger de litige, et que la somme ainsi payée a été incluse dans la soumission; que l'addition de cette dernière somme était tout à fait injustifiée, contraire aux bonnes coutumes usitées dans les affaires et impropre à tous points de vue; que la Commission n'a pas obtenu de chiffres définis des fabricants sur le coût des câbles revêtus des matériaux brevetés mentionnés ci-dessus, et donnant une augmentation de fréquence garantie de 600 lettres à la minute; que la Commission n'a pas étudié suffisamment la question de savoir si le nouveau câble proposé pourrait suffire aux besoins du trafic futur, ou s'il faudrait le doubler de nouveau avant la fin de la durée normale du câble; que le fait que la Commission a un surplus de \$11,000,000 ou plus n'est pas une raison de dépenser de l'argent d'une manière illégale ou contraire aux coutumes rationnelles des affaires; et que dans tous les cas cette dépense ne pourrait être justifiée que par une nécessité publique urgente

CORRESPONDENCE—CORRESPONDANCE

et une preuve péremptoire que l'intérêt public de tous les pays intéressés souffrirait de l'absence de ce câble, conditions que l'on n'a aucunement démontré devoir exister.

Ces représentations et protestations, ainsi que plusieurs autres basées sur la loi et la coutume des affaires, ont été complètement ignorées. En réalité, le président de la Commission, sir William Mercer, est allé jusqu'à dire que "l'on n'avait pas coutume de consulter quelque gouvernement avant d'accorder des contrats, et qu'actuellement on n'avait pas l'intention de le faire". Cette déclaration indique clairement une ignorance de la loi et du fait qu'en 1922, avant que la construction de ce câble fût proposée, sir Babington Smith, alors président de la Commission, a écrit une lettre demandant l'approbation du Canada pour les travaux alors proposés; et dans sa lettre, il dit:

"La Commission compte sur la possibilité de l'obtention sans délai de l'assentiment formel des Gouvernements, assentiment nécessité par la loi de 1911 relative au câble du Pacifique."

Il est possible que l'on puisse trouver la clef des contradictions où tombe Sir William Mercer dans un article de fonds du London *Outlook* du 28 novembre dernier où l'auteur s'exprime en ces termes:

Je me sens mal à l'aise quand je note que les sièges britanniques à la Commission, présidence comprise, sont occupés par deux reliques de l'office Colonial supplémentés d'un fonctionnaire de la trésorerie".

A la suite de la déclaration telle que rapportée ci-haut, Sir William Mercer écrivit aux représentants canadiens à la Commission et après leur avoir rappelé que, au début, tant le Gouvernement britannique que le Gouvernement australien s'étaient opposés au projet du câble du Pacifique, il déclara que l'intérêt apporté par le Canada à la pose du premier câble

"provenait en grande partie d'un désir d'affermir l'unité impériale et non simplement de son caractère commercial".

Cette déclaration venait apparemment en réponse au désir exprimé par le Canada de participer aux bénéfices de l'entreprise. Dans la réponse à Sir William Mercer, il fut admis qu'il se pouvait que, à l'origine, le Canada eût embrassé le projet de la pose d'un câble dans le Pacifique pour des motifs de sentiment, mais on ajoutait que le motif sentimental seul fut de courte durée en l'espèce vu que le Canada eut à payer tout près de \$1,000,000 en contribution pour combler le déficit du temps où l'exploitation se faisait à perte. On ajoutait que, à tout événement, le Canada ne désirait pas monopoliser le motif sentimental mais comptait bien le partager avec les autres associés avec qui par ailleurs il désirait partager également les recettes de l'entreprise désormais profitable.

L'intention de résoudre la question du Canada en faisant vibrer la fibre du sentiment ou l'idée impériale ou le caractère "All Red" du câble du Pacifique, avait mauvaise grâce à originer chez le président de la Commission qui, non seulement voyait d'un bon œil mais proposait même de dépouiller l'entreprise de cette caractéristique.

Sa proposition fut soumise en 1920. Cette année-là, la Commission du câble du Pacifique recommanda la pose d'un autre câble allant de la Nouvelle-Zélande à Honolulu en vue de le relier, à Honolulu, en territoire américain, avec une ligne américaine, nommément la Commercial Cable Company, et par là assurer la communication directe avec San Francisco.

Pour étayer sa proposition de construction de cette route alternative non britannique, la Commission fit remarquer qu'une très grande proportion du trafic transpacifique était en provenance et à destination des Etats-Unis; que c'est à ce trafic qu'était due la congestion à l'époque; qu'il serait avantageux de remettre aux Etats-Unis le soin du trafic américain jusqu'à Honolulu, la route All Red par voie de Bamfield, en terre canadienne, se trouvant de ce fait soulagée; que, en face des événements d'alors, il fallait compter sur une route américaine alternative chaque fois qu'il se produisait une interruption de la section de l'île Fanning-Bamfield; et qu'en tant qu'il s'agissait de l'interruption par un acte hostile en temps de guerre, on pourrait considérer comme une chose certaine que tout état de guerre qui priverait le Canada et ses autres associés de l'usage de la route par voie de Honolulu, impliquerait aussi la rupture du câble Bamfield-île Fanning demeurât intact si le câble existant alors était coupé. Bamfield-île Fanning demeurerait intact si le câble existant alors était coupé.

La Commission avait tellement étudié le problème et elle était si peu préoccupée par l'aspect sentimental, impérial ou britannique du câble du Pacifique en 1920, qu'elle a complété les arguments précités par une recommandation à l'effet d'entreprendre des négociations, afin d'obtenir l'approbation du gouvernement américain et de la Commercial Cable Company touchant le projet de la duplication du câble de la Nouvelle-Zélande à Honolulu.

Ce qui précède va vous permettre d'estimer la valeur de toutes les objections impériales ou sentimentales maintenant soulevées par la Commission, ou par aucun de ses apologistes, à l'encontre de la prétention faite en faveur du Canada relativement au litige, pour lequel la Commission est entièrement responsable.

Les travaux entrepris illégalement par la Commission, malgré les représentations et les protestations du Canada, font l'objet de deux contrats—l'un couvrant la partie du câble à partir des îles Fiji jusqu'à l'île Fanning et l'autre à partir de l'île Fanning à Bamfield—les frais de construction de ces nouveaux câbles devant être payés à même le Fonds de réserve composé des profits accumulés depuis 1916, et qui s'élèvent actuellement à plus de \$11,000,000.

Laissez-moi vous répéter au sujet de ces contrats que le Canada a prétendu que la Commission n'a pas l'autorisation de procéder à l'adjonction d'un second câble du Pacifique. Plûtôt que de ne pas tenir compte d'une telle illégalité, et s'appuyant sur les annales de la Commission, telles que précitées, le soussigné a notifié la Commission qu'il va recommander le retrait du Canada de l'association avec le Royaume-Uni, l'Australie et la Nouvelle-Zélande, en vertu de laquelle le câble a été construit. Outre les autres sommes auxquelles le Canada a droit, on a aussi réclamé le paiement de sa part au Fonds de réserve que la Commission projette maintenant de dépenser d'une manière que l'on estime illégale et dans une entreprise, dont la justification n'est pas actuellement évidente.

On a expédié à votre bureau le compte rendu de la Commission du câble du Pacifique, que l'on vient de recevoir, par la voie ordinaire, ainsi qu'une copie du rapport de l'auditeur de la Commission. Le dernier alinéa de la lettre mentionnant l'expédition du rapport en question semblerait impliquer que son propre auditeur n'est pas tout à fait convaincu que l'on applique les fonds de la Commission conformément aux dispositions de la loi de 1901. Je recommanderais que l'on étudie attentivement cet alinéa. Il se lit comme suit:

“Vu l'article 4 de la Loi du câble du Pacifique, 1901, stipulant que tout excédent sera appliqué à la réduction des sommes dues pour les emprunts effectués sous le régime de la Loi, on peut supposer, dans ces circonstances particulières, que ce montant peut être défini comme étant

des “dépenses nécessaires” aux termes de cette loi. Sous ce rapport, je désire vous faire remarquer que le Conseil n’a pas encore établi d’annuités pour rembourser au compte de renouvellement les dépenses qui lui ont été imputées pour les années récentes, du chef des renouvellements, tel que prescrits à l’article 1 (1) de la Loi du Câble du Pacifique, 1911.”

En tenant compte des révélations concernant la conduite du Conseil, vous ne serez pas surpris d’apprendre que le 24 novembre dernier, le London Daily Telegraph a publié un cablogramme de son correspondant australien, à Melbourne, comme suit:

“L’objection du Gouvernement canadien à l’emploi des profits du Conseil pour les dépenses au compte du capital est fortement approuvée ici. Au cours des premiers treize ans des opérations du Conseil les déficits ont dépassé £700,000, que les Gouvernements contributaires ont payées. Au cours des dernières dix années, les profits nets, après avoir alloué au delà de £100,000 annuellement au remboursement du capital et contribué au fonds d’amortissement et de renouvellement, ont dépassé £1,600,000. Au lieu d’utiliser ces profits pour la réduction des taux, ils ont été appliqués à la réduction du capital et à l’inflation du fonds de renouvellement qui atteint maintenant approximativement le total énorme de £2,500,000. C’est l’opinion ici que l’attitude du Gouvernement canadien offre une occasion favorable pour passer en revue la politique financière du Conseil qui jusqu’ici a complètement ignoré les intérêts des personnes pour lesquelles les câbles du Pacifique ont été posés, c’est-à-dire, tous ceux qui les emploient.”

Comme vous le constaterez, l’attitude prise par le Canada en cette matière a déjà porté ses fruits. Je dois ajouter que votre intervention à cette phase est des mieux accueillies, et vous pouvez être assuré de la coopération persévérante et pratique du ministère des Postes jusqu’à ce que toutes les questions en litige soient réglées à la satisfaction du Canada.

Bien à vous,

CHAS. MURPHY, *M. des P.*

L’Auditeur général.

MINISTÈRE DES POSTES, le 14 décembre 1925.

CHER MONSIEUR,—Je vous fais tenir sous ce pli copie d’une lettre envoyée par l’Auditeur du conseil du Câble du Pacifique lorsqu’il nous a transmis le Compte du conseil pour l’année 1924-25.

Votre dévoué,

CHAS. MURPHY, *M. des P.*

L’Auditeur général.

POST OFFICE—POSTES

TRÉSORERIE, G.W.L., le 30 juillet 1925.

MONSIEUR,—J'ai l'honneur de vous dire que j'ai fait la vérification des Comptes du conseil du Câble du Pacifique pour l'année terminée le 31 mars 1925, conformément aux instructions contenues dans la lettre de Sir O. E. Niemeyer du 2 février 1924, (F. 7.227) et que je les ai trouvés exacts.

Il ressort de l'examen des comptes que les recettes provenant de l'exploitation du câble s'élèvent au chiffre de £549,917-2-11. Les dépenses du câble, y compris le paiement d'une annuité de £77,544-18-0. sur l'emprunt original et le transport au fonds de renouvellement d'un versement de £9,150-5-0. ayant trait au câble de la Nouvelle-Zélande (1912), représentent £352,023-5-0. En outre, le Conseil a transporté au fonds de renouvellement la contribution annuelle normale de £30,000 ainsi que le solde définitif de £167,893-17-2.

Vu l'article 4 de la Loi du Câble du Pacifique, 1901, stipulant que tout excédent sera appliqué à la réduction des sommes dues pour les emprunts effectués sous le régime de la Loi, on peut supposer, dans ces circonstances particulières, que ce montant peut être défini comme étant des "dépenses nécessaires" aux termes de cette loi. A ce propos, je désire vous faire remarquer que le Conseil n'a pas encore établi d'annuités pour rembourser au compte de renouvellement les dépenses qui lui ont été imputées au cours des années récentes, du chef des renouvellements, tel que prescrit à l'article 1 (1) de la Loi du Câble du Pacifique, 1911.

Je suis, etc.,

T. CHADWICK.

Le Secrétaire, Trésorerie S.M.

CORRESPONDENCE—CORRESPONDANCE

King's Printer's Advance Account—Advances to the King's Printer

AUDITOR GENERAL'S OFFICE, October 21, 1925.

SIR,—I desire to direct your attention to the amounts advanced to you from time to time out of the Consolidated Revenue Fund for the purpose of carrying on the work of your Department.

The situation on March 31st, 1925, was as follows:—

Stock on hand, as per inventory \$311,677 12

To this should be added the amounts due by Departments for supplies furnished, exclusive of profits, together with the value of any material on hand in the Printing Bureau in process of being "worked up", and not at the date in question charged against any Department.

This amount represents the charges against the Advance Account from the Consolidated Revenue Fund at March 31st, 1925.

Section 42 of the Public Printing and Stationery Act provides as follows:—

"...the Minister of Finance may from time to time authorize the advance to the King's Printer out of the Consolidated Revenue Fund of Canada, of such sums of money, not exceeding at any time two hundred thousand dollars, as the King's Printer requires...."

Apparently the amount of two hundred thousand dollars thus authorized to be advanced is not sufficient to meet the present expenditure called for by the expansion of business and it seems to me the attention of the Finance Department should be called to its present inadequacy.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The King's Printer.

DEPARTMENT OF PUBLIC PRINTING AND STATIONERY, OTTAWA, November 2, 1925.

SIR,—I beg to acknowledge your letter of the 21st ultimo in this matter. The Accountant has, at my request, prepared a fairly comprehensive statement on the subject, and I am enclosing a copy of the same.

I note particularly the Accountant's remark regarding the final paragraph in your letter and suggesting that the attention of the Finance Department should be called to the inadequacy for the object intended of the sum of \$200,000, the amount of advance now authorized. I am of the Accountant's view that no remedy for the situation you have indicated would seem to exist save an amendment to the section of the Act which you have quoted.

I shall take an early opportunity of bringing it to the attention of the Minister with a view to securing at the earliest practicable date the necessary legislation.

Yours truly,

F. A. ACLAND, K.P.

The Auditor General.

King's Printer's Advance Account—Compensation for Clothes Accidentally Destroyed

AUDITOR GENERAL'S OFFICE, August 18, 1925.

SIR,—In examining the vouchers in support of the expenditure of the Department of Public Printing and Stationery during the fiscal year ended March 31, 1925, I find that cheque No. 3137, for \$17.50, was issued in favour of Léon Alarie, of the mechanical division of the Printing Bureau, being compensation for "clothes destroyed in accident on January 31, 1924".

I shall be obliged if you will let me know the authority under which this payment was made.

I am, Sir, your obedient servant,

WILLIAM KEARNS, *Asst. A.G.*

The King's Printer.

DEPARTMENT OF PUBLIC PRINTING AND STATIONERY, August 22, 1925.

SIR,—I beg to refer to your letter of the 18th instant on the above matter, and to enclose herewith copy of memorandum from the Chief Accountant which will be found, I trust, to contain all necessary information.

Yours truly,

F. A. ACLAND, *K.P.*

Memorandum

DEPARTMENT OF PUBLIC PRINTING AND STATIONERY,
OTTAWA, August 22, 1925.

From the Chief Accountant to the King's Printer.

On January 31, 1924, Leon Alarie, Plumber's Helper, was accidentally injured while in the performance of his duties by the collapsing of a scaffold on which he was working. The injury sustained was a fracture of the left ankle.

At the same time his wearing apparel, consisting of pants, boots, shirt and underwear, were damaged to such an extent as to be useless for further wear. On his release from hospital Mr. Alarie was compelled to replace these articles and did so by purchases to the extent of \$17.50 at the establishment of McKerracher & Wanless and Eaton's Bootery.

The better course would no doubt have been for Mr. Alarie to have stated his precise needs to the Department so that the proposed purchase might have been, if approved, charged to the Department. This was in fact the procedure adopted in the case of crutches and other articles which it became necessary also to purchase for the workman concerned; only the names of the firms concerned appear on our records in these cases. There is of course no question but that the purchase was necessary and that Mr. Alarie was entitled to replace-

CORRESPONDENCE—CORRESPONDANCE

ment of the clothes which had been ruined by an accident incurred whilst he was on duty. Mr. Alarie's action in making the purchase direct was an error in procedure but the circumstances hardly permitted of his being instructed.

I do not understand to what authority the Auditor General refers, unless that, as money was paid from two sources to Alarie, an Order in Council should have been procured.

F. G. BRONSKILL, *Chief Accountant.*

AUDITOR GENERAL'S OFFICE, August 26, 1925

SIR, — I desire to acknowledge the receipt of your letter of the 22nd., inst., enclosing a memorandum from the Chief Accountant of your Department, in reply to mine of the 18th. instant with reference to a payment of \$17.50 to Leon Alarie, plumber's helper, being compensation for clothes accidentally destroyed.

I am of opinion that the approval of the Governor in Council should have been obtained for the payment in question.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The King's Printer.

Disposal of Stock for which there is no Demand

DEPARTMENT OF PUBLIC PRINTING AND STATIONERY, October 19, 1925.

DEAR SIR, — You will perhaps recall writing to the undersigned in May 1924, referring to the fact that certain stock on hand in the Stationery Branch had appeared in the inventory from year to year without any appreciable change.

The Superintendent of Stationery has made every effort to have the different branches of the Government take some of the stock in question, particularly the drawing material such as curves, set squares and scales. Samples were submitted to the Department of Public Works and the Railways and Canals Department, the branches of the Service which would seem most likely to use this material. The reply received in each case was to the effect that this class of goods was practically obsolete. It should be noted that the material had been in stock for over twenty years.

Would not the best line of procedure be now to write off this stock, the nominal value of which would be about \$600, as per list attached, and turn it over to the Salvage officer, to be disposed of to the best advantage.

Yours truly,

F. A. ACLAND, *K.P.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, October 24, 1925.

SIR,—Referring to your letter of the 19th inst. regarding certain stock on hand in the Printing Bureau for which there appears to be no demand, it is now the practice in the several departments to communicate with the Salvage Officer as to the disposal of all surplus stock.

DEPARTMENT OF PUBLIC PRINTING AND STATIONERY, September 25, 1925.

DEAR SIR,—Referring to the communication, under date of the 21st instant, over the signature of the Assistant Auditor General, in the above matter, I would state that the payments were made in continuation of a long practice which has not been questioned, so far as our records show, and which has been regarded as authorized by the Public Printing and Stationery Act, the statute under which the Department is generally governed.

I should be pleased to have any comment or criticism you may desire to make on the subject, and to give consideration to any suggestion received from you.

Yours truly,

F. A. ACLAND, *K.P.*

The Auditor General.

CORRESPONDENCE—CORRESPONDANCE

AUDITOR GENERAL'S OFFICE, October 13, 1925.

SIR,—In your letter of the 25th ult. in reply to mine of the 21st ult. regarding the authority for the payment of accounts for medical services, I note the following comments: —

“The payments were made in continuation of a long practice which has not been questioned, so far as our records show, and which has been regarded as authorized by the Public Printing and Stationery Act, the statute under which the Department is generally governed.”

I shall be obliged if you will state the section of the Act which, in your opinion, authorizes the practice in question.

I am, Sir, Your obedient servant,

Wm. KEARNS, *Asst. A.G.*

The King's Printer.

DEPARTMENT OF PUBLIC PRINTING AND STATIONERY, October 15, 1925.

DEAR SIR,—Your note of the 13th received. Replying to your enquiry I would observe that the Printing Bureau is an industrial institution, subject to emergencies and contingencies of similar concerns in commercial life, with overtime and night work during long periods of the year. Payment in some form of accounts arising out of accidents to employees while engaged at their work is a necessity common to all industrial institutions.

I do not find in the statute any express authorization of the practice, but the obvious advantages of a system which in such matters gives the Printing Bureau a freedom of action similar to that enjoyed by other industrial institutions, and the fact that though so long prevailing here it has not, so far as our records show, been previously called in question, have caused the general acceptance of the view that the practice was regarded as consistent with the general aim and object of the governing statute. In recent years the public interest has had the additional protection of an audit by the Health Department of all medical accounts submitted for payment.

If you feel that the present procedure should be modified at any point I should be pleased to receive your suggestions.

Yours truly,

F. A. ACLAND, *K.P.*

The Auditor General.

AUDITOR GENERAL OFFICE, October 20, 1925.

SIR,—With further reference to the payment of accounts for medical services and in reply to your letter of the 15th inst. with respect thereto, I have to direct your attention to 8-9 Geo. V., Chapter 15 as amended by 9-10 Geo. V., Chapter 14, being “An Act to provide compensation where employees of His Majesty are killed or suffer injuries while performing their duties.”

May not the employees of the Bureau be brought under the provisions of this Act?

DEPARTMENT OF PUBLIC PRINTING AND STATIONERY, October 27, 1925.

SIR,—I beg to acknowledge your note of the 20th instant, and in reply to your enquiry if the employees of the Bureau may not be brought under the provisions of the Federal Employees' Compensation Act, Chapter 15, 1918, I would state that I have lately been discussing the subject from this point of view with other Departments of the Government, which include employees working under prevailing rates. I am also taking the matter up with the Minister.

Yours truly,

Letter of Credit Cheque No. 7968, 1923-24, outstanding

AUDITOR GENERALS OFFICE, October 14, 1925.

SIR,—In January 1924 a cheque (No. 7968) for \$14,330.96 was issued under your Letter of Credit in favour of Howard Smith Paper Mills Company Limited for paper furnished your Department.

The vouchers rendered in support of this payment are certified "goods received, prices fair and just".

The Bank of Montreal has included this amount in a deposit to the credit of the Receiver General of the amount represented by outstanding cheques for the fiscal year 1923-24.

Has any enquiry been made by your Department in respect of the disposition made of this cheque?

Has the Smith Paper Mills Company acknowledged receipt of it?

As you are aware this outstanding cheque is still negotiable and consequently may be cashed on presentation at the Bank of Montreal.

As the amount is large it seems to me enquiry by your Department should be made as to its present whereabouts.

I am, Sir, Your obedient servant,

GEORGES GONTHIER, A.G.

The King's Printer.

DEPARTMENT OF PUBLIC PRINTING AND STATIONERY, October 20, 1925.

DEAR SIR,—Replying to your letter of the 14th instant in regard to cheque No. 7968 for \$14,330.96, issued on January 18th, 1924, in favour of the Howard Smith Paper Mills Limited, Montreal, I find that it was mailed in the usual way. No acknowledgement has been received nor has the firm made any claim since for the payment of the invoices which the cheque covered.

In regard to Letter of Credit Cheques, you will appreciate that under the existing regulations the Department is not aware of its bank balances or of its outstanding cheques, unless notified by your office or by the Department of Finance.

No such notice has been received, and until now the Department was not aware that this particular cheque was outstanding.

Enquiry will now be made of the firm as to whether the cheque was ever received.

Yours very truly,

F. A. ACLAND, K.P.

The Auditor General.

DEPARTMENT OF PUBLIC PRINTING AND STATIONERY, October 26, 1925.

DEAR SIR,—In further reply to your letter of the 14th instant in reference to cheque No. 7968 for \$14,330.96, word has been received from the Howard Smith Paper Mills Limited, Montreal, that there is no trace of it ever having been received.

It is evident that the cheque has been lost in transit and the proper steps will now be taken to enable the Department to issue a duplicate cheque.

Yours very truly,

Vote 308—Purchase of Cork Carpet

AUDITOR GENERAL'S OFFICE, October 6, 1925.

SIR,—Your letter of credit cheque No. 10079 issued on March 31st, 1925, and charged against the appropriation for Distribution of Parliamentary Documents, etc., is for the payment of \$150, to Bryson-Graham, Ltd., of Ottawa, for 66 $\frac{2}{3}$ yards of Cork carpet at \$2.25 per yard.

Kindly advise me as to the disposition of this carpet and as to your authority for the purchase.

I find nothing in the Public Printing and Stationery Act giving you authority for making purchases of this nature while, on the other hand, I find that Section 9 (f) of the Public Works Act gives the Minister of Public Works the management, charge and direction of supplying of furniture and fittings for the Government buildings at the seat of Government.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The King's Printer.

PUBLIC PRINTING AND STATIONERY, October 14, 1925.

DEAR SIR,—I beg to acknowledge yours of the 5th instant in this matter. The purchase in question was for the floor of the office of the Distribution Branch. The Branch had been extended to include a mail sorting sub-Post-office, and also considerable new machinery, and the quarters were largely new. The floor was of uncovered concrete and it was necessary a covering should be laid as soon as possible. It was at about the close of the fiscal year and the work of the Distribution Branch is at that time, especially during a session of Parliament, at its height. It was desirable that this work should be interfered with as little as possible.

The question of procuring the flooring was taken up with the Department of Public Works. No assurance could be secured from that Department as to the time when the carpet could be procured and laid; it seemed likely to be several weeks if not months, and this would have entailed a serious inconvenience to the Department. It was decided in the circumstances that so far as the new sub-Post-office was concerned, where expedition was specially necessary,

PRINTING AND STATIONERY—IMPRESSIONS ET PAPETERIE

we would purchase the carpet and have it laid by our own labourers, and that so far as the rest of the branch was concerned the floor covering would be procured from the Department of Public Works. This system was adopted and worked to the convenience of the Department.

You will of course have in mind the fact that this Department differs materially from other branches of the Government Service in that it is an industrial institution and subject, especially during a session of Parliament, and more perhaps even than commercial institutions of the same character, to sudden emergencies and contingencies; as a consequence of these conditions it has been sometimes necessary to vary procedure common to other departments with respect to some aspects of equipment and furniture. As to some of these matters an understanding in the interests of economy and efficiency has been effected with the Department of Public Works, and the two Departments co-operate. I trust no step will be taken which would tend to diminish a reasonable freedom of action on our part in these matters.

Yours truly,

F. A. ACLAND, K.P.

The Auditor General.

AUDITOR GENERAL'S OFFICE, October 16, 1925.

SIR,—With further reference to my letter of the 6th inst. and your reply of the 14th inst. with respect to the purchase of cork carpet by your Department, I beg to direct your attention again to Section 9, subsection (f) of the Public Works Act which provides that the following service shall be under the management, charge and direction of the Minister of Public Works,—

“The heating, maintenance, and keeping in repair of the government buildings at the seat of government and any alteration from time to time requisite therein, and the supplying of furniture and fittings or repairs to the same.”

I am of opinion that this Section of the Act applies to the purchase in question and the Department of Public Printing and Stationery should have been governed by its provisions even in emergency cases.

As the present transaction has been closed I shall be obliged if you obtain the approval of the Public Works Department for the purchase of the carpet, but I do not think it should be made a precedent for future purchases.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The King's Printer.

CORRESPONDENCE—CORRESPONDANCE

Avances à l'Imprimeur du Roi

BUREAU DE L'AUDITEUR GÉNÉRAL, le 21 octobre 1925.

MONSIEUR,—Je désire attirer votre attention sur les montants qui vous ont été avancés à même le Fonds du revenu consolidé en différentes occasions pour les travaux confiés à votre département.

Au 31 mars la situation était comme suit:

Matériel en mains suivant l'inventaire \$311,677 12

A cela il faut ajouter les sommes dues par les ministères pour fournitures, sans compter les profits, de même que la valeur de tout matériel maintenant chez l'imprimeur en voie "de composition" mais qui à la date en question n'était pas porté au compte des ministères intéressés.

Cette somme représente les entrées imputées au compte des avances du Fonds du revenu consolidé le 31 mars 1925.

L'article 42 de la loi concernant les impressions et la papeterie de l'Etat stipule ce qui suit:

"...Le ministre des Finances est autorisé à faire de temps à autre à l'Imprimeur du Roi, des avances à même le fonds du revenu consolidé du Canada pour tout montant ne devant pas excéder deux cent mille dollars dans chaque cas, suivant les besoins de l'Imprimeur du Roi. . ."

Apparemment la somme des deux cent mille dollars ainsi autorisée n'est pas suffisante pour faire face à l'augmentation des dépenses due à l'expansion des affaires et je crois qu'on devrait attirer l'attention du ministre des Finances sur le fait que cette somme n'est plus suffisante.

OTTAWA, le 2 novembre 1925.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 21 écoulé, au sujet de cette question.

Le comptable, à ma demande, a préparé un exposé assez bien étudié sur la matière et je vous en adresse une copie sous ce pli.

Je remarque particulièrement ce que déclare le comptable relativement au dernier paragraphe de votre lettre suggérant d'attirer l'attention du ministre des Finances sur l'insuffisance de la somme de \$200,000, montant des avances **actuellement autorisées**. Je partage l'opinion du comptable, qu'on ne peut remédier à l'état de choses que vous indiquez, que par un amendement à l'article de l'Acte que vous avez cité.

A la première occasion qui se présentera, j'attirerai l'attention du Ministre sur l'opportunité d'obtenir la législation nécessaire sous le plus court délai possible.

Cordialement à vous,

F. A. ACLAND, I.R.

Memorandum

DÉPARTEMENT DES IMPRESSIONS ET DE LA
PAPETERIE DE L'ETAT, OTTAWA, le 22 août 1925.

Du comptable en chef à l'Imprimeur du Roi:

Le 31 janvier 1924, Léon Alarie, aide-plombier, a été accidentellement blessé dans l'accomplissement de ses devoirs par suite de l'écrasement d'un échafaudage sur lequel il était à travailler. Au cours de l'accident la victime a subi une fracture de la cheville du pied gauche.

En même temps ses vêtements consistant en pantalon, bottines, chemise et sous-vêtements, ont été tellement endommagés qu'ils n'étaient plus d'aucun service. A sa sortie de l'hôpital M. Alarie s'est trouvé dans la nécessité de remplacer ces articles, qu'il a achetés chez McKerracher et Wanless et à la Eaton Bootery, le tout pour le montant de \$17.50.

Sans doute M. Alarie aurait dû avertir le département de ses besoins afin que les achats projetés puissent être portés au compte du département une fois approuvés. C'est là la ligne de conduite qui a été suivie en ce qui concerne les béquilles et autres articles qu'il a fallu acheter pour cet employé; seuls les noms des magasins intéressés paraissent dans nos archives. On ne peut évidemment mettre en doute la nécessité de ces achats et M. Alarie avait cer-

tainement le droit de faire remplacer les habits détruits au cours d'un accident pendant l'accomplissement de ses devoirs. M. Alarie a fait erreur en achetant directement ces choses mais les circonstances ne nous ont pas permis de lui donner des instructions précises.

Je ne comprends pas bien l'autorité dont veut parler l'Auditeur général, à moins qu'il ne veuille dire qu'en raison du fait que l'argent payé à Alarie provient de deux sources différentes, il aurait fallu un arrêté en Conseil à cette fin.

MONSIEUR,—Je désire vous accuser réception de votre lettre du 22 courant, contenant un mémoire du comptable en chef de votre département, en réponse à ma lettre du 18 courant, relativement au paiement de \$17.50 à Léon Alarie, aide-plombier, comme dédommagement pour la destruction accidentelle de ses vêtements.

Je suis d'avis qu'il aurait fallu obtenir l'approbation du Gouverneur général en Conseil pour le paiement en question.

Disposition des stocks pour lesquels il n'existe pas de demande

DÉPARTEMENT DES IMPRESSIONS ET DE LA PAPETERIE DE L'ÉTAT, le 19 octobre 1925.

MONSIEUR,—Vous vous rappelez que vous m'avez écrit en mai 1924 au sujet de la présence dans le département de la Papeterie de certains articles qui apparaissent dans l'inventaire chaque année sans changement appréciable.

Le surintendant de la Papeterie s'est efforcé de faire accepter ces articles par les différents services du gouvernement, en particulier les articles pour dessin, comme les courbes, les équerres et les règles. On a soumis des échantillons aux ministères des Travaux publics et des Chemins de fer et Canaux où l'on pourrait voir employer ces effets. La réponse reçue dans chaque cas semble indiquer que ces articles sont pratiquement démodés. Il faut remarquer que l'achat de ce stock remonte à vingt ans et plus.

Ne serait-il pas mieux de décompter ces articles, dont la valeur nominale est d'environ \$600, comme il appert sur la liste ci-attachée et de les transmettre au liquidateur des stocks non utilisables pour en tirer le meilleur profit possible?

DÉPARTEMENT DES IMPRESSIONS ET DE LA PAPETERIE DE L'ETAT,

Le 15 octobre 1925.

CHER MONSIEUR, — J'accuse réception de votre lettre du 13 de ce mois. En réponse à votre question, je dois vous dire que l'Imprimerie nationale est une institution industrielle soumise aux aléas et aux risques communs aux institutions similaires commerciales, je veux parler du travail supplémentaire et de nuit qui s'y effectue une bonne partie de l'année. Le versement d'indemnités sous une forme quelconque pour tout accident survenant à un employé au cours de ses fonctions est une nécessité que connaissent toutes les institutions industrielles.

Le statut n'en parle pas expressément, toutefois l'évidence des avantages de la coutume qui, en de telles occurrences, autorise l'Imprimerie nationale à en agir à discrétion comme la chose se pratique dans toutes les institutions industrielles; par ailleurs, de ce que, après une durée aussi longue de cette coutume, personne ne s'y est jamais opposé, tout concourt à laisser croire que cette coutume était en harmonie avec les fins et l'objet du statut qui nous gouverne. En

PRINTING AND STATIONERY—IMPRESSIONS ET PAPETERIE

ces derniers temps, la sauvegarde des intérêts du pays a comporté, comme mesure supplémentaire de garantie, l'examen, par les soins du département de l'hygiène, de chacun des comptes médicaux à honorer.

Si vous êtes d'avis que la coutume présente devrait subir en l'une quelconque de ses parties certaines modifications, je vous serais obligé de m'en instruire.

Bien à vous,

F. A. ACLAND, *I.R.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 20^e octobre 1925.

MONSIEUR, — J'attirerai de nouveau votre attention au paiement des comptes pour services médicaux et en réponse à votre lettre du 15 courant s'y rapportant, je vous demanderai de consulter le chapitre 15, 8-9 Georges V, tel que modifié par le chapitre 14, 9-10, Georges V: "Loi ayant pour objet d'accorder une indemnité lorsque des employés de Sa Majesté sont tués ou blessés dans l'exécution de leurs devoirs".

Est-ce que les fonctionnaires du Bureau ne peuvent pas être soumis aux dispositions de cette loi?

Je suis, monsieur votre obéissant serviteur,

GEORGES GONTHIER, *A.G.*

L'Imprimeur du Roi.

DÉPARTEMENT DES IMPRESSIONS ET DE LA PAPETERIE DE L'ÉTAT, le 27 octobre 1925.

MONSIEUR, — J'ai l'honneur de vous accuser réception de votre lettre du 20 courant. A votre question me demandant si les fonctionnaires du Bureau ne peuvent pas être soumis aux dispositions de la loi des Indemnités aux fonctionnaires fédéraux, chapitre 15 de 1918, je répondrai que j'ai discuté ce sujet à ce point de vue avec des représentants d'autres ministères du gouvernement, qui comprennent des fonctionnaires payés selon les taux en cours. Je vais aussi étudier la question avec le ministre.

Cordialement à vous,

F. A. ACLAND, *I.R.*

L'Auditeur général.

Chèque N° 7968, 1923-24, émis contre lettre de crédit, encore impayé

BUREAU DE L'AUDITEUR GÉNÉRAL, le 14 octobre 1925.

MONSIEUR, — En janvier 1924 un chèque (N° 7968) au montant de \$14,330.96 a été émis d'après votre lettre de crédit en faveur de la Howard Smith Paper Mills Company, Limited, pour du papier fourni par elle à votre département.

CORRESPONDENCE—CORRESPONDANCE

Les pièces justificatives transmises à l'appui de ce paiement portent le certificat "marchandises reçues, prix justes et raisonnables".

La Banque de Montréal a inclus ce montant dans un dépôt au crédit du Receveur général du montant représenté par les chèques impayés pour l'exercice 1923-24.

Votre ministère a-t-il fait des recherches afin de savoir ce qu'était devenu ce chèque?

Est-ce que la Smith Paper Mills Company en a accusé réception?

Savez-vous que ce chèque impayé est encore négociable et qu'il peut par conséquent être converti en espèces sur présentation à la Banque de Montréal?

Comme le montant est considérable, il me semble que votre ministère devrait faire des recherches afin de découvrir ce qu'il est devenu.

Je suis monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

L'Imprimeur du Roi.

DÉPARTEMENT DES IMPRESSIONS ET DE LA PAPETERIE DE L'ÉTAT, le 20 octobre 1925.

MONSIEUR,—En réponse à votre lettre du 14 courant concernant le chèque n° 7968 pour la somme de \$14,330.96, émis le 18 janvier 1924 en faveur de la Howard Smith Paper Mills, Limited, de Montréal, je constate que le dit chèque fut mis à la poste de la façon ordinaire. Nous n'avons pas reçu d'accusé de réception et la maison n'a pas depuis présenté de réclamation pour le paiement de la facture visée par le chèque.

Quant aux chèques émis contre les lettres de crédit, vous admettez qu'avec les présents règlements le département n'est pas renseigné sur son solde en banque ni sur ses chèques impayés à moins d'en être avisé par votre bureau ou par le ministère des Finances.

Nous n'avons pas reçu d'avis et le département ignorait que ce chèque était impayé.

Nous allons demander à la firme si elle a reçu notre chèque.

Votre tout dévoué,

F. A. ACLAND, I.R.

L'Auditeur général.

DÉPARTEMENT DES IMPRESSIONS ET DE LA PAPETERIE DE L'ÉTAT, le 26 octobre 1925.

MONSIEUR,—Faisant suite à notre réponse à votre lettre du 14 courant, concernant le chèque n° 7968 pour la somme de \$14,330.96, la Howard Smith Paper Mills, Limited, de Montréal, nous informe qu'elle ne trouve aucune trace indiquant qu'elle a reçu notre chèque.

Il est évident que le chèque a été égaré en cours de la route et le département va prendre les mesures nécessaires pour lui permettre d'émettre un duplicata.

Votre tout dévoué,

F. A. ACLAND, I.R.

L'Auditeur général.

Vote 308—Achat de tapis de liège

BUREAU DE L'AUDITEUR GÉNÉRAL, le 6 octobre 1925.

MONSIEUR,—Votre chèque n° 10079 émis contre votre lettre de crédit le 31 mars 1925 et débité au crédit de la distribution et des documents parlementaires, etc., concerne le paiement de la somme de \$150 à Bryson-Graham, Ltd., d'Ottawa, pour 66 verges et deux tiers de tapis de liège à \$2.25 la verge.

Veuillez m'informer de l'emploi de ce tapis et de l'autorité sur laquelle vous vous êtes appuyé pour faire cet achat.

Je ne trouve rien dans la Loi des Impressions et de la Papeterie de l'Etat vous autorisant à faire des achats de ce genre et, d'autre part, je constate que l'article 9 (f) de la Loi des Travaux publics confère au ministre des Travaux publics la charge de fournir les meubles et les garnitures aux édifices de l'Etat au siège du gouvernement.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

L'Imprimeur du Roi.

IMPRESSIONS ET PAPETERIE DE L'ÉTAT, le 14 octobre 1925.

CHER MONSIEUR,—J'ai l'honneur de vous accuser réception de votre lettre du 5 du mois courant ayant trait à cette question. Ce tapis a été acheté pour couvrir le plancher du bureau de la division de la Distribution. Par suite d'extension, cette division comprend maintenant une succursale de bureau de poste pour le triage des dépêches, un grand nombre de nouvelles machines, et cela se trouve dans un local pratiquement nouveau. Le plancher était en béton non recouvert et il était nécessaire de le couvrir le plus tôt possible. On en était aux derniers jours de l'année financière et c'est justement le moment où, surtout pendant une session du Parlement, le travail de la division de la Distribution atteint son maximum. Il était donc opportun que ce travail fut entravé le moins possible.

On a exposé au ministère des Travaux publics cette question de l'achat d'un tapis pour couvrir le plancher. Ce ministère ne pouvait d'aucune manière nous assurer de la date où ce tapis pourrait nous être envoyé et posé; tout semblait indiquer que la chose prendrait des semaines, sinon des mois, ce qui aurait entraîné de graves inconvénients pour notre département. Dans de telles circonstances nous avons décidé d'acheter nous-mêmes le tapis et de le faire poser par nos propres ouvriers dans la nouvelle succursale de bureau de poste où il fallait nécessairement faire diligence, et d'acheter du ministère des Travaux publics le tapis nécessaire pour les autres parties de la division. Ce système a été adopté et a donné satisfaction au département.

Vous tiendrez compte, naturellement, du fait que notre département diffère considérablement des autres divisions du service de l'Etat en ce qu'il est une institution industrielle et se trouve exposé, surtout pendant une session du Parlement, et plus encore peut-être que les institutions commerciales du même genre, à des exigences subites et imprévues. Par suite de cet état de choses il nous a parfois été nécessaire de nous écarter de la procédure suivie ordinairement par les autres départements relativement à certains détails touchant l'achat du matériel et du mobilier. En vue d'économie et d'un rendement satisfaisant une entente a été conclue, quant à quelques-unes de ces questions, avec le

CORRESPONDENCE—*Con.*—CORRESPONDANCE—*Fin*

ministère des Travaux publics, et les deux départements agissent en coopération. J'ai confiance que l'on ne prendra aucune mesure tendant à restreindre une raisonnable liberté d'action de notre part dans des cas de ce genre.

Votre dévoué,

F. A. ACLAND, *I.R.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 16 octobre 1925.

MONSIEUR,—A propos encore de ma lettre du 6 du mois courant et de votre réponse du 14 du mois courant relativement à l'achat de tapis de liège par votre département, je me permets d'attirer de nouveau votre attention sur l'article 9, paragraphe (f) de la Loi des Travaux publics stipulant que le service suivant soit soumis à l'administration, la charge et la gestion du ministre des Travaux publics:

“Le chauffage, l'entretien et les réparations des édifices de l'Etat, au siège du gouvernement, et tous les changements qui y sont parfois requis, et la fourniture du mobilier et des accessoires ou les réparations qui y sont requises.”

Je suis d'avis que cet article de la loi s'applique à l'achat dont il s'agit ici et le département des Impressions et de la Papeterie aurait dû s'en tenir aux dispositions de cet article, même dans les cas urgents.

Maintenant que cette transaction est un fait accompli, je vous serais obligé d'obtenir l'approbation du ministère des Travaux publics pour l'achat de ce tapis, mais je ne crois pas que cela doive vous servir de précédent pour les achats futurs.

Votre dévoué serviteur,

GEORGES GONTHIER, *A.G.*

L'Imprimeur du Roi.

Vote No. 145—Montreal Ordnance Stores Building: Interest on Overdue Instalments of Purchase Price

AUDITOR GENERAL'S OFFICE, December 10, 1924.

SIR,—I beg to acknowledge receipt of your application No. 622 in favour of Grant Garage Limited and Paul LaBadie, Agent of the Minister of Justice, for the sum of \$669.93, being for interest on delayed payments of instalments due May 1st, 1923, and May 1st, 1924, and chargeable to Vote No. 145—Montreal—Ordnance Stores Building.

The account is as follows:—

Interest on delayed payments of 1923.. . . .	\$294 67
Interest on delayed payments of 1924.. . . .	367 84
Interest on \$367.84 to December 9th, 1924.. . . .	7 42

Total.. . . . \$669 93

The Order in Council in this matter makes no direct mention of interest on delayed payments of instalments. Before certifying this application I would like further information regarding the claim and also a copy of the agreement of sale with the Grant Garage Limited.

In reviewing the details of the account I notice that there have been considerable delays between the dates of the issue of the cheques and the dates of payment to the claimants.

On May 1st, 1923, a cheque for \$4,333.33 was mailed to Mr. LaBadie. This was disbursed by him—\$1,264.67 on June 5th and \$3,068.66 on June 8th. On June 19th, 1923, a second cheque for \$4,333.33 was sent to Mr. LaBadie which he disbursed on July 6th. On July 6th a cheque for \$17,333.34 was sent to him, which he disbursed—\$6,318.66 on July 17th and \$11,014.68 on July 18th. Similar delays are noticed in 1924. Cheques were mailed to Mr. LaBadie on May 9th, July 7th and July 28th. These were disbursed on May 20th, July 19th and August 14th, respectively.

If the Crown is liable for interest charges on delayed payments of instalments then, it seems to me, some more prompt method of payment should be arranged.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Public Works Department.

DEPARTMENT OF PUBLIC WORKS, March 30, 1925.

SIR,—Your letter of 10th December last, regarding a proposed payment of \$669.93 in this connection, was duly received, and I now enclose certified copy of the following documents:—

- (1) Agreement dated 16th June, 1921, for sale of this property to the Crown.
- (2) Document dated 2nd May, 1921, by which Crown Trust Company acknowledged receipt, from Grant Garage, Ltd., of \$10,000, in partial discharge of mortgage.
- (3) Document dated 9th August, 1921, testifying notification to the Crown of the execution of the Deed of Transfer described below.

PUBLIC WORKS—TRAVAUX PUBLICS

- (4) Deed of Transfer, dated 8th August, 1921, by Grant Garage, Limited, to La Société Nationale de Fiducie, of the sum of \$32,866.33, out of the \$72,000 due to the former company by the Crown.

Examination of these papers will show that the matter is somewhat involved, and in each year since its commencement, a further element of complication has arisen from the fact that, on 1st May when the annual payments have fallen due, the full amount of the appropriation required for the purpose has not been available.

This will explain why it has been thought best to make the several payments through an agent of the Department of Justice.

The questions raised by your letter are being referred to the Deputy Minister of Justice, both as to how far the Agreement of Sale compels the Crown to pay interest, and also as to the reason why the Agent in Montreal did not pay over more promptly the several instalments of money which had been placed in his hands. As this inquiry may involve some time, and the close of the fiscal year is approaching, I think it will be best to cancel Application No. 622 for \$669.93 and to hold over until next year whatever payment of arrears of interest may be found to be due. This cancellation will leave a balance in the appropriation of 1924-25 and I am transmitting herewith Application No. 865 for \$600, to be paid to the Crown Trust Company, on account of the sum of \$1,050, which will be due to that Company for interest accruing during the 12 months terminating 1st May next. Although the whole of this will not be due until 1st May, the greater part of it has already accrued, and I trust you will find no obstacle to applying this \$600 out of the appropriation of 1924-25, as payment on account.

J. B. HUNTER, D.M.

The Auditor General.

PUBLIC WORKS DEPARTMENT, June 9, 1925.

SIR,—Having reference to your letter of 10th December last and my reply of 30th March, 1925, I now beg to enclose—

Copy of my letter to the Deputy Minister of Justice 24th April, enclosing certain documents and submitting questions (1) and (2) as therein shown.

Copy of Justice reply of 12th May, 1925, together with a letter from Paul Labadie, Agent of the Minister of Justice, dated 6th May, 1925.

As you are aware heavy payments in this connection were due according to the agreement of sale on 1st May, 1925, but only one-sixth of the vote, viz:—\$4,166.66, had been granted at that time and that amount was paid on account by application No. 47 on 27th April. A further similar vote has recently been released but pending settlement of the questions raised in your letter of December last it is not proposed to make any further payment in that connection at present. I am, however, sending you herewith an application in favour of Paul Labadie, the Agent of the Minister of Justice, for \$522.74, covering an account of his for services performed during the course of last summer. This will use a portion of the funds now available and the balance may stand until the remaining portion of the appropriation is granted by Parliament, when a final settlement of all sums due to the vendors and their representatives may be arrived at

J. B. HUNTER, D.M.

The Auditor General.

CORRESPONDENCE—CORRESPONDANCE

DEPARTMENT OF PUBLIC WORKS, April 24, 1925.

SIR,—On 4th December last this Department sent an application to the Auditor General for the issue of a cheque in settlement of interest due upon delayed payments to the vendors of the above property. Heretofore it had been the opinion of the Department that the agreement of sale bound us to pay such interest. The Auditor General, however, did not seem to be satisfied with this opinion and on 10th December wrote a letter questioning it, copy of which is enclosed herein.

In reply this Department supplied the Auditor with certified copy of the original agreement of sale and the several other deeds of transfer, etc., relating thereto. At the same time he was promised that this Department would lay before the Department of Justice the question whether the articles of agreement bound the Department to pay interest.

It will also be noticed that in the latter part of the Auditor General's letter he inquires as to the reason for the delay by the agent of the Minister of Justice in paying over to the interested parties certain moneys which were placed in his hands at various times.

There are now enclosed herein the following papers:—

Copy of the account of \$669.93 for settlement of interest. This is the paper criticized by the Auditor General's letter of 10th December.

Copy of the original agreement of sale, dated 16th June, 1921.

Copy of notarial document, dated 2nd May, 1921, signed by Crown Trust Company, I. P. Rexford and others.

Copy of a notarial document, dated 9th August, 1921, signed by Victor Morin, N.P.

Copy of notarial document, dated 8th August, 1921, signed by Joseph A. Peloquin, R. W. Grant and others.

I have therefore to request that I be supplied for submission to the Auditor General, with answers to the following queries:—

- (1) Is the Crown compelled by the agreement of sale to pay interest (a) upon payments of principal delayed beyond the due date fixed in the agreement, (b) upon payments of interest delayed beyond due date?
- (2) In case your opinion may be that such interest does accrue against the Crown the Auditor desires an explanation of the reason why the agent of the Minister of Justice should have delayed payment to the vendors of the moneys placed in his hands, as described in the latter paragraph of the Auditor General's letter—thus apparently involving the Crown in liability for excessive interest.

J. B. HUNTER, D.M.

The Deputy Minister, Department of Justice.

DEPARTMENT OF JUSTICE, May 12, 1925.

SIR,—With reference to your letter of the 24th ultimo, particularly referring to paragraphs (1) and (2) of second page, I wish to refer you to paragraph 4, fourth page, and paragraph 1, sixth page, of the Deed of Conveyance, 16th June, 1921, which read as follows:—

“With interest on said balance or any part thereof at the rate of six per centum per annum from the first day of May, nineteen hundred and twenty-one, and payable yearly on the first day of month of May in each year, all arrears of interest producing interest at the same rate.”

PUBLIC WORKS—TRAVAUX PUBLICS

"With interest thereon and on all unpaid balance of same at the rate of six per centum per annum payable annually on the first day of the month of May in each year, whereof the next payment of interest shall come due and payable on the first of the month of May nineteen hundred and twenty two."

I feel therefore disposed to reply in the affirmative to queries (a) and (b) of sub-paragraph (1).

As to paragraph (2), I wish to say that I am in receipt of a letter from our agent, Mr. Paul Labadie, N.P., Montreal, dated 6th instant, which is self-explanatory and of which I enclose a copy herewith. The delay in transmitting the cheques is, in my mind, satisfactorily accounted for and I wish to call your attention to paragraph 11 of our agent's letter and also to the suggestions made in the last page of his communication.

Please find enclosed receipt from La Société Nationale de Fiducie, together with statement attached thereto, respectively dated the 8th May instant and 20th April, 1925. Please acknowledge receipt.

We are hardly pressed by our agent for the payment of his account—\$562.74—forwarded to you with my letter of 10th September, 1924, acknowledged by yours of the 11th of the same month and I regret to say I feel rather embarrassed in giving him any satisfactory reply, as my repeated letters to you requesting payment have not even been answered.

I have the honour to be, Sir,

Your obedient servant,

J. AD. RENAUD, *Asst. D.M.J.*

The Deputy Minister, Public Works Department.

DEPARTMENT OF PUBLIC WORKS, September 21, 1925.

SIR.—On 10th December last you wrote to this Department, drawing attention to the fact that the Order in Council authorizing purchase of the above named property did not authorize payment of interest on delayed payments of instalments. You further drew attention to what appeared to be long delays on the part of the agent of the Minister of Justice in delivering to the proper payees cheques which had been placed in his hands for that purpose. This matter was in due course communicated to the Department of Justice and on 9th June of the current year the Deputy Minister wrote you, enclosing a reply from the Deputy Minister of Justice and also a letter of explanation from Mr. Labadie. The letter of the Deputy Minister of this Department contains the following sentence:—

"A further vote has recently been released but pending settlement of the questions raised in your letter of December last it is not proposed to make any further payment in that connection at present."

I do not find that your office has replied to this last communication. Is it to be understood that you now withdraw the objections raised in your letter of 10th December, 1924? Further payments are now due upon this property and it is of importance that this Department should know exactly in what form you are prepared to pass them.

Your obedient servant,

A. G. KINGSTON, *Chief Accountant.*

The Auditor General.

CORRESPONDENCE—CORRESPONDANCE

AUDITOR GENERAL'S OFFICE, September 23, 1925.

SIR,—In connection with the payments to Grant Garage, Limited, on account of the purchase of the Grant Garage property, I note that the Department of Justice has advised you that the Crown is liable for interest on payments of principal delayed beyond the due date fixed in the agreement and upon payments of interest delayed beyond the due date. No further objection is raised as to the legality of these payments.

As no exception was taken to the payment of the annual instalments when due, I see no reason for delay in meeting this part of your obligation after funds became available.

I am, Sir,

Your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Public Works Department.

PUBLIC WORKS—TRAVAUX PUBLICS

PUBLIC WORKS DEPARTMENT, September 28, 1925.

SIR,—Your letter of 2nd July was duly received. At that time it was thought that there was probability of further architectural work being placed in the hands of Mr. Lacroix against which the overpayment of last year might be set. It now, however, becomes apparent that there will be nothing of that kind this year and a letter has to-day been sent to Lacroix drawing his attention to the overpayment and asking him to refund the amount.

The matter will be followed up until the account has been settled.

J. B. HUNTER, *D.M.*

Note by Auditor General.—No refund has been received to date. November 30, 1925.

Vote 151—Experimental Farms, New Buildings, etc.: Apparent overpayments on paylists for Brandon Farm

The Deputy Minister, Public Works Department.

AUDITOR GENERAL'S OFFICE, May 7, 1925.

SIR,—On March 23rd I wrote you calling attention to payroll RW 60559 for work at Brandon Experimental Farm, which contained apparent overpayments to the amount of \$247.70.

I have received no reply to this letter.

As the accounts for the fiscal year will be closed very soon I shall be obliged if you give this matter your early attention.

I am, Sir, your obedient servant,

The Deputy Minister, Public Works Department.

Note by Auditor General.—The Department has not replied to my repeated requests for an explanation.

CORRESPONDENCE—CORRESPONDANCE

Vote No. 151—Experimental Farms, New Buildings, etc.: Sales tax on lumber

AUDITOR GENERAL'S OFFICE, March 26, 1925.

SIR,—I desire to call your attention to the following vouchers:—

R.W. 62272—Brunette Lumber Co., Ltd.	\$639 13
R.W. 60606—McNair & Graham, Ltd.	59 28
R.W. 60713—McNair & Graham, Ltd.	49 83
R.W. 62817—McNair & Graham, Ltd.	99 33

These vouchers are in support of purchases of lumber and sundry supplies for Agassiz Experimental Farm.

The Brunette Company supplied lumber valued at \$552.37 and McNair and Graham, Limited, lumber valued at \$171.72. These firms have been paid for sales tax on this lumber at the rate of five per cent., Brunette Lumber Company, \$27.62 and McNair and Graham, \$8.59.

The sales tax act, as amended, fixed the tax on lumber at five per cent on fifty per cent of the value. The correct amounts charged should therefore be \$13.81 for the Brunette Lumber Company, Limited, and \$4.30 for McNair and Graham, Limited.

Why has sales tax at the five per cent rate on the full value of the lumber been allowed when the Companies are required to pay the tax on the half value only?

I am, Sir,

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department.

DEPARTMENT OF PUBLIC WORKS, May 5, 1925.

SIR,—Your letter of 28th March re Sales Tax on lumber questions the propriety of paying tax at the rate of 5 per cent upon the full value of certain invoices of lumber supplied by the Brunette Lumber Co. Ltd., of New Westminster, B.C. and McNair and Graham Ltd., of Rosedale, B.C.

I am informed that Regulation 14 in connection with the Excise Revenue law, which directs that the tax be computed upon not less than 50 per cent of the selling price, is applicable only to the case of a sale by a lumber dealer to the consumer. Where the sale is directly from the manufacturer to the consumer the tax is 5 per cent upon the full value. It has taken some time to obtain the necessary information but I now learn through the Department of Customs that both of the above named firms are lumber manufacturers.

Matane Harbour: Settlement for Contract work of J. R. and J. E. Boulanger

AUDITOR GENERAL'S OFFICE, May 6, 1925.

SIR,—Referring to your application of the 29th ult. for a cheque of \$4,660.20 in favour of J. R. Boulanger and J. E. Boulanger, contractors, for a wharf at

PUBLIC WORKS—TRAVAUX PUBLICS

Matane, province of Quebec, connecting the present government wharf and western breakwater and of a protection pilework along the present government wharf at Matane, I note that you ask that the amount be charged against a deposit of \$55,000 shown in the Public Accounts of 1924-25 under Miscellaneous Current Accounts, page 13.

This deposit I understand was made by Hammermill Paper Company as a contribution towards the construction of the wharf at Matane; but as you are aware it is not a Parliamentary Appropriation and for that reason I may not certify that the amount of the claim in question be made a charge on it.

Section 41 of the Consolidated Revenue and Audit Act directs that the Auditor General shall see that no cheque shall issue for the payment of any public money for which there is no direct Parliamentary Appropriation or in excess of any portion of such appropriation.

The sum of \$55,000 to which you refer is not a Parliamentary Appropriation.

Apart from my objection to the issue of the cheque asked for in the absence of the necessary appropriation I am of opinion that the claim of the contractors is not justly due for the reason that under paragraph 21 of the contract it is provided that the contractors shall be at the risk of and shall bear all loss or damage from whatsoever cause arising which may occur to the works etc., before the same are finally accepted by the Minister.

I hold this opinion notwithstanding the fact that the Governor in Council has approved of the elimination of this clause from the contract.

If the claim is allowed on compassionate grounds it should I think be submitted for Parliamentary approval as a special item in the Estimates.

I return your application herewith.

I am, Sir,

Your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Public Works Department.

PUBLIC WORKS DEPARTMENT, May 29, 1925.

SIR,—Let me acknowledge your letter of 6th instant in which you return Application No. 48 of this Department for a payment to Messrs. J. R. and J. E. Boulanger of \$4,660.20, in settlement of Final Estimate for their contract for works at Matane.

Your objection to passing this application appears to be made on two grounds—

(1) That section 41 of the Audit Act directs that the Auditor General shall see that no cheque shall issue for the payment of any public money for which there is no direct Parliamentary appropriation * * * * I am transmitting herewith copy of the Order in Council of 14th August, 1922, in which, as you will see, authority was given for the carrying out of the improvements at Matane and for the acceptance from the Hammermill Paper Company of the sum of \$100,000.00 as an assistance. The \$55,000.00 now lying in "Matane special account" is made up of the first and second instalments paid by the Hammermill Paper Company in this connection. I note that your objection under section 41 of the Audit Act is well taken. There is certainly no appropriation this year under the name of "Matane Harbour". I have therefore altered Application No. 48.

CORRESPONDENCE—CORRESPONDANCE

making it chargeable to the appropriation "Harbours, General Repairs and Improvements, Quebec". This I think will get over the difficulty as regards appropriation, and the amount can afterwards be transferred to the special account, as has been customary in similar cases.

(2) Your second objection is that under Paragraph 21 of the contract it is provided that the contractors shall be at the risk of and shall bear all loss or damage whatsoever. You further state that you hold this opinion notwithstanding the fact that the Governor in Council has approved of the elimination of this clause from the contract * * * * Let me point out that the contract was originally entered into upon no higher authority than that of an Order in Council (P.C. 1343 of 27th July 1923). Am I to understand that you maintain that the original Order in Council cannot be amended by the same authority?

I shall be obliged if you will let me have your reply to questions (1) and (2) above, categorically, at as early a date as possible. These contractors are naturally anxious to have settlement made.

J. B. HUNTER, D.M.

The Auditor General.

AUDITOR GENERAL'S OFFICE, June 12, 1925.

SIR,—With further reference to your application of April 29th last for a cheque of \$4,660.20 in favour of Messrs. Boulanger and Boulanger for settlement of contract work at Matane, I am still of opinion that the amount allowed in settlement of this claim by Order in Council may not be paid except on the authority of the House of Commons obtained through a special item in the Estimates.

Apart altogether from the legal power of the Governor in Council to alter or vary the terms of a contract in the interests of the contractor, I am of opinion that the payment of the claim in question would have the effect, practically, of nullifying the protection as to the reasonableness of the contract price contemplated by Section 36 of the Public Works Act respecting the calling for tenders.

I am, Sir,

Your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Public Works Department.

Vote No. 170—New Hull for Snagboat Samson: Balance due to Star Shipyards

PUBLIC WORKS DEPARTMENT, June 5, 1925.

SIR,—I have to-day received copy of an Order in Council dated 29th May, reviving the lapsed balance of Appropriation No. 170 of 1924, "New Hull for Snagboat Samson", the revived amount being terminable on the 31st May as provided by the Audit Act and Amendments

PUBLIC WORKS—TRAVAUX PUBLICS

On 23rd May, application No. 74, for payment to the Star Shipyard Company of the sum of \$7,597.20, was sent to your office with a request that it be charged to this revived balance as soon as the Order in Council had been passed. I trust there will now be no difficulty in passing this payment as of some date in the month of May.

J. B. HUNTER, *D.M.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, June 6, 1925.

SIR,—I beg to acknowledge receipt of your application No. 74 in favour of the Star Shipyards Co., for \$7,597.20, being final estimate to May 4th, 1925, on the new hull for the Snagboat "Samson", to be charged to the lapsed balance of Vote No. 170, revived by Order in Council of May 29th, 1925 (P.C. 831).

I note that this payment of \$7,597.20 represents the amount held as guarantee, under the terms of the contract for a period of six months after the acceptance of the completed work. The work was accepted on November 4th, 1924, and the final payment became due on May 4th, 1925.

The statutory authority for the revival of this lapsed balance provides that it is applicable only to any outstanding debt properly incurred and presumably due on or before the last day of the fiscal year.

As the amount in question was not due to the Star Shipyards Company on March 31st, since the guarantee period did not expire until May 4th I am of opinion the lapsed balance of Vote No. 170 as revived by P.C. 831 cannot be made available for the payment of this account.

I return your application No. 74 with accompanying papers herewith.

I am, Sir,

Your obedient servant,

GEORGES GONTHIER, *A.G.*

The Deputy Minister, Public Works Department.

Note by Auditor General.—Application No. 74 cancelled. Amount was revoted in 1925-26 and has been paid.

Vote No. 170—Surveys and Inspections: Refund of Outstanding Advances

AUDITOR GENERAL'S OFFICE, June 20, 1925.

SIR,—In 1905, under arrangement with the Auditor General, the following practice of dealing with travel advances was established in your Department: "An advance limited in amount to absolute requirements is made at the officer's first appointment; each account is paid in full, when certified; at the close of the fiscal year, a cheque is drawn against the appropriation of the coming year and refunded to close that of the former year".

I am of opinion that under Section 3 Sub-Section 2 of the amendment to the Consolidated Revenue and Audit Act (12-13 George V, Chapter 15) any such arrangement between the Department of Public Works and the Auditor General is now void. Any balances in the hands of any persons at the end of the fiscal

CORRESPONDENCE—CORRESPONDANCE

year must under present legislation be deposited to the credit of the Receiver General.

Before a fresh advance may be issued to any person, there should be a certificate from the Chief of his Division stating that such person is entitled to an advance and limiting the amount to be issued to him.

I am, Sir,

Your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Public Works Department.

Transfers of Over-expenditures of Appropriations in 1924-25 to the Fiscal Year 1925-26

AUDITOR GENERAL'S OFFICE, July 22, 1925.

SIR,—Referring to Vote No. 170 in the Supply Bill of the fiscal year ended March 31st, 1925, under which provision was made "to cover balance of expenditure for works already authorized for which the appropriations may be insufficient, provided that the amount for any one work does not exceed \$200, \$5,000." I find the total amount so provided has been exceeded by \$637.02.

To make good this excess and apparently to avoid the necessity of showing an overdraft in your appropriation account for the fiscal year 1924-25, I find that cheques have been drawn in favour of the Receiver General charged to the appropriation of the current fiscal year and subsequently deposited to the credit of the overdrawn votes of 1924-25.

It seems to me this procedure is highly objectionable and I shall be obliged for your explanation.

I am, Sir,

Your obedient servant,

WM. KEARNS, Asst. A.G.

The Deputy Minister, Public Works Department.

AUDITOR GENERAL'S OFFICE, September 23, 1925.

SIR,—On July 22nd I wrote you regarding transfers of over-expenditure of appropriations in 1924-25 to the fiscal year 1925-26, asking for your explanation.

I have, as yet, received no reply to this letter.

I would be pleased to receive your explanations at an early date.

I am, Sir,

Your obedient servant,

PUBLIC WORKS—TRAVAUX PUBLICS

Columbia River: Special Account

AUDITOR GENERAL'S OFFICE, May 6, 1925.

SIR,—The following item was voted in the Supply Bill for the fiscal year 1894-95:—

Columbia River—Protection of bank at Revelstoke and vicinity to prevent erosion. The Local government of British Columbia contributing an equal amount. Expenditure to be made on settlement of title, \$5,000.00.

The \$5,000 contributed by the British Columbia Government was deposited to the credit of the Receiver General in a special account, entitled "Columbia River, Special Account." The total expenditure for the year on this work amounted to \$7,010.84, of this amount, \$5,000 was left as a charge against the appropriation, which was thus completely exhausted, and \$2,010.84 was transferred to the debit of the Special Account. This left, when the accounts for 1894-95 were closed, a balance of \$2,989.16 at the credit of the Special Account, and this balance remained untouched until February, 1925, a period of nearly thirty years.

In February last you issued a cheque or cheques through your letter of credit to the amount of \$171.12, which was charged directly against the special account. I am of the opinion that the payment of this amount out of the special account is in contravention to section 41 of the Consolidated Revenue and Audit Act which directs that no cheque shall issue for the payment of any public money for which there is no direct parliamentary appropriation.

I am of opinion that I should now be informed of the reasons for this unexpended balance having been retained in a special account for so many years.

I am further of opinion that you might take this matter up with the Department of Finance, with the view of finally disposing of the item "Columbia River, \$2,989.16" carried as a Suspense Account, as shown under Appendix 4 on page 55 in the Public Accounts for the fiscal year 1924-25.

I am, Sir,

Your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Public Works Department.

DEPARTMENT OF PUBLIC WORKS, November 2, 1925.

SIR,—I regret that your letter of 6th May last has stood unanswered until the present.

The description of the transactions in this connection set out in the two earlier paragraphs of your letter quite agree with the entries in the books of this Department. The early history of the case is further explained by the following extract from a report addressed to me on 7th April, 1924, by the Chief Accountant of the Department:—

"When closing the accounts for the fiscal year 1894-95 the Chief Accountant of that day, the late Mr. O. Dionne, knowing that this work was to some extent experimental and might require extension or repair within the next few years, determined to leave the balance of \$2,989.16 in the special account to meet any payments that might be required for

CORRESPONDENCE—CORRESPONDANCE

such purposes, and thus obviate the necessity of going again to Parliament for a vote.

So far as I am able to find from the Departmental reports no further expenditure was ever called for on Revelstoke Revetment work. The balance of \$2,989.16 still remains at credit of the account in the books of this Department and the Finance Department. I shall be glad to have an instruction so that I may know how to comply with the request of the Department of Finance that the matter be discharged from the special account."

As a result of this report there arose a somewhat lengthened correspondence between the Chief Engineer of the Department and two of the District Engineers in British Columbia, during which it was brought out that a small repair to the value of \$564.69 had been executed upon this same work in the season of 1896-97, but its special nature not having been reported to the Accounts Branch the expenditure had not been debited to the Special Account which was being held in reserve for that very purpose. This item will be found in the Auditor General's Report 1896-97, p. Q. 151, under the appropriation "Harbours and Rivers, B.C. Generally". During the years 1899-1900 and 1900-01 the Government of the Province of British Columbia carried through work of the same nature at this point involving an outlay of \$33,107.53, one-half of which was repaid to that Government by this Department out of appropriations granted for that purpose.

On 7th February, 1923, the Board of Trade of Revelstoke had written the Department pointing out that the decay of the old protection works was permitting the Columbia River to make serious inroads upon valuable lands both within and adjacent to the City, and urging that immediate action be undertaken to obviate the danger of further loss. Departmental Engineers had thereupon been instructed to investigate. Preliminary reports in the summer of 1924 recommended the removal of a small wing dam which had been constructed some years ago by a private party without the permission of the Department, and this was done at a cost of \$171.12. On 20th January, 1925, the Chief Engineer finally reported recommending the construction of current-retarding works which when fully completed will cost about \$16,000.00. An appropriation of \$7,000.00 for the first section of these works was granted by Parliament at its last session, and plans are now being matured for carrying on the work within the current year. As it is not the intention to ask the Provincial Government to grant any further assistance it is proposed to make use of the balance lying at credit of the Special Account to supplement the Parliamentary appropriation when required.

The latter part of your letter expresses the opinion that when this Department made an expenditure of \$171.12 for the betterment of the protection works at Revelstoke and charged the same directly to the Special Account, it acted in contravention of Section 41 of the Audit Act which directs that "no cheque shall issue for the payment of any public money for which there is no direct Parliamentary appropriation". I would point out that the money standing in the special account has not been derived from the Consolidated Revenue Fund of Canada and is consequently not "public money" within the meaning and intention of the Audit Act.

In the past history of this Department it has frequently occurred that contributions have been received from a province, a municipality, or even a private corporation, as assistance toward the cost of some work which the Department was carrying through. The practice has been to treat such a contribution as a

PUBLIC WORKS—TRAVAUX PUBLICS

trust fund deposited with the Dominion for the purpose of assisting in an enterprise in which both parties were interested. In carrying out the purposes of that trust the Department has always been accustomed to draw against the special fund when and as required. The present is the first occasion in which an Auditor General has raised objection.

The Auditor General.

Vote N° 145—Magasin d'artillerie à Montréal: Intérêt sur versements en souffrance applicables au prix d'achat

BUREAU DE L'AUDITEUR GÉNÉRAL, le 10 décembre 1924.

MONSIEUR,—Je désire vous accuser réception de votre demande n° 622 en faveur de Grant Garage Limited et Paul Labadie, agent du ministre de la Justice, pour la somme de \$669.93, qui est l'intérêt sur les paiements différés des versements dus le 1er mai 1923 et le 1er mai 1924, et qui est imputable sur le crédit n° 145—Magasin de l'artillerie, Montréal.

Voici le compte:—

Intérêt sur paiements différés de 1923	\$294 67
Intérêt sur paiements différés de 1924	367 84
Intérêt sur \$367.84 au 9 décembre 1924	7 42

\$669 93

L'arrêté en Conseil touchant cette affaire ne mentionne pas directement l'intérêt sur les paiements différés des versements. Avant d'approuver cette demande je voudrais obtenir des renseignements supplémentaires au sujet de la réclamation ainsi qu'une copie du contrat de vente passé avec Grant Garage Limited.

Je constate en examinant les détails du compte qu'il y eut des délais considérables entre les dates de l'émission des chèques et les dates de paiement aux requérants.

Le 1er mai 1923, un chèque pour \$4,333.33 fut expédié par la poste à M. Labadie. Il effectua à même ce chèque un versement de \$1,264.67 le 5 juin et un versement de \$3,068.66 le 8 juin. Le 19 juin 1923, un deuxième chèque au montant de \$4,333.33 fut envoyé à M. Labadie qu'il paya le 6 juillet. Le 6 juillet un chèque pour \$17,333.34 lui fut envoyé. Il effectua à même ce chèque un versement de \$6,318.66 le 17 juillet et un autre versement de \$11,014.68 le 18 juillet. Des retards semblables sont constatés pour 1924. Des chèques furent expédiés par la poste à M. Labadie le 9 mai, le 7 juillet et le 28 juillet. Ces chèques furent payés le 20 mai, le 19 juillet et le 14 août, respectivement.

Si la Couronne est responsable des intérêts sur les paiements différés des versements, il me semble alors que l'on devrait prendre des mesures pour assurer un mode de paiement plus expéditif.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre des Travaux publics.

MINISTÈRE DES TRAVAUX PUBLICS, le 30 mars 1925.

MONSIEUR,—Nous avons bien reçu votre lettre du 10 décembre dernier concernant un paiement proposé de \$669.93, et j'inclus maintenant une copie certifiée des documents suivants:—

- (1) Contrat daté le 16 juin 1921, pour la vente de cette propriété à la Couronne.
- (2) Document daté le 2 mai 1921, en vertu duquel le Crown Trust Company accusa réception de \$10,000, de Grant Garage Limited, en décharge partielle de l'hypothèque.
- (3) Document daté le 9 août 1921, comportant un avis certifié à la Couronne de l'exécution de l'acte de transport décrit ci-après.

PUBLIC WORKS—TRAVAUX PUBLICS

- (4) Acte de transport, daté le 8 août 1921, par Grant Garage Limited, à la Société Nationale de Fiducie, de la somme de \$32,866.33, à même les \$72,000 dus par la Couronne à la première compagnie.

L'examen de ces documents fera voir que la question est quelque peu compliquée, et chaque année depuis l'origine de la transaction, un autre sujet de complication a surgi en conséquence du fait que le 1er mai à l'échéance des paiements annuels, le plein montant du crédit requis pour cette fin n'a pas été disponible.

Ceci expliquera pourquoi l'on a jugé qu'il convenait mieux de faire les différents paiements par l'entremise d'un agent du ministère de la Justice.

Les questions soulevées dans votre lettre sont soumises au sous-ministre de la Justice, tant pour établir jusqu'à quel point le contrat oblige la Couronne à payer l'intérêt, et savoir la raison pour laquelle l'agent à Montréal n'a pas payé plus promptement les différents versements qui lui ont été remis. Etant donné que cette enquête prendra peut-être quelque temps et que l'année financière tire à sa fin, je pense que la meilleure chose à faire serait d'annuler la demande n° 622 pour \$669.93 et de remettre à l'an prochain le paiement de l'arriéré des intérêts qui pourrait être dû. L'annulation laissera une balance dans le crédit de 1924-25 et je transmets par les présentes la demande n° 865 pour \$600, à être payés à la Crown Trust Company, à compte de la somme de \$1,050, qui sera due à cette compagnie pour l'intérêt couru durant les douze mois se terminant le 1er mai prochain. Bien que le plein montant de cette somme ne soit pas dû avant le 1er mai, la plus grande partie de ce montant est déjà accrue, et j'espère que vous ne trouverez pas d'obstacle à l'application de ces \$600 à même le crédit de 1924-25, comme paiement en acompte.

J. B. HUNTER, S.-M.

L'Auditeur général.

MINISTÈRE DES TRAVAUX PUBLICS, OTTAWA, le 9 juin 1925.

MONSIEUR,—Relativement à votre lettre du 10 décembre de l'an dernier et à ma réponse du 30 mars 1925 j'ai l'honneur de vous faire parvenir ci-joint:—

Copie de ma lettre au sous-ministre de la Justice du 24 avril contenant certains documents et lui soumettant les questions (1) et (2) y contenues.

Copie de la réponse du ministère de la Justice du 12 mai 1925 ainsi que d'une lettre de Paul Labadie, l'agent du ministre de la Justice, du 6 mai 1925.

Comme vous ne l'ignorez pas, en conformité de la convention du 1er mai 1925 des paiements considérables sont devenus échus mais comme seulement un sixième du crédit, c'est-à-dire \$4,166.66, avait été accordé à cette date, cette somme a été payée en acompte par l'émission n° 47 du 27 avril. Un autre crédit pour le même montant a été récemment voté mais en attendant le règlement des points soulevés dans votre lettre du mois de décembre dernier ce n'est pas notre intention d'effectuer d'autres paiements sur ce compte. Je vous envoie cependant, ci-incluse la demande de M. Paul Labadie, agent du ministre de la Justice, pour la somme de \$522.74 couvrant sa note pour services rendus au cours de l'été dernier. Cela exigera l'emploi d'une partie des fonds actuellement en mains et le solde peut rester disponible en attendant que le Parlement adopte un autre crédit pour couvrir tous les frais alors qu'il sera possible d'en arriver à un règlement final des sommes dues aux vendeurs et à leurs représentants.

J. B. HUNTER, S.-M.

L'Auditeur général.

CORRESPONDENCE—CORRESPONDANCE

MINISTÈRE DES TRAVAUX PUBLICS, le 24 avril 1925.

MONSIEUR,—Le 4 décembre dernier ce ministère a envoyé une demande à l'Auditeur général pour l'émission d'un chèque en règlement de l'intérêt dû sur des paiements différés aux vendeurs de la propriété susmentionnée. Jusqu'ici, le ministère était d'opinion que le contrat de vente nous obligeait à payer tel intérêt. Toutefois, cette opinion ne semblait pas satisfaire l'Auditeur général qui a écrit une lettre le 10 décembre dans laquelle il la mettait en doute. Copie de la lettre est ci-incluse.

En réponse, ce ministère a remis à l'Auditeur général une copie certifiée du contrat de vente original et des différents actes de transport, etc., qui s'y rapportent. On lui a promis en même temps que ce ministère soumettrait au ministère de la Justice la question d'établir si les conditions du contrat obligeaient le ministère à payer l'intérêt.

On constatera aussi que l'Auditeur général s'enquiert dans la dernière partie de sa lettre de la raison du retard apporté par l'agent du ministre de la Justice à payer aux parties intéressées certaines sommes d'argent qui lui furent remises à différentes époques.

J'inclus les documents suivants:—

Copie du compte de \$669.93 en règlement d'intérêt. C'est le document qui a été critiqué dans la lettre de l'Auditeur général en date du 10 décembre.

Copie du contrat original de vente daté le 16 juin 1921.

Copie de document notarié, daté le 2 mai 1921, signé par le Crown Trust Company, I. P. Rexford et autres.

Copie d'un document notarié, daté le 9 août 1921, signé par Victor Morin, notaire.

Copie de document notarié, daté le 8 août 1921, signé par Joseph-A. Peloquin, R. W. Grant et autres.

Je dois conséquemment demander que l'on me donne des réponses aux questions suivantes que je soumettrai à l'Auditeur général:—

- (1) Le contrat de vente oblige-t-il la Couronne à payer de l'intérêt (a) sur les paiements applicables au capital, différés au delà de la date de l'échange désignée dans le contrat, (b) sur les paiements d'intérêt différés au delà de la date de l'échéance?
- (2) Au cas où vous seriez d'avis que la Couronne est responsable pour l'intérêt accru, l'Auditeur général désire se faire expliquer la raison pour laquelle l'agent du ministère de la Justice a retardé de payer aux vendeurs l'argent qui lui avait été remis, tel que décrit dans la dernière partie de la lettre de l'Auditeur général—ce qui a apparemment engagé la responsabilité de la Couronne pour le paiement d'un intérêt excessif.

J. B. HUNTER, S.-M.

Le sous-ministre de la Justice.

MINISTÈRE DE LA JUSTICE, 12 mai 1925.

MONSIEUR,—Relativement à votre lettre du 24 du mois dernier et en réponse particulièrement aux paragraphes (1) et (2) de la deuxième page j'ai l'honneur de vous référer au paragraphe 4, à la quatrième page, et au paragraphe 1, à la sixième page, du contrat de transport, en date du 16 juin 1921, qui se lisent comme suit:—

PUBLIC WORKS—TRAVAUX PUBLICS

“Avec intérêt sur ledit solde ou aucune fraction dudit solde au taux de six pour cent par année à compter du 1er mai mil neuf cent vingt et un et payable annuellement le premier jour de mai de chaque année tous intérêts non payés portant intérêt au même taux.”

“Avec intérêt y compris tout solde impayé au même taux de six pour cent par année payable annuellement le premier jour de mai de chaque année, le premier paiement des intérêts devenant échu et payable le premier jour de mai mil neuf cent vingt-deux.”

Par conséquent, je suis porté à répondre affirmativement aux questions (a) et (b) de la sous-section (1).

Quant au paragraphe (2) je tiens à vous dire que j'ai reçu de notre agent, M. Paul Labadie, une lettre qui s'explique d'elle-même et dont je vous inclus ci-joint une copie. Vous y trouverez une explication du retard à remettre les chèques que je crois satisfaisante et j'attire votre attention sur le paragraphe 11 de sa lettre ainsi que sur les suggestions contenues en dernière page.

Veuillez trouver sous pli un reçu de La Société Nationale de Fiducie ainsi que l'état ci-annexé respectivement datés du 8 mai courant et du 20 avril 1925. Veuillez accuser réception.

Notre agent insiste fortement pour recevoir le montant de son compte—\$572.74—que j'ai eu l'honneur de vous transmettre dans ma lettre du 10 septembre 1924 accusant réception de votre communication du onze du même mois et je regrette d'avoir à vous dire que je suis réellement embarrassé pour lui donner une réponse satisfaisante vu que mes nombreuses lettres vous demandant d'effectuer ce paiement sont demeurées sans réponse.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

J. AD. RENAUD, *S.-M. adj.*

Le sous-ministre des Travaux publics.

MINISTÈRE DES TRAVAUX PUBLICS, 21 septembre 1925.

MONSIEUR,—Vous nous avez écrit le 10 décembre attirant notre attention sur le fait que l'arrêté en Conseil autorisant l'achat de la susdite propriété n'autorisait pas le paiement des intérêts sur le montant des versements en souffrance. Vous y parlez aussi de ce qui vous semble un retard excessif de la part de l'agent du ministre de la Justice à remettre à leurs destinataires les chèques qui lui avaient été remis à cette fin. Cette question a été soumise en temps voulu au ministère de la Justice et le 9 juin de la présente année notre sous-ministre vous a écrit pour vous donner connaissance de la réponse du sous-ministre de la Justice ainsi que d'une lettre explicative de M. Labadie. La lettre de notre sous-ministre dit en partie:—

“Un autre crédit a été récemment accordé mais en attendant le règlement des points soulevés dans votre lettre du mois de décembre dernier ce n'est pas notre intention d'effectuer d'autre paiement sur ce compte.”

Je ne vois pas que votre bureau ait répondu à cette lettre. Devons-nous en conclure que vous retirez maintenant les objections exprimées dans votre lettre du 10 décembre 1924? D'autres versements sont maintenant dus sur cette propriété et il est important que notre ministère sache exactement sous quelle forme vous êtes disposé à approuver ces paiements.

Votre obéissant serviteur,

A. G. KINGSTON, *comptable en chef.*

L'Auditeur général.

CORRESPONDENCE—CORRESPONDANCE

BUREAU DE L'AUDITEUR GÉNÉRAL, 23 septembre 1925.

MONSIEUR,—Relativement aux paiements en faveur de Grant Garage, Limited, en acompte sur l'achat de la propriété du garage Grant je constate que le ministère de la Justice vous a informé que la Couronne est responsable du paiement des intérêts sur le montant des versements échus et non payés aux dates déterminées dans le contrat ainsi que sur les intérêts non payés aux dates voulues. Nous abandonnons toute objection en ce qui concerne la légalité de ces paiements.

Vu qu'il n'y a eu aucune opposition au paiement des versements annuels à leur échéance je ne vois pas de raison pour retarder à vous acquitter de vos obligations sous ce rapport dès que les fonds nécessaires ont été mis à votre disposition.

Je demeure, monsieur, votre obéissant serviteur,
GEORGES GONTHIER, A.G.

Le sous-ministre des Travaux publics.

MINISTÈRE DES TRAVAUX PUBLICS, le 28 septembre 1925.

MONSIEUR,—J'ai bien reçu votre lettre du 2 juillet. A cette époque l'on croyait probable que l'on confierait d'autres travaux d'architecture à M. Lacroix, auxquels l'on pourrait appliquer l'excédent du paiement de l'année dernière. Toutefois, il devient évident qu'aucun travail de ce genre ne se fera cette année et une lettre a été aujourd'hui envoyée à Lacroix, dans laquelle on attire son attention sur le paiement en trop et on lui demande de rembourser le montant. L'Auditeur général adjoint.

On va donner suite à cette affaire jusqu'à ce que le compte ait été réglé.

J. B. HUNTER, S.-M.

Remarque de l'Auditeur général: Le remboursement n'a pas encore été reçu le 30 nov. 1925.

Vote 151—Fermes expérimentales, nouveaux bâtiments: Excédents de paiement apparents sur les bordereaux de paie pour la ferme de Brandon

BUREAU DE L'AUDITEUR GÉNÉRAL, le 23 mars 1925.

MONSIEUR,—Je désire attirer votre attention sur le bordereau de paie RW 60559, s'élevant à \$787.80, pour des travaux de construction et des réparations à la ferme expérimentale de Brandon.

Apparemment il semble que les hommes dont les noms suivent ont été payés en trop:

D. W. Lidster: temps enregistré, 168 heures; payé pour 248 heures;	
excédent de paiement pour 80 heures à 75c.	\$ 60 00
W. O. Borden: temps enregistré, 113 heures; payé pour 243 heures;	
excédent de paiement pour 130 heures à 65c.	84 50
Wesley Stewart: temps enregistré, 113 heures; payé pour 243 heures;	
excédent de paiement pour 130 heures à 60c.	78 00
A. Jaskow: temps enregistré, 45 heures; payé pour 129 heures;	
excédent de paiement pour 84 heures à 30c.	25 20

Excédent de paiement total apparent	\$247 70

Veuillez me donner votre explication de ces excédents de paiement apparents.

Je suis, monsieur,

Votre obéissant serviteur,

WM KEARNS, A.G. adj.

Le sous-ministre des Travaux publics.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 7 mai 1925.

MONSIEUR,—Le 23 mars je vous ai écrit afin d'attirer votre attention sur le bordereau de paie RW 60559 pour des travaux exécutés à la ferme expérimentale de Brandon. Ce bordereau contenait des excédents de paiement apparents s'élevant à \$247.70.

CORRESPONDENCE—CORRESPONDANCE

Je n'ai pas reçu de réponse à cette lettre.

Comme les comptes pour l'année financière vont être clos sous peu, je vous serais obligé si vous vouliez vous occuper sans délai de cette affaire.

Je suis, monsieur,

Remarque de l'Auditeur général: Le ministre n'a pas répondu à mes nombreuses demandes d'informations.

Vote N° 151—Fermes expérimentales, nouveaux bâtiments, etc.: Taxe de vente sur le bois de construction

BUREAU DE L'AUDITEUR GÉNÉRAL, le 26 mars 1925.

MONSIEUR,—Je désire attirer votre attention sur les pièces justificatives suivantes:

RW. 62272—Brunette Lumber Co. Ltd.	\$639 13
RW. 60606—McNair & Graham, Ltd.	59 28
RW. 60713—McNair & Graham, Ltd.	49 83
RW. 62817—McNair & Graham, Ltd.	99 33

Ces pièces confirment les achats de bois de construction et de diverses fournitures pour la ferme expérimentale d'Agassiz.

La Brunette Company a fourni du bois évalué à \$552.37 et la McNair and Graham, Limited, du bois évalué à \$171.72. Ces firmes ont reçu pour la taxe de vente sur le bois, au taux de cinq p. 100, la Brunette Lumber Company, \$27.62, et la McNair and Graham, \$8.59.

La taxe de vente telle que modifiée a fixé le taux sur le bois de charpente à 5 p. 100 sur 50 p. 100 de la valeur. Les montants exacts demandés devraient donc être de \$13.81 pour la Brunette Lumber Company, Limited, et \$4.30 pour la McNair and Graham, Limited.

Pourquoi a-t-on accordé la taxe de vente sur toute la valeur du bois lorsque les compagnies sont tenues de payer la taxe sur la moitié de la valeur seulement?

Je suis, monsieur,

Votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre des Travaux publics.

MINISTÈRE DES TRAVAUX PUBLICS, le 5 mai 1925.

MONSIEUR,—Votre lettre du 28 mars au sujet de la taxe de vente sur le bois de charpente met en doute l'opportunité de payer la taxe au taux de 5 p. 100, sur toute la valeur de certaines factures pour du bois fourni par la Brunette Lumber Company Ltd., de New Westminster, C.-B., et la McNair and Graham Ltd., de Rosedale, C.-B.

On m'informe que le règlement 14 ayant trait à la loi du revenu de l'Accise, lequel enjoint que la taxe soit calculée seulement au-dessus de 50 p. 100 du prix de vente, est applicable seulement au cas d'une vente par un mar-

chand de bois au consommateur. Quand le manufacturier perçoit directement la taxe du consommateur, elle s'élève à 5 p. 100 de toute la valeur. Cela a pris quelque temps avant d'obtenir les renseignements nécessaires, mais j'apprends maintenant par le ministère des Douanes que les deux firmes précitées manufacturent le bois de construction.

Port de Matane: Règlement de compte pour travaux exécutés à forfait par J. R. et J. E. Boulanger

BUREAU DE L'AUDITEUR GÉNÉRAL, le 6 mai 1925.

MONSIEUR,—Me référant à votre lettre du 29 écoulé demandant l'émission d'un chèque au montant de \$4,660.20 en faveur de J. R. Boulanger et J. E. Boulanger, entrepreneurs, pour la construction d'un quai à Matane, province de Québec, reliant le quai actuel de l'Etat au brise-lames occidental, et d'un pilotis protecteur le long du quai actuel de l'Etat à Matane, je constate que vous demandez de débiter de cette somme le dépôt de \$55,000, figurant aux comptes publics de 1924-25 au chapitre de Divers comptes courants, page 13.

Ce dépôt, je comprends, représente la contribution de la Hammermill Paper Company à la construction du quai de Matane; mais, vous ne l'ignorez pas, cette somme n'est pas un crédit parlementaire, et pour cette raison je ne puis ordonner de débiter ce compte de ce montant.

L'article 41 de la Loi du Revenu consolidé et de l'Audition stipule que l'Auditeur général doit veiller à ce qu'il ne soit émis aucun chèque pour lequel le Parlement n'a pas directement ouvert un crédit, ou pour le paiement de deniers outrepassant quelque partie de tel crédit.

La somme de \$55,000, que vous mentionnez, ne représente pas un crédit parlementaire.

Outre mon opposition à l'émission du chèque demandé à cause de l'absence du crédit nécessaire, je suis d'avis que la réclamation des entrepreneurs n'est pas bien fondée, parce que le paragraphe 21 du contrat stipule que les entrepreneurs porteront le risque et la responsabilité de toute perte ou dommage quels qu'ils soient, qui peuvent surgir au cours des travaux, etc., jusqu'à ce que les travaux soient définitivement acceptés par le ministre.

Je maintiens cette opinion nonobstant le fait que le Gouverneur en Conseil a approuvé l'élimination de cette clause du contrat.

Si on approuve la réclamation pour raisons de sympathie, je crois qu'on devrait la faire approuver par le Parlement en faisant porter ce crédit spécial au budget.

Vous trouverez ci-inclus votre demande.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre des Travaux publics.

CORRESPONDENCE—CORRESPONDANCE

MINISTÈRE DES TRAVAUX PUBLICS, le 29 mai 1925.

MONSIEUR,—J'ai l'honneur de vous accuser réception de votre lettre du 6 courant avec laquelle vous retournez la demande n° 48 de notre ministère concernant le paiement à MM. J. R. et J. E. Boulanger de la somme de \$4,660.20 en règlement final du prix de leur entreprise à Matane.

Votre opposition à l'approbation de cette demande semble s'appuyer sur deux raisons:

(1) Que l'article 41 de la Loi du Revenu consolidé et de l'Audition prescrit que l'Auditeur général doit veiller à ce qu'il ne soit émis pour le paiement de deniers publics aucun chèque pour lequel le Parlement n'a pas ouvert un crédit Vous trouverez ci-inclus copie de l'arrêté en Conseil du 14 août 1922, qui, vous le constaterez, autorise les améliorations de Matane et l'acceptation de la contribution de \$100,000 de la Hammermill Paper Company. Les \$55,000 figurant au "compte spécial de Matane" représentent le premier et le second versement de la Hammermill Paper Company. J'estime que votre opposition appuyée sur l'article 41 de la Loi du Revenu consolidé et de l'Audition est bien fondée. Il ne figure certainement pas au budget de la présente année de crédit intitulé "Port de Matane". En conséquence, j'ai modifié la demande n° 48 de façon à ce qu'elle soit imputable sur le crédit "Ports, réparations générales et améliorations, Québec". Cette modification fera disparaître la difficulté, en ce qui concerne la question de crédit, et la somme pourra ensuite être portée au compte spécial, conformément à la coutume suivie dans les cas de cette nature.

(2) Votre seconde objection provient de ce que le paragraphe 21 du contrat stipule que les entrepreneurs porteront le risque et la responsabilité de toute perte ou dommage, quels qu'ils soient. Vous ajoutez que vous maintenez cette opinion nonobstant le fait que le Gouverneur en Conseil a approuvé l'élimination de cette clause du contrat. . . . Permettez-moi de signaler que le contrat ne fut pas négocié par une autorité supérieure au Gouverneur en Conseil (C.P. 1343 du 27 juillet 1923). Ai-je raison d'assumer que vous soutenez que l'arrêté en Conseil primitif ne peut être modifié par la même autorité?

Je vous serais obligé si vous m'adressiez, le plus tôt possible, une réponse catégorique aux questions (1) et (2) précitées. Les entrepreneurs sont naturellement anxieux d'obtenir règlement.

J. B. HUNTER, S.-M.

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 12 juin 1925.

MONSIEUR,—Comme suite à votre lettre du 29 avril dernier demandant l'émission d'un chèque de \$4,660.20 en faveur de MM. Boulanger et Boulanger pour la construction d'un quai à Matane, je suis encore d'avis que la somme approuvée par décret ministériel en règlement de cette réclamation ne saurait être payée sauf avec l'autorisation de la Chambre des Communes, autorisation signifiée par un crédit spécial au budget.

Sans tenir nul compte du pouvoir légal du Gouverneur en Conseil de changer ou modifier les conditions d'un contrat dans l'intérêt de l'entrepreneur, je suis d'avis que le paiement de la réclamation en question aurait virtuellement l'effet

de détruire la protection quant au prix contractuel raisonnable visé par l'article 36 de la Loi des Travaux publics concernant la demande de soumissions.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre des Travaux publics.

Remarque de l'Auditeur général: Le compte a été imputé sur le crédit spécial n° 438 de 1925-26 et il a été payé.

Vote N° 170—Nouvelle coque pour le bateau-déblayeur Samson: Solde dû aux chantiers maritimes Star

MINISTÈRE DES TRAVAUX PUBLICS, le 5 juin 1925.

MONSIEUR,—J'ai reçu aujourd'hui une copie d'un arrêté en Conseil, daté le 29 mai, autorisant l'emploi du solde périmé du crédit n° 170 de 1924, "Nouvelle coque pour le bateau-déblayeur Samson"; l'emploi dudit solde étant permis jusqu'au 31 mai tel que stipulé par la Loi de l'Audition et ses modifications.

Le 23 mai nous avons transmis à votre bureau la requête n° 74 concernant le paiement d'une somme de \$7,597.20 à la Star Shipyard Company, et avons demandé que cette dépense soit portée au compte de ce solde de crédit dès que l'arrêté en Conseil serait adopté. J'espère que rien ne vous empêchera d'autoriser ce paiement à une date quelconque du mois de mai.

J. B. HUNTER, S.M.

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 6 juin 1925.

MONSIEUR,—Je vous accuse réception de votre requête n° 74 concernant le paiement d'une somme de \$7,597.20 à la Star Shipyard Co. Ceci représente le compte final soumis le 4 mai 1925 pour la nouvelle coque du bateau-déblayeur Samson, et il doit être porté au compte du solde périmé du crédit n° 170, dont l'emploi a été autorisé par l'arrêté du Conseil du 29 mai 1925 (C.P. 831).

Je constate que ce paiement de \$7,597.20 représente la garantie donnée, aux termes du contrat pour une période de six mois après l'acceptation des travaux complétés. Le travail a été accepté le 4 novembre 1924, et l'échéance du paiement final tomba le 4 mai 1925.

La législation qui autorise l'emploi de ce solde périmé stipule qu'il ne peut s'appliquer qu'à une dette en souffrance dûment encourue le ou avant le dernier jour de l'année financière.

Comme la somme en question n'était pas due à la Star Shipyard Company le 31 mars, puisque la période de la garantie ne s'est terminée que le 4 mai, je suis d'avis que le solde périmé du crédit n° 170, dont l'emploi fut autorisé par le C.P. 831, ne peut pas être affecté au paiement de ce compte.

Je vous retourne votre requête n° 74 avec les documents annexés.

Je suis, monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre des Travaux publics.

Remarque de l'Auditeur général: La requête n° 74 a été annulée. Cette somme a été votée de nouveau dans les crédits de 1925-26 et le paiement en question a été effectué.

CORRESPONDENCE—CORRESPONDANCE

Vote N° 170—Relevés et inspections: Remboursement des avances non appliquées

BUREAU DE L'AUDITEUR GÉNÉRAL, le 20 juin 1925.

MONSIEUR,—En 1905, à la suite d'une entente avec l'Auditeur général, votre ministère a établi la coutume suivante au sujet des avances pour frais de voyage: "Une avance limitée au montant absolument requis est faite lors de la première nomination d'un officier; chaque compte est payé au complet après attestation; à la fin de l'année financière, un chèque est émis sur les crédits de l'année-suivante et versé pour fermer le compte de l'année terminée."

Je suis d'avis que l'article 3, paragraphe 2 de l'amendement à la Loi du Revenu consolidé et de l'Audition (12-13 George V, ch. 15) rend nulle toute entente semblable entre le ministère des Travaux publics et l'Auditeur général. Tous les soldes entre les mains de quelque personne à la fin de l'année financière doivent, sous l'empire de la législation actuelle, être déposés au crédit du Receveur général.

Avant de faire une nouvelle avance à quelque personne, il faudrait un certificat émis par le chef de la division où travaille cette personne, disant qu'elle a droit à une avance, et limitant le montant qu'elle peut recevoir.

Je demeure, monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre des Travaux publics.

Transferts des dépassements de crédit de 1924-25 à l'année financière 1925-26

BUREAU DE L'AUDITEUR GÉNÉRAL, le 22 juillet 1925.

MONSIEUR,—Relativement au crédit n° 170 dans la Loi des subsides de l'année financière terminée le 31 mars 1925, dans lequel on trouve une clause disant: "Pour couvrir le solde de dépense pour ouvrages déjà autorisés pour lesquels les crédits peuvent être insuffisants, mais la somme requise pour l'un quelconque de ces ouvrages ne doit pas dépasser \$200, \$5,000", je constate que le montant total ainsi fourni a été dépassé de \$637.02.

Pour couvrir ce dépassement et apparemment pour éviter la nécessité de montrer un découvert dans votre compte de crédit pour l'année financière 1924-25, je vois que des chèques ont été tirés en faveur du Receveur général et portés au compte des montants disponibles de l'année courante et plus tard déposés au crédit des dépassements de 1924-25.

Il me semble que cette procédure est grandement répréhensible, et je serais heureux d'avoir de vous une explication à ce sujet.

Je demeure, Monsieur,

Votre obéissant serviteur,

WM KEARNS, A.G. *adj.*

Le sous-ministre des Travaux publics.

PUBLIC WORKS—TRAVAUX PUBLICS

BUREAU DE L'AUDITEUR GÉNÉRAL, le 23 septembre 1925.

MONSIEUR,—Je vous ai écrit le 22 juillet au sujet de transferts pour dépassements de crédits de 1924-25 à l'année financière 1925-26, et pour vous demander une explication.

Jusqu'à présent je n'ai reçu aucune réponse à cette lettre.

Je serais heureux de recevoir bientôt une explication de votre part.

Je demeure, Monsieur,

Votre obéissant serviteur,

WM KEARNS, A.G. adj.

Le sous-ministre des Travaux publics.

Remarque de l'Auditeur général: Aucune réponse n'a été reçue jusqu'à présent, ce 30 novembre 1925.

Compte spécial de la rivière Columbia

BUREAU DE L'AUDITEUR GÉNÉRAL, le 6 mai 1925.

MONSIEUR,—On a octroyé le crédit ci-contre dans le bill de fournitures pour l'année financière 1894-1895:—

Rivière Columbia—Mur de soutènement de la rive de Revelstoke et ses environs contre les affouillements, le Gouvernement local de la Colombie-Britannique contribuant de compte à demi. Déboursés à effectuer pour acquit de la répartition, \$5,000.

La contribution de \$5,000 de la part de la Colombie-Britannique a été déposée aux mains du Receveur général sous une rubrique spéciale intitulée: "Compte spécial de la Rivière Columbia". L'ensemble des déboursés de l'année pour cette entreprise se chiffre à \$7,010.84, dont \$5,000 ont été portés au crédit de cette subvention et considérés comme épuisant ce compte, les \$2,010.84 de supplément allant au débit du compte spécial. On s'est ainsi trouvé à la clôture des comptes de 1894-1895, à conserver un solde de \$2,989.16 constituant un avoir pour le compte spécial, ce solde restant intact jusqu'à février 1925, soit un laps de temps de trente ans ou près.

En février dernier, vous avez émis un chèque ou des chèques au chiffre de \$171.12 par votre lettre de crédit, cette somme étant dirigée directement au compte spécial. Je suis d'avis que le versement de cette somme à même le compte spécial vient à l'encontre de l'article 41 de la Loi du Revenu consolidé et de l'Audition qui défend d'émettre aucun chèque représentant une dépense non prévue par un vote direct de la Chambre.

Je suis d'avis qu'il est de mon devoir d'être mis au courant des raisons qui ont milité en faveur de la rétention sous une rubrique spéciale et pendant tant d'années, de ce solde impayé.

Il me semble également que vous devriez examiner la chose de concert avec le ministère des Finances en vue de trancher une fois pour toutes cette question des "\$2,989.16 affectés à la Rivière Columbia" inscrits comme compte provisoire, ainsi qu'on le constate à l'appendice 4, page 55 des Comptes publics pour l'année financière 1924-1925.

Je suis, Monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre des Travaux publics.

CORRESPONDENCE—CORRESPONDANCE

MINISTÈRE DES TRAVAUX PUBLICS, le 2 novembre 1925.

MONSIEUR,—Je regrette que votre lettre du 6 mai dernier soit, à date, restée sans réponse.

La relation des transactions y afférentes exposée dans les deux premiers alinéas de votre lettre concorde parfaitement avec les entrées des livres de ce ministère. Les origines de cette affaire prennent une lumière nouvelle du chef de l'extrait ci-contre d'un rapport adressé à moi-même le 7 avril 1924 par le comptable en chef du département:—

“En terminant les écritures de l'année financière 1894-1895, le comptable en chef d'alors, feu M. O. Dionne, sachant que les travaux en question comportaient une certaine proportion d'aléas et pouvaient dans un avenir rapproché exiger des développements ou des réparations, résolut de maintenir le solde de \$2,989.16 au compte spécial en vue de faire face aux déboursés que ces travaux éventuels pouvaient occasionner et d'éviter par là une autre demande de crédit au Parlement.

A ce que je puis savoir par l'examen des rapports départementaux, il n'a jamais été rien déboursé pour les travaux de revêtement de Revelstoke. Ce qui fait que le solde de \$2,989.16 demeure encore à ce jour au crédit de ce compte dans les livres de ce département et dans ceux du département des Finances. Je recevrai avec plaisir toute instruction à l'effet de me renseigner sur ce que je dois faire pour me conformer aux désirs du département des Finances et biffer cet item du compte spécial.”

Comme suite à ce rapport il y a eu échange de lettres pendant assez longtemps entre l'ingénieur en chef du département et deux des ingénieurs de district de la Colombie-Britannique, au cours de quoi il a été révélé que l'on avait effectué de légères réparations au coût de \$564.69 dans la saison de 1896-1897. Toutefois la nature véritable de ces réparations n'ayant pas été désignée pour la gouverne de la division des comptes, le déboursé n'avait pas été porté au débit du compte spécial qui pourtant avait été laissé ouvert en vue de cette éventualité même. Cet item se trouve dans le rapport de l'Auditeur général de 1896-1897, p. Q. 151 sous la rubrique “Ports et rivières, C.B., en général”. Pendant les années 1899-1900 et 1900-1901, le Gouvernement de la province de la Colombie-Britannique effectua à cet endroit des travaux similaires occasionnant une dépense de \$33,107.53 dont la moitié a été remboursée à ce Gouvernement par notre département à même les crédits octroyés à cette fin.

Le 7 février 1923, la Chambre de Commerce de Revelstoke avait écrit au département l'informant que vu le délabrement des anciens travaux de revêtement, la rivière Columbia envahissait de façon sérieuse des terrains d'une valeur réelle tant à l'intérieur de la ville même que dans ses environs, et demandant instamment une intervention immédiate en vue d'éviter des pertes plus considérables. Sur quoi on avait donné instruction aux ingénieurs du département d'examiner la situation. Or des rapports préliminaires expédiés dans l'été de 1924 recommandaient l'enlèvement d'une digue latérale de peu d'étendue construite il y a un certain nombre d'années par un particulier hors la connaissance du département et au coût de \$171.12. Le 20 janvier 1925, l'ingénieur en chef dans un rapport définitif recommanda la construction de brise-lames dont le coût total devait atteindre environ \$16,000.00. Le Parlement à la dernière session, vota une somme de \$7,000.00 pour effectuer la première partie des travaux, et maintenant les plans sont au point pour mener ces derniers à bien dans le cours de l'année. Comme on ne se propose pas de demander au Gouvernement pro-

PUBLIC WORKS—TRAVAUX PUBLICS

vincial d'autre octroi, on prévoit l'utilisation du solde demeuré au crédit du compte spécial en vue de supplémer le crédit de la Chambre à l'occasion.

La dernière partie de votre lettre émet l'idée que ce département, en déboursant \$171.12 pour l'amélioration des travaux de soutènement de Revelstoke et en portant cette somme directement au débit du compte spécial, contrevenait à l'article 41 de la loi de l'Audition qui dit que "nul chèque ne doit être émis représentant une dépense non prévue par un vote spécifique du Parlement". Je désire soumettre que l'argent apparaissant aux Comptes publics ne provient pas du fonds du Revenu Consolidé du Canada et ne se trouve donc pas constituer "de l'argent public" au sens et selon l'esprit de la loi de l'Audition.

Il est souvent arrivé dans le passé que ce département ait reçu des contributions d'une province, d'une municipalité ou même d'une corporation privée à titre de quote-part pour défrayer le coût d'une entreprise poursuivie par le département. La coutume s'est établie de considérer cette contribution comme constituant un dépôt en fiducie confié au Gouvernement en vue de coopérer à la conduite d'une entreprise commune aux deux parties. Or en donnant effet aux fins de ce dépôt le département a toujours accoutumé de tirer à même le fonds spécial quand et comme il lui paraissait opportun de le faire. C'est la première fois qu'un Auditeur général s'y oppose.

J. B. HUNTER, S.M.

L'Auditeur général.

CORRESPONDENCE—CORRESPONDANCE

Vote 115—Welland Canal, Capital: Port Colborne Elevator Extension

AUDITOR GENERAL'S OFFICE, September 17, 1925.

SIR,—I find the amount charged to this appropriation for the fiscal year 1924-25 to be \$426,596.74, whereas the amount voted by Parliament is \$425,000; consequently, the appropriation is overdrawn to the extent of \$1,596.74.

In the course of the examination of the Welland Canal Port Colborne Elevator accounts for the months of December, 1924, and January to March, 1925, it was found that several accounts were charged to "Repairs" which, from their nature, it would appear should be charged to "Capital, Port Colborne Elevator Extension." The accounts in question, to the amount of over \$6,000, are for such items as grain trippers, belt conveyor fittings, shafts, bearings and other material which evidently should be charged to "Capital".

It is also noted that a portion of the paylists was charged to "Capital" up to December, 1924, amounting to \$18,907.73, but subsequently there was no similar charge to "Capital".

I shall be obliged if you will explain the excess of expenditure over the grant made for the appropriation "Port Colborne Elevator, Extension", and also the reason for apparently charging to "Repairs", expenditure for which that grant was not intended to provide.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Railways and Canals Department.

DEPARTMENT OF RAILWAYS AND CANALS, September 22, 1925.

DEAR SIR,—With reference to your letter of September 17th, re Vote No. 115, 1924-25, Welland Canal Capital, Port Colborne Elevator Extension—\$425,000, the overdraft of this appropriation was provided for under Vote No. 421, Supplementary Estimates 1925-26, but, as these Supplementary Estimates were not made available until June 27th, 1925, it was impossible to put through the usual clearance of an item of this nature within the fiscal year 1924-25.

The amount of the overdraft has subsequently been charged up against Vote No. 421, 1925-26, and a corresponding credit placed against previous year's expenditure.

The following are probably the items mentioned in your letter which were charged to "Repairs" but from their nature you think should be charged to "Capital":

Dept'l Vr. No.	Dept'l Cheque No.	Appl'n No.	Covering	Amount

RAILWAYS AND CANALS—CHEMINS DE FER ET CANAUX

It is desirable that these items be finally charged against "Capital" expenditure, and Vote No. 421, Supplementary Estimates, 1925-26, was provided for this purpose, but, as explained above, due to this Supplementary Estimate not having been made available within the time allowed under the Audit Act for the closing of the 1924-25 accounts, it was found impossible to adjust as had been intended. The circumstances under which these amounts became located under the Revenue Vote are as follows: During the latter part of the calendar year 1924, the Superintending Engineer of the Port Colborne Elevator made representations that the cost of the extension might exceed the Vote, and a Supplementary Estimate relative to 1924-25 was proposed at that time. Departmental consideration of the item induced an opinion from an officer of the Department that a possibility existed that items totalling ten or twelve thousand dollars, which had been paid out of the Capital Vote might more properly have been charged against the Revenue Vote, and on this assumption the request for the Supplementary Estimate at that time was dropped, and, while waiting the result of re-examination of the accounts that had previously been paid out of the Capital Vote, permission was given that the outstanding accounts in connection with construction be paid from the Revenue Vote, it being intended that an adjustment would later be made between the two Votes. Subsequent investigation, however, proved that the amounts that had been charged against the Capital Appropriation were all quite proper, and the Supplementary Estimate now represented by Vote No. 421 was accordingly provided. Had this Vote been passed prior to May 30th, the Department would have been able to request transfer of the amount of \$6,919.44 from out the Revenue Vote, as a charge against the Capital Supplementary, which would have adjusted the accounts properly.

From the Departmental point of view, we would be able to adjust by charging against the Capital Vote the amount above mentioned and depositing the resulting credit to "Collection of Revenue, Previous Year's Expenditure"; but, under existing regulations, we understand that we are not permitted to do this, as credits affecting previous year's Revenue Votes may only be deposited to the Credit of Casual Revenue, and I would, therefore, appreciate your advice as to the possibility of permission being afforded that the credit above mentioned be placed as affecting "Collection of Revenue Previous Year's Expenditure".

With respect to the question that a portion of the paylists was charged to "Capital" up to December, 1924, I may advise that the service charges to "Capital" were practically all completed during the month of November. You will observe that the amount charged in December for "Personal Services" was very small.

Yours faithfully,

G. A. BELL, D.M.

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, September 29, 1925.

SIR,—With further reference to my letter of the 17th, inst, and your reply thereto of the 22nd inst., in which you state that the amount of the overdraft of the appropriation for Welland Canal, Capital, Port Colborne Elevator Extension, 1924-25, has subsequently been charged against Vote No. 421, 1925-26, I beg to state that no such charge has been made in the books of this Office.

CORRESPONDENCE—CORRESPONDANCE

With regard to the amount, \$6,919.44, which was charged to "Collection of Revenue" in 1924-25 and which was properly chargeable to "Capital", you suggest that this entry might be adjusted by charging the amount to "Capital", 1925-26.

If your suggestion were adopted it would virtually result in the transfer of the amount in question from an appropriation of one year to that of a succeeding year and in view of the fact that the accounts for the fiscal year 1924-25 have been closed for some time such a transfer may not be made.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Railways and Canals Department.

DEPARTMENT OF RAILWAYS AND CANALS, October 23, 1925.

DEAR SIR,—With reference to your letter of September 29th, in which you advise that, in view of the fact that the accounts for the fiscal year 1924-25 have been closed for some time, the requested transfer may not be made.

I am obliged to assume that, notwithstanding the provision of Vote No. 421, 1925-26, the logical correction of the 1924-25 accounts may not be made as a matter of appropriation accounting. I desire in this connection to bring your attention to this situation being occasioned by the amendment to Section 50 of the Consolidated Revenue Audit Act made under Chapter 15, Statutes of Canada, 1922. It appears that the two month's period allowed for the closing of appropriation accounts after the close of any fiscal year may not be a sufficient length of time to permit of the closing of the accounts properly in cases where supplementing appropriations have been provided for that purpose.

Yours faithfully,

G. A. BELL, D.M.

The Auditor General.

Vote 113—Ste. Anne's Lock: Highway Bridge at Isle Perrot

AUDITOR GENERAL'S OFFICE, March 26, 1925.

SIR,—I have your application No. 466, of the 20th inst. in favour of the Department of Public Works and Labour of the Province of Quebec, for the sum of one hundred thousand dollars, being a contribution of the Dominion Government towards the cost of the construction of a highway bridge between Ste. Anne and Isle Perrot, over the Ottawa River, as authorized by Order in Council, P.C. 2185, dated December 22nd., 1924, and as provided in the Supply Bill of the current fiscal year under Vote 113, \$100,000.

The Order in Council directs that in consideration of the said grant of one hundred thousand dollars, as above mentioned, or any portion thereof as may be paid, the Government of the Province of Quebec shall,—

- (a) Assume and be responsible for the full cost of the maintenance and operation of the said bridge for all time and shall indemnify and save

RAILWAYS AND CANALS—CHEMINS DE FER ET CANAUX

harmless the Dominion Government against all claims at any time arising on account of the construction, maintenance or operation of the said bridge;

- (c) Enter into a lease to be granted by the Dominion Government for the right and privilege to construct and maintain and operate the said bridge on and over the property of the Dominion Government, at such points and places as such bridge be constructed on or over such Dominion Government property, and as shown on said plan hereto annexed; such lease to be for the term of twenty-one years, renewable for two further terms of twenty-one years each, at the annual rental of One Dollar (\$1.00) and to embody provisions for the indemnifying by the Province of the Dominion Government against all claims arising on account of the construction, maintenance or operation of the said bridge on and over Dominion lands and waters, including a provision of an indemnity to the Dominion Government on account of any damage or injury to its property and works in any manner arising on account of such construction, maintenance or operation of the said bridge, as the case may be;
- (d) Accept, by Order in Council, the conditions above set out on the part of the Government of the Province to be observed, performed and complied with.

Please let me know if the Government of the Province of Quebec has complied with the provisions of the Order in Council referred to above; if so, I shall be obliged if you will send me a copy of the Order in Council referred to in section (d) together with a copy of the lease referred to in section (c) of the said Order in Council.

I have the honour to be, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Railways and Canals Department.

DEPARTMENT OF RAILWAYS AND CANALS, March, 28, 1925.

DEAR SIR,—In reply to yours of the 26th inst., I enclose:—

- (1) Copy of translation of Province of Quebec Order in Council of January 31, 1925.
- (2) Copy of Dominion Order in Council, P.C. 220, of February 11, 1925.

You will observe that these Orders dispose of the question of the compliance of the Province of Quebec with the provisions of the Order in Council of December 22, 1924.

The \$50,000 remaining of the subsidy is provided for under Vote 113, Main Estimates 1925-26, of which amount one-sixth has already been voted.

The lease which embodies all the conditions set forth in section "C" of Order in Council of December 22nd, 1924, as modified by Order in Council of February 11, 1925, is waiting completion, which will be obtained immediately after the voting of the, as yet unvoted, five-sixths of the \$50,000. In the

CORRESPONDENCE—CORRESPONDANCE

interval, this Department proposes to hold the \$100,000 which we have applied for in order that the cheque may be issued before the lapse of the current fiscal year's appropriation of the \$100,000.

Yours faithfully,

G. A. BELL, D.M.

The Auditor General.

NOTE BY A.G.—The lease referred to above was received at the Auditor General's Office on July 25, 1925 and the cheque for \$100,000 released to the Province of Quebec on August 15, 1925.

Copy of a Report of the Committee of the Honourable the Executive Council dated January 30, 1925, and approved by the Lieutenant Governor on January 31, 1925

1. The Honourable the Minister of Public Works and Labour, in a report dated January 30, 1925, states: that the second bridge at Isle Perrot on the Ottawa River, between Ste. Anne and Isle Perrot, is actually under construction;

2. That preliminary conferences had been held with the Federal Government in regard to a subsidy from the Federal Government towards the cost of building this bridge;

3. That it was agreed that this subsidy would be \$150,000, provided the Government of this Province pay a part of the net receipt proportionate to the subsidy on the cost as a percentage;

That on December 30, 1924, the Secretary to the Minister of Railways and Canals, transmitted to the Honourable Minister Order in Council, P.C. 2185, approved by the Governor General on the 22nd, of same month, stating that Parliament at Ottawa had voted \$100,000 only, for the construction of the bridge in question and were prepared to pay this amount in proportion to the advancement of the work as stipulated in conditions a, b, c and d paragraphs of Article 2 of the said Order;

That the Honourable Minister appears, according to correspondence on file, to have on January 16, 1925 made further representations to the Federal Authorities asking them to amend said Order in Council so that said subsidy be brought up to \$150,000 as agreed on, with certain modifications regarding reimbursement and tolls on this bridge;

That on January 23, 1925, the Minister of Railways and Canals replied to the effect that he had placed an item, for \$50,000 in the Estimates to be voted on this year, by Parliament, which added to the \$100,000 already voted would total \$150,000. Referring to the collection of tolls for use of the bridge when completed he said his department would be inclined to seek authority from the Governor in Council to waive all rights or claims to the tolls collected, his department being disposed to amend the said Order approved by the Governor General on December 2, last, eliminating therefrom all claims or rights to toll collection, leaving the question entirely in the hands of the Provincial Government and its sole interests.

Therefore the Honourable Minister recommends that the Order adopted by the Governor General in Council on December 22, be approved with the following amendments:—

1. That the contribution from the Federal Government be raised to \$150,000 payable in proportion to the advancement of the work;

2. That the Federal Government renounce, under conditions and privileges stipulated in paragraph b of said Article 2 of the said Order in Council and that the said paragraph be cancelled, the conditions enumerated in paragraphs a, c and d of the same Order in Council being accepted by the Provincial Government.

A. MORISSET.

Clerk, Executive Council.

Certified copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 11th February, 1925

The Committee of the Privy Council have had before them a report, dated 7th February, 1925, from the Minister of Railways and Canals, representing that, by an Order in Council of the 22nd of December, 1924 (P.C. 2185) authority was given for the payment of the sum of \$100,000 (voted under the Statutes of Canada, 1924, Chapter 75, Appropriation Act No. 3, Item 113) to the Government of the Province of Quebec towards the cost of the construction

RAILWAYS AND CANALS—CHEMINS DE FER ET CANAUX

of a high level bridge now being erected between Ste. Anne and Isle Perrot; payment of such sum to be made upon certain conditions, including one to the effect that the Government of the Province of Quebec shall collect tolls for the use of the said bridge, and from year to year, until such time as the Dominion Government may consent to the abolition of the tolls, pay each year to the Department of Railways and Canals a sum not less than one-quarter of the net tolls, after bridge maintenance charges only, for each year, have been deducted from the yearly gross charges collected.

The Minister states that the Provincial Government of Quebec was asked to have an Order in Council passed accepting all the terms and conditions of the payment as set out in the above mentioned Order in Council of the 22nd of December, 1924, and, in reply, the Provincial Minister of Public Works and Labour, under date the 16th of January, 1925, has made the following representations:—

"I note this Order in Council refers to a contribution of only \$100,000.00 by the Federal Authorities; according to this payment, the Provincial Government would have to pay the Federal Government a minimum of $\frac{1}{4}$ of the net revenue obtained from the tolls collected on this bridge.

Will you allow me to call your attention to the fact that, in a letter dated the 28th of April, 1921, the Honourable J. D. Reid, then Minister of Railways and Canals, informed us he was ready to contribute to the extent of \$150,000.00 towards the cost of the bridge, whether it be a high or a low level bridge, free to share in the revenues in proportion to the contribution.

On the 4th of June, 1921, in a memo you addressed to us, the Federal Government ratified the promise made by the Honourable Mr. Reid.

The Chief Engineer of the Provincial Department of Public Works and Labour informs me that the cost of the bridge will not be less than \$540,000.00.

The Provincial Government, according to the terms of the Order in Council, would assume not only the full cost of the maintenance, but also all responsibility as well as any damage that might arise due to the carrying out of this construction.

I further note that the Government of this Province could not abolish the tolls on this bridge without having previously obtained permission from the Federal Authorities.

I would ask you to again submit this question, so that the contribution from the Federal Government would be \$150,000.00, as promised; that its share in the revenues be proportioned to its contribution in consideration of the cost of the undertaking and that the Provincial Government, which shall be more interested in the maintenance of the tolls than the Federal Government, should not be obliged to obtain permission from Ottawa, should it deem fit, at a later date, to recommend the abolition of such tolls."

The Minister observes that the sum of \$50,000.00 has been placed in the Estimates to be placed before Parliament during the present session, being the balance of the contribution proposed to be made by the Dominion Government towards the construction of the bridge in question.

The Minister recommends, in view of the above and on the advice of the Deputy Minister of Railways and Canals, that the said Order in Council of the 22nd of December, 1924, be amended to the effect, only, of omitting the provisions with reference to the payment to the Department of Railways and Canals of a portion of the tolls collected for the use of the said bridge and to the necessity of the consent of the Dominion Government being obtained for the abolition of the tolls.

The Committee concur in the foregoing recommendation and submit the same for approval.

E. J. LEMAIRE,

Clerk of the Privy Council.

Payment from Suspense Account

AUDITOR GENERAL'S OFFICE, April 29, 1925.

SIR,—I have received from the Department of Finance an application for the issue of a cash certificate in favour of your Department for the sum of \$10,187.00, being the amount of certain cheques which were transmitted by you to the Department of Finance in February last and placed to the credit of a

CORRESPONDENCE—CORRESPONDANCE

"Suspense Account". These cheques were received by you from four insurance companies, in settlement of damages done by fire to shed No. 2 on the Lachine Canal.

From a letter received at this office from Mr. MacLennan, Assistant Comptroller, I learn that as the repairs to the shed were not completed during the fiscal year 1924-25 the amounts recovered from the insurance companies were deposited in "Suspense Account" until such time as the cost of the repairs executed in 1924-25 could be determined. It is now desired by you that this amount be released in order that you may apportion it between the 1924-25 and the 1925-26 appropriations as refunds on account of the cost of the repairs.

As these funds have been already placed to the credit of the Receiver General, I would suggest that, instead of withdrawing this amount from the Suspense Account and redepositing it to the credit of the appropriations for 1924-25 and 1925-26, you make application for a transfer entry debiting Suspense Account with the whole amount and crediting the appropriations for the two fiscal years with the amounts apportioned to them respectively. This method of adjusting the deposit would avoid the issue of a cheque, which, it appears to me, might be a contravention of section 42 of the Consolidated Revenue and Audit Act, which provides that no cheque for public money shall issue except upon the certificate of the Auditor General that there is parliamentary authority for the expenditure.

I am Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

W. V. COPE, Comptroller, Railways and Canals Department.

NOTE BY A.G.—Adjustment of above amount has been made by transfer entries debiting Suspense Account and crediting Lachine Canal Repairs appropriation 1924-25 with the sum of \$4,608.24 and 1925-26 with the sum of \$5,578.76.

Cancellation of a Debt due the Crown

AUDITOR GENERAL'S OFFICE, December, 18, 1924.

SIR,—I desire to call your attention to an Order in Council, P.C. 2131, of December 9th, 1924, with reference to a certain lease dated the 1st of January, 1851, granted to Mr. John L. Ranney for the use of surplus water on the Old Welland Canal.

It appears that, by a series of assignments, this lease has come into the possession of the Welland Vale Manufacturing Company, which company has for many years used a larger quantity of water than it was entitled to under the said lease; that on the books of the Department the arrears of rental to the 30th June, 1921, due by the company have been charged to the amount of \$24,796; that since 1911 negotiations have been carried on with the company with a view of arriving at a settlement of the question but without success.

According to the provisions of the said Order in Council it is now proposed to grant to the Company a new lease under the terms of which the lessee is to pay for all water used up to the 31st December, 1923, the sum of \$17,410, and as a compromise, to cancel all accrued arrears for rental under the said lease of the 1st of January 1851, shown on the books of the Department not liquidated by the amount already paid in by the company, in settlement of arrears due by them.

RAILWAYS AND CANALS—CHEMINS DE FER ET CANAUX

The proposed settlement with the Welland Vale Manufacturing Company appears, to all intents and purposes, to be a cancellation of a debt due the Crown and as I am not satisfied that it is competent to the Governor in Council to authorize such cancellation without specific Parliamentary authority I shall be obliged if you will give this matter your early consideration and let me have your views respecting the point in question.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Railways and Canals Department.

DEPARTMENT OF RAILWAYS AND CANALS, February 19, 1925.

DEAR SIR,— Referring to your letter of the 18th of December 1924, in which, with reference to Order in Council P.C. 2131, you state that the settlement set out therein appears to all intents and purposes to be a cancellation of a debt due to Crown.

In reply, I have to say that P.C. 2131 sets out that arrears of rental have been charged to the amount of \$24,796.00 to the 30th of June, 1921. This total is made up of two distinct classes of charges as follows:—

- (a) Rental at \$260.00 per annum under lease No. 2493.
- (b) Charges for power in excess of that authorized by Lease No. 2493, assumed to have been used at the same site, but which Lease No. 2493 did not anticipate and for which it makes no provision as to rates to be charged, etc.

These charges were based on a memorandum from the Chief Engineer which took advantage of all the information that could be obtained, but which necessarily charged the company in a somewhat arbitrary manner for the use of certain blocks of power in excess of that authorized by Lease No. 2493. These blocks of power were then assessed (again arbitrarily) at various rates for various years resulting in the charges herein classified under sub-section (b).

The question arises as to whether charges based on a memorandum and written into the books of the Department constitute a debt due the Crown. It is also questionable whether, in view of Order in Council of December 16, 1911, there was any competent authority for writing into the books of the Department any charge under Lease No. 2493 after December 31, 1911.

P.C. 2131 also refers to dispute between the Lessee and the Department as to the quantity of water used in the past. Departmental officials were of the opinion that use of excess water had been made previous to 1900.

P.C. 2131 also refers to compromise reached with the Company in 1910. Any compromise was by reason of the indefiniteness as to the extent of use of excess horse power.

Such compromise could have been made by holding to the full charge of \$24,796.00 and by granting the new lease at terms very much less favourable than have been arrived at. But such procedure would have been contrary to the public interest inasmuch as it would have subsequently embarrassed the Department in arranging equitable terms with respect to similar leases in future.

Yours faithfully,

G. A. BELL, D.M.

The Auditor General.

CORRESPONDENCE—CORRESPONDANCE

Vote 115—Canal Welland, capital: agrandissement de l'élévateur de Port-Colborne

BUREAU DE L'AUDITEUR GÉNÉRAL, 17 septembre 1925.

MONSIEUR,—Je constate que le montant affecté à ce crédit pour l'année financière 1924-25 est de \$426,596.74, tandis que le montant voté par le Parlement est de \$425,000; en conséquence le crédit a été dépassé jusqu'à concurrence de \$1,596.74.

En examinant les comptes s'appliquant à l'élévateur de Port-Colborne sur le canal Welland, pour le mois de décembre 1924 et de janvier à mars 1925, je constate que plusieurs comptes sont imputés à l'entrée "Réparations" et qui devraient, de par leur nature, être portés au compte de l'agrandissement de l'élévateur de Port-Colborne, dépense imputable sur le capital. Les comptes en question comportent une somme d'au delà de \$6,000, et couvrent des articles comme des buses et accessoires de transporteurs, arbres de couche, paliers et autres matériaux qui évidemment devraient être imputés sur le "capital".

On a remarqué aussi qu'une partie des bordereaux de paye a été imputée sur le "capital" jusqu'au mois de décembre 1924, pour une somme de \$18,907.73, mais après cette date aucune entrée de ce genre n'a été faite au compte "capital".

Veillez avoir l'obligeance d'expliquer pourquoi le crédit accordé par le Parlement pour l'agrandissement de l'élévateur à Port-Colborne a été dépassé, et aussi la raison pour laquelle on a porté au compte des réparations des dépenses qui ne sont pas destinées à entrer sous cette rubrique.

Je demeure, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adjoint.*

Le sous-ministre des Chemins de fer et Canaux.

MINISTÈRE DES CHEMINS DE FER ET CANAUX, 22 septembre 1925.

CHER MONSIEUR,—En réponse à votre lettre du 17 septembre, au sujet du crédit n° 115 de 1924-25, agrandissement de l'élévateur de Port-Colborne, imputable sur le "capital" du canal Welland, au montant de \$245,000, le surplus de dépense a été couvert par le crédit n° 421 dans le budget supplémentaire 1925-26; mais comme ce supplément n'a été mis à notre disposition que le 27 juin 1925, il a été impossible de l'appliquer de la manière ordinaire durant l'année financière 1924-25.

Le surplus de dépenses a été porté plus tard au compte du crédit n° 421, 1925-26, et une entrée correspondante a été faite pour les dépenses de l'année précédente.

Voici probablement les rubriques mentionnées dans votre lettre qui ont été imputées aux "réparations" et qui, de par leur nature, devraient être portées au compte du "capital":—

Département		No de la demande	Objet	Montant
No de la pièce	No du chèque			
2951	33725		Comptes d'octobre.....	\$ 50 02
2953	33726-33741		".....	2,809 90
3102	34363-34389		Paye de décembre.....	164 42
3245	35956-35972		Comptes de décembre.....	3,547 90
3353		427	Banque de Montréal, pour rembourser montant sur paye de janvier.....	5 40
3413	37846-37865		Comptes de janvier.....	341 80
				\$ 6,919 44

RAILWAYS AND CANALS—CHEMINS DE FER ET CANAUX

Il est désirable que ces dépenses soient portées finalement au compte du capital, et le crédit n° 421 dans le budget supplémentaire de 1925-26 était destiné à cette fin; mais, comme je l'ai expliqué plus haut, ce budget ayant été libéré par le Parlement après la clôture des comptes de 1924-25 en vertu de la Loi de l'Audition, il a été impossible de donner suite à notre intention. Les circonstances qui ont fait imputer des dépenses sur le compte du revenu sont les suivantes: Durant la dernière partie de l'année civile 1924, l'ingénieur surveillant à l'élevateur de Port-Colborne a fait remarquer que le coût de l'agrandissement dépasserait peut-être le crédit voté, et on a proposé alors d'avoir un crédit supplémentaire devant s'appliquer à l'année 1924-25. Après étude par le département, un officier du département a émis l'opinion que des dépenses s'élevant entre dix et douze mille dollars et imputées sur le compte du capital, pourraient plus justement être portées au compte du revenu, et d'après cette hypothèse, la demande d'un crédit supplémentaire a été laissée de côté; et en attendant le résultat de la vérification des comptes qui avaient été payés sur le crédit relatif au capital, on a donné la permission de payer les comptes en souffrance relatifs à la construction sur le crédit relatif au revenu, avec l'intention de rajuster plus tard les entrées dans les deux comptes. Plus tard, cependant, on a constaté que les montants en question devaient être portés au compte du capital, et en conséquence le budget supplémentaire représenté par le crédit n° 421 a été destiné à cette fin. Si ce crédit avait été adopté avant le 30 mai, le département aurait pu opérer le virement de la somme de \$6,919.44 du compte du revenu au compte du capital, ce qui aurait réglé convenablement la question.

De l'avis du département, nous pourrions rajuster ces comptes en portant le montant ci-dessus mentionné au compte du capital, et en déposant le montant ainsi disponible au crédit de "Perception du revenu, dépenses de l'année précédente", mais, d'après les règlements actuellement en vigueur, nous comprenons que cela n'est pas possible, vu que les crédits relatifs aux montants votés dans l'année précédente ne peuvent être déposés qu'au crédit du revenu casuel. En conséquence nous demandons votre avis sur la possibilité de transférer le montant mentionné sous la rubrique: "perception de revenu, dépenses faites durant l'année précédente".

Quant à la question d'une partie du bordereau de paye portée au compte du capital jusqu'au mois de décembre 1924, je puis dire que les frais de service imputables sur le capital sont pratiquement disparus durant le mois de novembre. Vous remarquerez que le montant porté pour le mois de décembre est entré sous la rubrique: "services personnels", et est peu élevé.

Bien à vous,

G. A. BELL.

L'Auditeur général adj.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 29 septembre 1925.

MONSIEUR,—Faisant suite à ma lettre du 17 courant et à votre réponse du 22 courant dans laquelle vous déclarez que le montant du découvert du crédit voté pour le canal Welland, à compte du capital, pour l'agrandissement de l'élevateur de Port-Colborne, 1924-25, fut subséquemment débité du crédit 421, 1925-26, permettez-moi de dire qu'aucune écriture de ce genre ne figure dans les livres de notre bureau.

Quant à la somme de \$6,919.44, débitée à la "perception du revenu" en 1924-1925 et qui régulièrement aurait dû être débitée au "Capital", vous suggérez que les écritures pourraient être rectifiées en débitant cette somme au capital, 1925-1926.

CORRESPONDENCE—CORRESPONDANCE

Si l'on adoptait votre suggestion il en résulterait virtuellement le transport de la somme en question des crédits d'une année à ceux de l'année suivante; vu que les comptes de l'année financière 1924-25 sont clos depuis quelque temps ce transport ne saurait se faire.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre des Chemins de fer et Canaux.

MINISTÈRE DES CHEMINS DE FER ET CANAUX, le 23 octobre 1925.

MONSIEUR,—Permettez-moi de référer à votre lettre du 29 septembre, dans laquelle vous dites que, vu la clôture depuis quelque temps déjà des comptes de l'année financière 1924-25, le transport demandé ne saurait être fait.

Je suis forcé de supposer que, nonobstant l'affectation du crédit n° 421, 1925-26, la correction logique des comptes de 1924-25 ne peut se faire dans les écritures se rapportant aux crédits. A ce sujet je désire appeler votre attention sur le fait que cette situation a été amenée par la modification de l'article 50 de la Loi du Revenu consolidé et de l'Audition, statut du Canada, 1922. Il est évident que la période de deux mois allouée pour la clôture des comptes des crédits après l'expiration de l'année financière peut n'être pas suffisante pour permettre la clôture régulière des comptes dans les cas où des crédits supplémentaires ont été affectés à cette fin.

Bien à vous,

G. A. BELL.

L'Auditeur général.

Vote 113—Ecluse Ste-Anne: Pont public à l'île Perrot

BUREAU DE L'AUDITEUR GÉNÉRAL, le 26 mars 1925.

MONSIEUR,—J'ai en main votre demande n° 466, du 20 courant, en faveur du ministère des Travaux publics et du Travail de la province de Québec pour la somme de cent mille dollars, représentant la contribution du gouvernement fédéral aux frais de construction d'un pont public entre Ste-Anne et l'île Perrot, traversant la rivière Ottawa, contribution autorisée par le décret ministériel C.P. 2185, en date du 22 septembre 1924 et figurant au crédit 113, \$100,000, de la Loi des subsides de l'année financière en cours.

Le décret ministériel prescrit que, en considération de la dite contribution de cent mille dollars, plus haut mentionnée, ou de toute partie d'icelle qui pourrait être versée, le gouvernement de la province de Québec devra:

- (a) Assumer pour toujours la responsabilité de tous les frais d'entretien et d'exploitation du dit pont, et il devra indemniser et sauvegarder le gouvernement fédéral contre toute réclamation, à quelque époque que ce soit, résultant de la construction, de l'entretien ou de l'exploitation du dit pont;
- (c) Effectuer un bail avec le gouvernement fédéral pour obtenir le droit et le privilège de construire, d'entretenir et d'exploiter ledit pont sur la propriété du gouvernement fédéral et au-dessus de cette dernière, aux

RAILWAYS AND CANALS—CHEMINS DE FER ET CANAUX

endroits où le dit pont sera construit sur la dite propriété du gouvernement fédéral et au-dessus de cette dernière, tel qu'indiqué sur le plan ci-annexé le dit bail vaudra pour une période de vingt et un ans et sera renouvelable pour deux autres périodes de vingt et un ans chacune à un loyer annuel s'élevant à un dollar (\$1.00), et y incorporer des dispositions indemnifiant le gouvernement fédéral contre toute réclamation résultant de la construction, de l'entretien et de l'exploitation du dit pont sur les terres et eaux du gouvernement fédéral et au-dessus de ces dernières, y compris une disposition indemnifiant le gouvernement fédéral de tout dommage ou tort causé à sa propriété et ses constructions, de toute façon que ce soit, dommage ou tort résultant de la construction, de l'entretien ou de l'exploitation du dit pont, selon le cas:

- (d) Accepter, par décret ministériel, les conditions plus haut mentionnées pour être observées, exécutées et suivies par le gouvernement de la province.

Veuillez, s'il vous plaît, m'informer si le gouvernement de la province de Québec s'est conformé aux dispositions du décret ministériel mentionné plus haut; si oui, je vous serais obligé si vous m'adressiez copie du décret ministériel mentionné à l'article (d) ainsi que copie du bail mentionné à l'article (c) du dit décret ministériel.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre des Chemins de fer et Canaux.

MINISTÈRE DES CHEMINS DE FER ET CANAUX, le 28 mars 1925.

CHER MONSIEUR,—En réponse à votre lettre du 26 courant, je vous envoie sous ce pli:

- (1) Copie de la traduction du décret du gouvernement de la province de Québec en date du 31 janvier 1925.
- (2) Copie du décret du gouvernement fédéral, C.P. 220, en date du 11 février 1925.

Vous remarquerez que ces décrets règlent la question de la soumission de la province de Québec aux dispositions du décret du 22 décembre 1924.

Les \$50,000 qu'il reste de la subvention sont prévus au crédit 113, budget principal 1925-26, dont il n'a encore été voté qu'un sixième.

Le bail qui incorpore toutes les conditions énumérées à l'article C du décret du 22 décembre 1924, tel que modifié par le décret du 11 février 1925, attend sa mise au point. On y mettra la dernière main immédiatement après le vote des cinq sixièmes du \$50,000, vote qui n'a pas encore eu lieu. Dans l'intervalle, notre ministère se propose de retenir le \$100,000 que nous avons demandé afin que le chèque puisse être émis avant la résiliation du crédit de \$100,000 de l'année financière courante.

Votre tout dévoué,

G. A. BELL.

L'Auditeur général.

NOTE PAR L'A. G.—Le bail mentionné ci-dessus a été reçu au bureau de l'Auditeur général le 25 juillet 1925 et le chèque de \$100,000 a été envoyé à la Province de Québec le 15 août 1925.

CORRESPONDENCE—CORRESPONDANCE

Copie du Rapport d'un Comité de l'Honorable Conseil Exécutif en date du 30 janvier 1925, approuvé par le Lieutenant-gouverneur le 31 janvier 1925.

1. L'honorable Ministre des Travaux Publics et du Travail, dans un rapport en date du 30 janvier 1925, expose: que le second pont de l'Île Perrot, soit celui sur la rivière Ottawa, entre Ste-Anne et Île Perrot, est actuellement en construction;

2. Qu'il a eu au préalable des pourparlers avec les autorités fédérales relativement à la contribution du gouvernement fédéral dans le coût de la construction de ce pont;

3. Qu'il avait été convenu que cette contribution serait de \$150,000.00, pourvu que le gouvernement de cette province remette au gouvernement fédéral une part des recettes égale au pourcentage que représentait la dite contribution par rapport au coût;

Que le 30 décembre 1924, le secrétaire du ministère des Chemins de fer et Canaux a transmis à l'honorable Ministre l'arrêté en Conseil, P.C. 2185, approuvé par le Gouverneur général le 22 du même mois, déclarant que le Parlement d'Ottawa n'avait voté, pour la construction du pont en question, que \$100,000.00 et qu'il était prêt à payer le dit montant au fur et à mesure de l'avancement des travaux, aux conditions mentionnées aux paragraphes a, b, c et d de l'article 2 du dit arrêté ministériel;

Que l'honorable Ministre, comme il appert par la correspondance au dossier de ce pont, a, le 16 janvier 1925, fait de nouvelles représentations aux autorités fédérales, les priant d'amender ledit arrêté ministériel pour que ladite contribution soit portée à \$150,000.00, telle que convenue, et faire certaines modifications en ce qui regarde le remboursement et la question des péages sur ce pont;

Que le 23 janvier 1925, le Ministère des Chemins de fer et Canaux lui répondait qu'il se rendait à sa demande, ajoutant qu'il mettrait dans les prévisions budgétaires de cette année, un montant additionnel de \$50,000.00 pour former avec les \$100,000.00 déjà votés, la somme totale de \$150,000.00, et, que relativement aux remarques faites au sujet des péages à être perçus pour l'usage de ce pont une fois complété, son département était disposé à obtenir l'autorisation du Gouverneur en Conseil à renoncer à toutes prétentions ou droits qu'il pourrait avoir au sujet de la perception de ces péages, son ministère étant disposé à amender ledit arrêté ministériel approuvé par le Gouverneur général le 22 décembre dernier en retranchant dudit arrêté ministériel toutes prétentions au sujet des péages, laissant la question entièrement au soin du gouverneur provincial et à ses seuls intérêts.

En conséquence, l'honorable ministre recommande que l'arrêté ministériel adopté par le Gouverneur général en Conseil le 22 décembre 1924 soit approuvé, avec les modifications suivantes:—

1. Que la contribution du gouvernement fédéral soit portée à \$150,000.00 payable au fur et à mesure de l'avancement des travaux;

2. Que le gouvernement fédéral renonce aux conditions et privilèges que lui conférait le paragraphe b dudit article 2 dudit arrêté ministériel et que ce dit paragraphe soit annulé, les conditions énumérées aux paragraphes a, c et d du même arrêté ministériel étant acceptées par le gouvernement provincial.

A. MORISSET,

Greffier, Conseil Exécutif.

Copie certifiée d'un mémoire d'une réunion du comité du Conseil Privé, approuvé par Son Excellence le Gouverneur général le 11 février 1925.

Le comité du Conseil Privé a pris connaissance d'un rapport du ministre des Chemins de fer et Canaux daté le 7 février 1925 qui fait voir qu'en vertu d'un arrêté en Conseil du 22 décembre 1924 (C.P. 2185) le paiement de la somme de \$100,000.00 au gouvernement de la province de Québec pour être affectée au coût de construction d'un pont à niveau élevé qui est en voie d'être érigé entre Ste-Anne et l'Île Perrot, a été autorisé (voté sous l'empire des Statuts du Canada, 1924, Chapitre 75, Loi des Subsidies No 3, item 113); le paiement de telle somme devant être régi par certaines conditions, y compris une stipulation à l'effet que le gouvernement de la province de Québec devra percevoir des droits de passage pour l'usage dudit pont, et d'année en année, jusqu'à ce que le gouvernement fédéral daigne consentir l'abolition du péage, paiera chaque année au ministère des Chemins de fer et Canaux une somme égale à pas moins d'un quart des droits de passage nets, après que les frais occasionnés par l'entretien du pont seulement ont été déduits des revenus bruts annuels perçus.

Le ministre dit que le gouvernement provincial de Québec a été prié de faire adopter un arrêté en Conseil acceptant toutes les stipulations et conditions de paiement telles qu'in-

RAILWAYS AND CANALS—CHEMINS DE FER ET CANAUX

diquées dans l'arrêté en Conseil susmentionné du 22 décembre 1924, et en réponse le ministre des Travaux publics et du Travail provincial a fait les représentations suivantes en date du 16 janvier 1925:—

"Je constate que cet arrêté en Conseil a trait à une contribution de seulement \$100,000.00 de la part des autorités fédérales; en vertu de ce paiement, le gouvernement provincial serait requis de payer au gouvernement fédéral un minimum de $\frac{1}{4}$ du revenu net provenant des droits de passage perçus sur ce pont.

Me permettez-vous d'attirer votre attention sur le fait que, dans une lettre datée le 28 avril 1921, l'honorable J. D. Reid, alors ministre des Chemins de fer et canaux, nous a informé qu'il était prêt à contribuer jusqu'à concurrence de \$150,000.00 au coût du pont, qu'il s'agisse d'un pont à niveau élevé ou à niveau bas, libre de participer aux revenus en proportion de la contribution.

Le 4 juin 1921, dans un mémoire que vous nous adressiez, le gouvernement fédéral ratifiait la promesse faite par l'honorable M. Reid.

L'ingénieur en chef du ministère des Travaux publics et du Travail provincial m'informe que le coût du pont s'établira à pas moins de \$540,000.00.

Le gouvernement provincial, aux conditions énumérées dans l'arrêté en Conseil, assumerait non seulement le coût entier de l'entretien, mais aussi toute la responsabilité ainsi que tout dommage qui pourrait survenir par suite de la mise à exécution de cette entreprise.

Je constate de plus que le gouvernement de cette province ne pourrait abolir le péage sans avoir obtenu au préalable la permission des autorités fédérales.

Je vous demanderais de soumettre cette question de nouveau, en sorte que la contribution du gouvernement fédéral soit de \$150,000.00, telle que promise; que sa part des revenus soit proportionnée à sa contribution par rapport au coût de l'entreprise et que le gouvernement provincial qui sera plus intéressé que le gouvernement fédéral au maintien du péage, ne sera pas obligé d'obtenir la permission d'Ottawa, s'il jugeait à propos, à une date ultérieure, de recommander l'abolition de tel péage."

Le ministre fait remarquer que la somme de \$50,000.00 a été inscrite dans les crédits qui seront soumis au Parlement au cours de la présente session, cette somme étant la balance de la contribution que le gouvernement fédéral se propose de faire pour la construction du pont en question.

Le ministre recommande, étant donné ce qui précède et sur l'avis du sous-ministre des Chemins de fer et Canaux que ledit arrêté en Conseil du 22 décembre 1924, soit amendé dans le sens seulement d'omettre les dispositions qui se rapportent au paiement d'une partie du péage perçu pour l'usage dudit pont au ministère des Chemins de fer et Canaux et à la nécessité d'obtenir le consentement du gouvernement fédéral pour l'abolition du péage.

Le comité adhère aux recommandations susmentionnées et les soumet pour approbation.

E. J. LEMAIRE,
Greffier du Conseil Privé.

Paiement à même un "Compte provisoire"

BUREAU DE L'AUDITEUR GÉNÉRAL, le 29 avril 1925.

MONSIEUR,—J'ai reçu du ministère des Finances une demande d'émission de certificat en faveur de votre ministère pour la somme de \$10,187.00, montant de certains chèques transmis par vous au ministère des Finances au mois de février dernier et déposés au crédit d'un "Compte provisoire". Ces chèques vous ont été remis par quatre compagnies d'assurance en règlement des pertes causées par le feu au hangar n° 2, sur le canal de Lachine.

Une lettre adressée à ce bureau par M. Maclellan, contrôleur adjoint, m'apprend que comme les travaux de réparation à ce hangar n'ont pas été terminés au cours de l'année financière 1924-25, les montants reçus des compagnies d'assurance ont été déposés à un "Compte provisoire" jusqu'à ce que pût être déterminé le coût des travaux de réparation exécutés en 1924-25. Vous désirez maintenant que ce montant vous soit remis afin de pouvoir le répartir entre vos crédits de 1924-25 et de 1925-26 à titre de remboursements au compte du coût des travaux de réparation.

CORRESPONDENCE—CORRESPONDANCE

Comme ce montant a déjà été déposé au crédit du Receveur général, je me permets de vous suggérer, au lieu de retirer ce montant du "Compte provisoire" et le déposer de nouveau au crédit des Votes de 1924-25 et 1925-26, de demander plutôt une inscription de transport retirant le plein montant du "Compte provisoire" et le portant au crédit des crédits des deux années financières, tenant compte des montants répartis à chacune de ces années respectivement. Cette méthode de mettre au point ce dépôt rendrait inutile l'émission d'un chèque, ce qui, me semble-t-il, pourrait constituer une contravention à l'article 42 de la loi du Revenu consolidé et de l'Audition stipulant que nul chèque ne peut être émis pour le paiement de deniers publics, si ce n'est sur le certificat de l'Auditeur général énonçant que la dépense est autorisée par le parlement.

Je suis, monsieur, votre obéissant serviteur,

Wm. KEARNS, *sous-A.G.*

W. V. COPE, contrôleur, ministère des Chemins de fer et Canaux.

NOTE DE L'A.G.:

La mise au point du montant ci-dessus mentionné a été faite par des inscriptions de transport retirant du "Compte provisoire" et portant au crédit des Votes pour travaux de réparation au Canal de Lachine pour 1924-25 la somme de \$4,608.24, et pour 1925-26 la somme de \$5,578.76.

Radiation d'une dette due à la Couronne

BUREAU DE L'AUDITEUR GÉNÉRAL, le 18 décembre 1924.

MONSIEUR,—Je désire attirer votre attention sur un arrêté en Conseil, C.P. 2131, en date du 9 décembre 1924, ayant trait à un certain bail daté le 1er janvier 1851, accordé à M. John L. Ranney en vue de l'utilisation de l'excédent d'eau sur le vieux canal Welland.

Il appert que, par suite d'une série de transports, ce bail se trouve maintenant en la possession de la Welland Vale Manufacturing Company, compagnie qui, pendant plusieurs années, a utilisé une quantité d'eau plus considérable que celle que ledit bail lui permettait d'utiliser; que dans les livres du ministère les arrérages pour loyer dû par la compagnie au 30 juin 1921 ont été inscrits pour un montant de \$24,796; que depuis 1911 des négociations ont été entamées avec la compagnie dans le but d'en venir à un règlement de cette question, mais sans succès.

Aux termes des dispositions dudit arrêté en Conseil on propose maintenant d'accorder à la compagnie un nouveau bail aux termes duquel la locataire devra payer, pour toute l'eau utilisée jusqu'au 31 décembre 1923, la somme de \$17,410, et, à titre de concession, de radier tous les arrérages accumulés pour loyer aux termes dudit bail du 1er janvier 1851, paraissant dans les livres du département non liquidés par le montant déjà payé par la compagnie en règlement des arrérages dus par elle.

Ce règlement que l'on se propose de faire avec la Welland Vale Manufacturing Company semble être, à tous égards, une radiation d'une dette due à la Couronne et je ne crois pas que le Gouverneur en Conseil ait les pouvoirs voulus pour autoriser cette radiation sans l'autorisation expresse du Parlement. Je vous serai obligé si vous voulez bien étudier cette question le plus tôt possible et me faire connaître vos vues sur cet aspect de la question.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, *A.G.*

Le sous-ministre des Chemins de fer et Canaux.

RAILWAYS AND CANALS—CHEMINS DE FER ET CANAUX

MINISTÈRE DES CHEMINS DE FER ET CANAUX, 19 février 1925.

CHER MONSIEUR,—Je vous accuse réception de votre lettre du 18 décembre 1924 dans laquelle vous déclarez, à propos de l'arrêté en Conseil C.P. 2131, que le règlement exposé dans cet arrêté semble être, à tous égards, une radiation d'une dette due à la Couronne.

En réponse, permettez-moi de vous dire que le C.P. 2131 indique que le montant de \$24,796.00 a été inscrit pour arrérages de loyer jusqu'au 30 juin 1921. Ce total comprend les item des deux classes distinctes suivantes:

- (a) Loyer à raison de \$260.00 par année aux termes du bail n° 2493.
- (b) Coût de l'énergie excédant la quantité autorisée par le bail n° 2493 et supposée avoir été utilisée au même endroit, mais que le bail n° 2493 n'avait pas prévue et pour laquelle le bail ne contient aucune disposition relative aux taux devant être exigés.

Le calcul de ce coût a été basé sur un mémoire de l'ingénieur en chef qui s'est prévalu de tous les renseignements disponibles, mais qui, nécessairement, a dû établir ces frais d'une manière quelque peu arbitraire pour la compagnie pour l'utilisation de certains volumes d'eau excédant la quantité autorisée par le bail n° 2493. Ces volumes d'eau ont été évalués (ici encore d'une manière arbitraire) à des taux différents pour diverses années, ce qui a donné les frais indiqués ici-même au paragraphe (b).

La question se pose maintenant de savoir si des frais basés sur un mémoire et inscrits dans les livres du département constituent une dette due à la Couronne. Il importe également de savoir, par suite de l'arrêté en Conseil du 16 décembre 1921, si l'on pouvait s'appuyer sur une autorisation satisfaisante pour inscrire aux livres du département des frais quelconques aux termes du bail n° 2493 après le 31 décembre 1911.

L'arrêté en Conseil C.P. 2131 a également trait au différend existant entre la locataire et le département à propos de la quantité d'eau utilisée dans le passé. Les employés du département étaient d'opinion que l'on avait utilisé l'excédent d'eau avant 1900.

L'arrêté en Conseil C.P. 2131 fait aussi allusion aux concessions mutuelles faites par le ministère et la compagnie en 1910. Ce qui a donné lieu à ce règlement c'est l'impossibilité d'établir exactement l'importance de l'utilisation faite de la force motrice.

On aurait pu obtenir le même résultat en s'en tenant au plein montant de \$24,796.00 et en accordant le nouveau bail à des conditions bien moins favorables que celles qui ont été arrêtées. Cette manière d'agir, toutefois, aurait été contraire à l'intérêt public puisque cela aurait dans la suite placé le département dans une situation embarrassante lorsqu'il lui aurait fallu arrêter des conditions équitables pour des baux semblables dans l'avenir.

Sincèrement à vous,

G. A. BELL.

L'Auditeur général.

Vote 372—Disposal of excess of cost of maintaining an Inspecting Officer or Weighman

TRADE AND COMMERCE DEPARTMENT, January 19, 1925.

SIR,—Paragraph 61-a of the Canada Grain Act provides for the appointment of an inspecting officer or weighman, or both, at a place which is not a terminal point, on condition that besides the fees payable, the excess if any, of the cost of carrying out such an arrangement, over the amount of such fees, shall be paid by the applicant for these officials.

I should, therefore, like to be advised whether the excess, if any, thus paid should be credited as revenue, or to the vote.

I am, Sir, your obedient servant,

F. C. T. O'HARA, *D.M.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, January 29, 1925.

SIR,—I am in receipt of your letter of the 19th inst. in which you ask to be advised regarding the disposal of any excess of the cost of maintaining an inspecting officer or weighman, over the amount of fees arising, as provided by Section 61-A of the Canada Grain Act.

In reply I desire to state that, in my opinion, all sums recovered from the applicant to supplement the amount of fees collected, for the purpose of defraying the expenses of the official in question, if brought to account within the fiscal year in which such expenses were incurred, may be credited to the vote.

I am, Sir, your obedient servant,

WM. KEARNS, *for A.G.*

The Deputy Minister, Trade and Commerce.

Vote 372—Per Diem Allowance for Board of Grain Commissioners

TRADE AND COMMERCE DEPARTMENT, April 11, 1925.

SIR,—I attach a letter hereto from the Secretary of the Board of Grain Commissioners, and would be glad if you would express an opinion thereon before I take the matter up further with the Minister with a view to having an Order-in-Council passed along the lines requested.

In this connection I may say that the Board of Grain Commissioners have to travel a great deal, and it is of considerable annoyance and inconvenience to them to have to keep track of every 25 cents piece they may spend in connection with their official travelling.

The Board has much travelling to do in the West, where hotel rates outside of the cities are cheaper. It is I, therefore, who suggested that possibly outside of the main cities a reduction should be made on the per diem allowance. It might be well to specifically mention the cities at which the \$10.00 rate applies, in which case I would add Quebec and St. John to the list given by the Board.

CORRESPONDENCE—CORRESPONDANCE

I am not sure that Prince Rupert should be in the higher class, but it may be expensive there, and that point will have to be visited as we are building an elevator there.

I should be glad to have your comments upon the letter, however, before proceeding further with the matter.

I am, Sir, your obedient servant,

F. C. T. O'HARA, D.M.

The Auditor General.

BOARD OF GRAIN COMMISSIONERS FOR CANADA, FORT WILLIAM, ONT., April 7, 1925.

DEAR SIR,—The Board has, on different occasions, considered the matter of being allowed a per diem allowance covering expenses incurred in connection with their movements on behalf of the Board, instead of submitting in detail itemized accounts and vouchers covering their expenditures.

The members of the Board, and the Secretary, are, as you are aware, frequently absent on investigations for weeks at a time, which necessitates the accumulation of considerable receipts, vouchers and different records of each day's expenses. The Board therefore feels that, in cases where investigations are conducted at principal cities such as Vancouver, Prince Rupert, Calgary, Edmonton, Winnipeg, Toronto, Montreal, Ottawa and Halifax, they should be allowed an amount of Ten Dollars (\$10.00) per day to cover hotel and living expenses; the items of berths and other costs of transportation would, however, be separate from this amount. Should investigations be held at points other than those above mentioned, the Board feels that the sum of Eight Dollars (\$8.00) per day would be sufficient, exclusive of any incidental items which might arise in travelling to and from points which could only be reached by auto or other means of transportation.

If the above suggestion meets with your approval, the Board would appreciate it if you will kindly submit this matter to the Minister with a view of having the necessary Order-in-Council prepared authorizing the above per diem allowance to members of the Board and its Secretary.

Yours truly,

F. J. RATHBONE, *Secretary.*

The Deputy Minister, Trade and Commerce.

AUDITOR GENERAL'S OFFICE, April 17, 1925.

SIR,—I have your letter of the 11th inst. enclosing a letter from the Secretary of the Grain Commission, Fort William, asking for a daily allowance covering travelling expenses in the case of the Commissioners and the Secretary.

The authorization of a daily allowance in such cases is a matter wholly in the Governments's hands.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Trade and Commerce.

TRADE AND COMMERCE—COMMERCE

TRADE AND COMMERCE DEPARTMENT, April 20, 1925.

SIR,—I have your letter of the 17th of April with regard to a daily allowance to cover travelling expenses of the Board of Grain Commissioners at Fort William, Ont.

My object in writing you was to ascertain if the rates proposed were in accordance with the rates charged by others, as you have a wider knowledge in your office of allowances of this nature granted to Government officers generally.

However, in view of your letter I shall forward a Recommendation to Council, leaving Treasury Board to decide whether the proposed allowances are reasonable.

I am, Sir, your obedient servant,

F. C. T. O'HARA, D.M.

The Auditor General.

Vote 375—Binding and Printing done outside the Government Printing Bureau

AUDITOR GENERAL'S OFFICE, June 4, 1925.

SIR,—I am in receipt of your application dated June 2nd, 1925, in favour of Frederic Hudd, Trade Commissioner at New York, for \$829.14, being amount of his contingent account for the month of April.

I observe that the claim in question includes two amounts for binding or printing as follows:—

Voucher No. 6—3 Vols. Trade of Canada and	
C.I.G., bound.	\$12 00
Voucher No. 7—Sundry printing.	21 00

In this connection I desire to direct your attention to Chapter 80, Section 16, of the Revised Statutes of Canada which provides as follows:—

“A Government establishment shall be organized at Ottawa, and shall be under the management of the Superintendent of Printing, in which establishment all printing, electrotyping, stereotyping, lithography and binding and other work of like nature required for the service of the Parliament of the several Departments of the Government shall be executed.”

In view of this statutory provision I shall be obliged if you will let me know your reasons for not having the printing in question done at the Government Printing Bureau at Ottawa.

I am, Sir, your obedient servant,

WM. KEARNS, Asst. A.G.

The Deputy Minister, Trade and Commerce.

CORRESPONDENCE—CORRESPONDANCE

TRADE AND COMMERCE DEPARTMENT, June 5, 1925.

SIR,—In reply to your letter of the 4th instant, regarding the charges of "Binding and Sundry Printing," incurred by Mr. Hudd, I should say that he was written to, on this subject, last month, and in his reply stated:—

"Regarding the \$21.00 for Printing and Stationery, I was not aware that this should have been ordered through the Department. Apart from envelopes, copy paper and other supplies, the stationery used in this office is printed by a local printer at practically cost price and since the establishment of this office, supplies of (principally) correspondence sheets and envelopes, appropriately printed, have been ordered from this source. No previous question has arisen, but if I am in error in the matter, kindly advise me."

His answer regarding the printing undoubtedly applies to the matter of Binding the Commercial Intelligence Journal, amounting to \$12.00.

Are we to infer from your letter that it will be necessary, when Trade Commissioners at distant points such as Capetown, Shanghai, etc., require a small supply of letterheads or envelopes, that we are to have the printing done here and forward it to them? This will necessarily entail carrying charges, as well as duty, and will, undoubtedly, cost the Government more than if the printing were done locally.

I am, Sir, your obedient servant,

F. C. T. O'HARA, D.M.

The Asst. Auditor General.

AUDITOR GENERAL'S OFFICE, June 17, 1925.

SIR,—With further reference to my letter of the 4th inst. and your reply of the 5th inst. respecting certain expenditure arising from printing and binding incurred by Frederic Hudd, Trade Commissioner, at New York, I desire to point out that, although the practicability of the application of the law in this instance is questionable, it is not competent for me to alter or modify an Act of Parliament. Chapter 80, Section 16 of the Revised Statutes of Canada applies in my opinion to the purchases in question.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Trade and Commerce.

Vote 375—Removal Expenses, J. W. Ross, Trade Commissioner, on Retirement

AUDITOR GENERAL'S OFFICE, August 22, 1925.

SIR,—I desire to direct your attention to the following payment to J. W. Ross, retired Trade Commissioner, Shanghai; by cheque No. 4706 of the fiscal year 1924-25,—

Two first-class steamer passages, Shanghai to Vancouver at \$346..	\$692
Two railway passages, Vancouver to Eastern Canada at \$123..	246

Total..	\$938
---------	-------

TRADE AND COMMERCE—COMMERCE

I shall be obliged if you will let me know the authority under which Mr. Ross' removal expenses from Shanghai to Eastern Canada were paid.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Trade and Commerce.

TRADE AND COMMERCE DEPARTMENT, August 24, 1925.

SIR,—In reply to your letter of the 22nd inst., regarding "Removal Expenses, J. W. Ross, Trade Commissioner, on Retirement," I should say that the authority for this payment cannot better be stated than by quoting the memorandum of December 24, 1924, to the Minister, in this connection, upon which he endorsed his approval of the payment:—

"I attach hereto a memorandum from Dr. Ross, requesting that he be paid his return fare to Canada for himself and daughter, amounting to \$938. I have refused this in the first instance, as Dr. Ross was appointed while resident in China. He now, however, states that his home is in Canada. He happened to be in China in 1914 when appointed. The Government was saved the cost of sending him there.

"He is right in stating that for 5 years his salary was \$3,000, without living allowance. Hence he could not save. Both his daughters had to accept positions.

"While he was paid up to November 1st last, he continued on without salary until the 26th of November, before leaving. Of course, it has been our custom for years to pay transportation expenses of Trade Commissioners on appointment, from Canada to the foreign post, and on retirement, pay return expenses to Canada. Kindly instruct".

I am, Sir, your obedient servant,

F. C. T. O'HARA, *D.M.*

The Asst. Auditor General.

AUDITOR GENERAL'S OFFICE, August 27, 1925.

SIR,—I desire to acknowledge receipt of your letter of the 24th instant, in reply to mine of the 22nd inst. with reference to the payment of the removal expenses of J. W. Ross, retired Trade Commissioner, Shanghai to Eastern Canada.

In view of the provisions of Order-in-Council dated Sept. 8, 1871, that "No removal allowances can be granted except on report of the Treasury Board," and the expressed ruling of the Treasury Board that no exception be made in this regard in the case of Trade Commissioners, Assistant Trade Commissioners and Junior Trade Commissioners, I am of opinion that the approval of the Governor in Council should be obtained for the payment in question.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Trade and Commerce.

Vote 379—Payment to Employees for Injuries received while on duty

TRADE AND COMMERCE DEPARTMENT, April 18, 1925.

SIR,—At times, employees of this Department, and more especially those employed in the elevators, suffer disability through minor accidents which apart from preventing them from attending their duties for a few days, may also require medical attendance, such as, dressing of wounds, etc., drugs or a hospital fee or an ambulance charge.

Although provision for such charges may be made in the Workmen's Compensation Act of the different Provinces, it seems only reasonable to allow a limited amount to be paid by the Department from their appropriations.

Will you, therefore, kindly let me know to what extent we may pay such items from our appropriations.

Of course, in the event of an accident resulting in death, or such serious injury as to cause disability for a long period, or possibly permanently, the matter would be referred to the Workmen's Compensation Board of the Province in which the accident took place.

I am, Sir, your obedient servant,

F. C. T. O'HARA, D.M.

The Auditor General.

AUDITOR GENERAL'S OFFICE, April 23, 1925.

SIR,—I have your letter of the 18th inst. respecting minor injuries received by employees of your Department, especially those employed in the elevators, and asking to be informed to what extent expenses arising from such injuries may be paid from your appropriations.

Claims of this nature should I think be referred to the Treasury Board.

I am, Sir, your obedient servant,

WM. KEARNS, Asst. A.G.

The Deputy Minister, Trade and Commerce.

Vote 382—Engineering Services, Halifax Terminal Elevator

AUDITOR GENERAL'S OFFICE, February 19, 1925.

SIR,—I am in receipt of your application, dated February 16th, 1925, for a cheque for \$17,994.00 in favour of John S. Metcalf Co., Ltd., being payment on account for engineering services in connection with the construction of the Halifax Terminal Elevator.

TRADE AND COMMERCE—COMMERCE

I am of opinion that the authority of the Governor in Council should be obtained for the employment of John S. Metcalf Co., Ltd., as engineers and for the remuneration that may be paid for their services.

Of course any claim rendered by the engineers will need to be certified in accordance with the Consolidated Revenue and Audit Act.

I am returning herewith your application and the papers attached thereto.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Trade and Commerce.

TRADE AND COMMERCE DEPARTMENT, October 22, 1925.

SIR,—Answering your letter of the 19th February regarding the employment of Messrs. John S. Metcalf Company for engineering services in connection with the construction of the Halifax Elevator, I should say that when a copy of the contract entered into with this firm was sent to your office, it was thought that it would meet your requirements. Apparently this was not the case.

I would, therefore, advise that a recommendation has been sent to Council recommending that Council approve of the employment of the John S. Metcalf Company, Limited, and the remuneration to be paid them for their services in connection with the construction of the Halifax Elevator.

When this Order in Council has been received, a copy will be sent you.

I am, Sir, your obedient servant,

J. G. PARMELEE, *Acting D.M.*

The Auditor General.

TRADE AND COMMERCE DEPARTMENT, November 11, 1925.

SIR,—In compliance with your request, I now enclose copy of Order in Council of November 10, 1925, P.C. 1962, authorizing the employment of Messrs. J. S. Metcalf Company, Limited, Montreal, as Engineers for the construction of the Halifax Elevator, and the remuneration to be paid them.

I am, Sir, your obedient servant,

F. C. T. O'HARA, *D.M.*

The Auditor General.

Section 23, Sub-Section 5 of the Civil Service Act, 1918 provides as follows:—

“Commission may authorize the temporary employment, without a competitive or other examination, of persons possessed of professional, scientific, technical or other expert knowledge, whose services are required for work of an exceptional character, and the salary or other remuneration to be paid to any person so employed shall be such as the Governor in Council may prescribe”.

Please let me know if the appointments in question were approved by the Civil Service Commission under the provisions of this section.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Trade and Commerce.

TRADE AND COMMERCE DEPARTMENT, September 19, 1925.

SIR,—In answer to your letter of the 16th inst., requesting to be advised whether the employment of Messrs. W. T. R. Preston, C. M. Goddard, and Misses Blanche Preston, Daisy Bell and Ruth Bell, in connection with the investigation into Ocean Freight Rates, was approved by the Civil Service Commission, I should say that as far as the Department is aware, these appointment were not approved by the Commission, the Orders in Council authorizing their employment being considered not only sufficient authority but as instructions to this Department for the payment of their remuneration.

I am, Sir, your obedient servant,

F. C. T. O'HARA, D.M.

The Auditor General.

TRADE AND COMMERCE—COMMERCE

AUDITOR GENERAL'S OFFICE, September 23, 1925.

SIR,—I am in receipt of your letter of the 19th inst. in reply to mine of the 16th inst. respecting the authority under which Messrs. W. T. R. Preston, C. M. Goddard and three stenographers were employed in connection with the investigation into Ocean Freight Rates, in which you inform me that your Department considered the Orders in Council appointing them sufficient authority not only for their appointment but also for the remuneration therein provided.

The Order in Council appointing Mr. Preston is not, it seems to me, sufficient authority for his appointment unless passed under the Enquiries Act.

Has a Commission been issued to Mr. Preston under this Act?

As pointed out in my letter of the 16th inst. there is provision in the Civil Service Act for temporary employment of persons possessed of professional, scientific, technical or other expert knowledge whose services are required for work of an exceptional character.

It seems to me the appointment of Mr. Preston should have been made either under this provision or under the Enquiries Act.

I am, Sir, your obedient servant,

GEORGES GONTHIER, A.G.

The Deputy Minister, Trade and Commerce.

TRADE AND COMMERCE DEPARTMENT, September 24, 1925.

SIR,—Replying to your letter of September the 23rd regarding the inquiry respecting ocean freight rates, I have to advise that no commission was issued to Mr. Preston under the Enquiries Act, the Department acting upon the Orders-in-Council quoted in the previous correspondence as being the wishes of the Government.

I am, Sir, your obedient servant,

F. C. T. O'HARA, D.M.

The Auditor General.

NOTE BY AUDITOR GENERAL.—The outstanding amount, \$600, has been partially accounted for.

Vote 488—Recovery of moneys due by Mr. Beddoe, Trade Commissioner

AUDITOR GENERAL'S OFFICE, May 28, 1925.

SIR,—I desire to direct your attention to Order in Council P.C. 2227, dated January 12, 1925 with reference to the recovery of certain amounts from Mr. Beddoe, the Canadian Trade Commissioner in New Zealand.

The Order in Council provides, in part, as follows:—

“The Justice Department, having been advised by their Agent in Auckland, New Zealand, that Mr. Beddoe's property was to be sold on December 19, 1924, by the Mortgagee and that a surplus was anticipated, was instructed to lodge claim for the amount due the Department of Trade and Commerce; the Agent was to use his discretion in the matter, as the Department did not wish to pay legal charges in excess proportion of the claim, or possible dividend. It is not anticipated that the full amount due the Department of Trade and Commerce will be recovered from the sale of the property.

The Minister, therefore, recommends that any balance due to the Department of Trade and Commerce, after the Justice Department has paid over such sums as they may collect, be a direct charge against the retiring annuity payable to Mr. Beddoe, amounting to \$1,075.27 per annum, and that the Department of Finance be instructed to transfer to the Department of Trade and Commerce from time to time, the sums due and accrued to the credit of Mr. Beddoe, until the entire indebtedness is recovered.”

Please let me know what amount, if any, was recovered by the Department of Justice from the sale of Mr. Beddoe's property on December 19, 1924.

I shall also be obliged if you will furnish me with a statement setting forth all the claims arising from losses sustained as a result of Beddoe's actions when Canadian Trade Commissioner in New Zealand, together with amounts recovered from the sale of his property or from his retiring annuity.

I am, Sir, Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Trade and Commerce.

TRADE AND COMMERCE—COMMERCE

TRADE AND COMMERCE DEPARTMENT, June 1, 1925.

SIR,—In reply to your letter of the 28th ultimo, regarding moneys due the Department by Mr. Beddoe, late Trade Commissioner at New Zealand, I should say that the Justice Department has written to their Agents in New Zealand, requesting a report in connection with the selling of Mr. Beddoe's property. When we have been advised of the result of the report, the information will be forwarded to you.

I attach, as requested, a statement showing the claims paid by the Department on Mr. Beddoe's behalf and the amount recovered, leaving a balance of \$1,074.08, still to be collected.

I am, Sir, your obedient servant,

F. C. T. O'HARA, D.M.

The Asst. Auditor General.

TRADE AND COMMERCE DEPARTMENT, June 14, 1925.

SIR,—With further reference to my letter of the 1st inst., regarding the advance to Mr. W. A. Beddoe, I now enclose copy of the Order in Council authorizing the Finance Department to withhold from the retiring annuity, payable to Mr. Beddoe, the sum of three hundred and five dollars and eighty-five cents (\$305.85), which amount is to be transferred to the Department of Trade and Commerce.

I am, Sir, your obedient servant,

F. C. T. O'HARA, D.M.

The Asst. Auditor General.

13-14, Geo. V, Chap. 63—Bounty on Crude Petroleum

AUDITOR GENERAL'S OFFICE, October 13, 1925.

SIR,—Cheques No. 2912 and 4012 issued against your Letter of Credit for the fiscal year 1924-25 are in payment of certain claims amounting to \$376.72 submitted by the New Brunswick Gas and Oilfields Limited for a bounty at the rate of $1\frac{1}{2}$ cent per gallon on crude petroleum as provided by 13-14 George V, Chap. 63.

Section 2 of the said Act provides as follows:

“On such crude petroleum produced on or before the thirtieth day of June, 1924, a bounty of $1\frac{1}{2}$ cents per imperial gallon shall be paid.

On such petroleum produced on or after the first day of July, 1924, and not later than the thirtieth of June, 1925, a bounty of $\frac{3}{4}$ of 1 cent per imperial gallon shall be paid.”

It is stated in the claims submitted that the crude petroleum in question was “produced in Canada and delivered to Canadian National Railways at Moncton Car Shops” either between the periods July 1st to 31st, or August 1st, to 31st, 1924.

CORRESPONDENCE—CORRESPONDANCE

I shall be obliged, therefore, if you will inform me why the producing company was allowed $1\frac{1}{2}$ cents per gallon instead of $\frac{3}{4}$ cents per gallon as provided by the Act for petroleum produced on or after July 1st, 1924.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Trade and Commerce.

TRADE AND COMMERCE DEPARTMENT, October 15, 1925.

SIR,—In answer to your letter of the 13th instant regarding payment of bounty on crude petroleum to the New Brunswick Gas and Oilfields, Limited, I should say that cheque No. 2912 for \$188.36, was in payment of claims under consideration at three-quarters of one cent per gallon. This cheque was forwarded to our Inspector at Buctouche to be handed to the Oil Company.

Mr. Leblanc, the Inspector, wrote to the Accountant on October 21, 1924, as per copy attached, pointing out that although the bounty was claimed in July and August, the oil was produced before June 30th. Also attached is copy of letter from the Oil Company to which Mr. Leblanc refers.

On October 23rd the Accountant wrote Mr. Leblanc asking him to have the company make an affidavit for the correct amount of bounty, also an affidavit to the effect that the oil was produced on or before June 30, 1924. A copy of his letter is also attached.

We also enclose original certificates from the New Brunswick Gas & Oilfields, Limited, sent in response to the Accountant's request, which has been certified to by Mr. Leblanc that the oil was produced before June 30th.

In view of these various letters and the certificates, the Accountant felt justified in paying the extra three-quarters of one cent per gallon, by cheque No. 4012 for \$188.36.

I am, Sir, your obedient servant,

J. G. PARMELEE, *Acting D.M.*

The Asst. Auditor General.

Vote 372—Ce qu'il faut faire quand les recettes ne couvrent pas les frais d'inspection ou de pesage.

MINISTÈRE DU COMMERCE, le 19 janvier 1925.

MONSIEUR,—Le paragraphe 61-a de la Loi des grains du Canada pourvoit à la nomination d'un inspecteur ou d'un peseur, ou des deux, à un endroit qui n'est pas une gare de tête de ligne, à la condition qu'en sus des droits à percevoir, l'excédent—s'il en existe—du coût de ce service sur les droits perçus, sera payé par celui ou ceux qui ont demandé de faire nommer ces fonctionnaires.

Par conséquent, j'aimerais bien savoir si l'excédent ainsi versé doit être entré à titre de revenu ou porté au compte du crédit voté.

Bien à vous,

F. C. T. O'HARA, *S.-M.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 29 janvier 1925.

MONSIEUR,—Je viens de recevoir votre lettre du 19 courant nous demandant de vous renseigner sur ce qu'il faut faire de tout excédent du salaire d'un inspecteur ou peseur en sus des recettes provenant de la perception des droits en conformité de l'article 61-A de la Loi des grains du Canada.

En réponse laissez-moi vous dire que, d'après moi, toute somme remise entre vos mains par le réquérant, dans le but de suppléer au montant des droits perçus afin de défrayer le salaire du fonctionnaire en question peut être, si elle est rapportée dans le cours de l'année financière pendant laquelle ces dépenses ont été encourues, portée au compte du crédit voté par le Parlement.

Je demeure, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre du Commerce.

Vote 372—Allocation quotidienne pour les membres de la Commission des grains

MINISTÈRE DU COMMERCE, le 11 avril 1925.

MONSIEUR,—Ci-joint veuillez trouver une lettre du secrétaire de la Commission des grains. Je vous serais bien obligé de me faire connaître votre opinion avant de soumettre la question au ministre, en vue de faire adopter un arrêté en Conseil dans le sens indiqué.

Sous ce rapport je puis dire que les Commissaires des grains doivent voyager beaucoup et que c'est pour eux un ennui et un dérangement considérables que d'avoir à tenir trace de chaque 25 cents qu'ils ont à dépenser au cours de leurs voyages officiels.

Les Commissaires devront voyager beaucoup dans l'Ouest où le tarif des hôtels en dehors des grandes cités est moins élevé. Par conséquent c'est à ma suggestion qu'il a été proposé de réduire l'allocation quotidienne mais seulement pour le séjour en dehors des cités principales. Ce serait préférable de mentionner

CORRESPONDENCE—CORRESPONDANCE

d'une manière spéciale les villes auxquelles s'appliquerait le paiement de l'allocation de \$10.00 par jour, et alors j'ajouterais les villes de Québec et St-Jean à la liste donnée par la Commission.

Je ne suis pas bien certain si Prince Rupert devrait appartenir à la classe du tarif le plus élevé mais la vie doit y être chère et il faudra visiter cet endroit vu que nous y construisons un élévateur.

Veuillez me faire le plaisir de me dire ce que vous pensez de cette lettre avant d'aller plus loin en la matière.

Bien à vous,

F. C. T. O'HARA, *S.-M.*

L'Auditeur général.

COMMISSION DES GRAINS DU CANADA, FORT-WILLIAM, ONT., le 7 avril 1925.

MONSIEUR,—En différentes occasions la Commission a discuté la question de l'opportunité de faire accorder à ses membres une allocation quotidienne pour couvrir les dépenses encourues pendant l'accomplissement de leurs fonctions, au lieu de soumettre en détail le compte et les pièces justificatives de leurs dépenses.

Les membres de la Commission et le secrétaire sont souvent absents, comme vous le savez, pour des enquêtes qui durent quelquefois plusieurs semaines consécutives, ce qui entraîne une accumulation considérable de reçus, pièces justificatives et documents divers couvrant les dépenses de chaque jour. La Commission, par conséquent, est fondée à croire que dans le cas d'enquêtes conduites dans les principales cités comme Vancouver, Prince Rupert, Calgary, Edmonton, Winnipeg, Toronto, Montréal, Ottawa et Halifax, ses membres devraient recevoir une allocation quotidienne de dix dollars (\$10.00) par jour pour couvrir leurs dépenses d'hôtel et autres menues dépenses, mais cette allocation ne saurait couvrir les frais de wagons-lits ou autres dépenses de transport dont il est tenu un compte séparé. Si la Commission devait conduire des enquêtes en d'autres endroits que ceux ci-devant énumérés, elle est d'opinion que la somme de huit dollars (\$8.00) par jour serait suffisante, non compris sans doute les frais de déplacement en provenance ou à destination d'endroits qui ne peuvent être atteints que par automobiles ou autres moyens de transport.

Si vous approuvez cette suggestion, la Commission serait heureuse de vous voir soumettre cette question au ministre, en vue de faire préparer l'arrêté en Conseil nécessaire aux fins d'autoriser le paiement de l'allocation quotidienne susdite aux membres de la Commission et à son secrétaire.

Bien à vous,

F. J. RATHBONE, *secrétaire.*

Le sous-ministre du Commerce.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 17 avril 1925.

CHER MONSIEUR,—J'ai sous les yeux votre lettre du 11 courant me transmettant une lettre du secrétaire de la Commission des grains, de Fort William, demandant une allocation quotidienne pour payer les frais de voyage des commissaires et du secrétaire.

Le gouvernement seul peut autoriser une allocation quotidienne dans des cas de ce genre.

Votre dévoué,

GEORGES GONTHIER, A.G.

Le sous-ministre du Commerce.

MINISTÈRE DU COMMERCE, le 20 avril 1925.

CHER MONSIEUR,—J'ai sous les yeux votre lettre du 17 avril concernant une allocation quotidienne destinée à couvrir les frais de voyage des membres de la Commission des grains à Fort William, Ont.

Ma lettre avait tout simplement pour but de m'assurer si les montants indiqués étaient conformes aux montants demandés par les autres, puisque votre bureau est plus au courant des allocations de ce genre généralement accordées aux fonctionnaires de l'Etat.

Quoi qu'il en soit, m'en tenant à votre lettre, j'enverrai une recommandation au Conseil, laissant au Conseil du Trésor le soin de décider si les allocations demandées sont raisonnables.

Votre dévoué,

F. C. T. O'HARA, S.M.

L'Auditeur général.

Vote 375—Travaux de reliure et d'impression exécutés ailleurs qu'à l'Imprimerie nationale

BUREAU DE L'AUDITEUR GÉNÉRAL, le 4 juin 1925.

MONSIEUR,—Je reçois votre réclamation en date du 2 juin 1925, en faveur de Frederic Hudd, commissaire du commerce à New-York, pour la somme de \$829.14 représentant le montant de son compte des dépenses contingentes pour le mois d'avril.

Je constate que la réclamation dont il s'agit comprend les deux montants suivants pour travaux de reliure et d'impression:—

Pièce No. 6—3 Volumes, Commerce du Canada et	
B.R.C., reliés.	\$ 18 00
Pièce No. 7—Impressions diverses.	21 00

A ce propos je désire attirer votre attention sur le chapitre 80, article 16, des Statuts révisés du Canada stipulant ce qui suit:

“Est organisé à Ottawa un établissement officiel dont le surintendant des impressions a la gérance, et dans lequel se font tous les travaux d'impression, d'électrotypie, de stéréotypie, de lithographie et de reliure, et autres ouvrages de même genre requis pour le service du Parlement et du gouvernement du Canada.”

CORRESPONDENCE—CORRESPONDANCE

Par suite de cette disposition statutaire, je vous serai reconnaissant de vouloir bien me dire les raisons pour lesquelles ces travaux d'impression n'ont pas été exécutés à l'Imprimerie nationale.

Je suis, monsieur, votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre du Commerce.

MINISTÈRE DU COMMERCE, le 5 juin 1925.

CHER MONSIEUR,—En réponse à votre lettre du 4 courant, ayant trait aux dépenses pour travaux de "reliure et impressions diverses" encourues par M. Hudd, permettez-moi de vous dire que nous lui avons écrit à ce sujet le mois dernier et voici ce qu'il déclare dans sa réponse:—

"A propos de l'item de \$21.00 pour impression et papeterie, je ne savais pas que cette réquisition devait être faite par le ministère. Outre les enveloppes, le papier à écolier et autres fournitures, la papeterie employée dans notre bureau est imprimée par un imprimeur de cet endroit pratiquement au prix coûtant, et depuis l'établissement de ce bureau, les fournitures de papier à lettres et d'enveloppes, imprimées pour notre usage, ont été obtenues de cette source. On ne m'a jamais posé de question à ce sujet, mais si je fais erreur, je vous prie de m'en avertir."

Sa réponse relative aux travaux d'impression s'applique également, sans doute, à la question de la reliure du Bulletin des renseignements commerciaux, dont le montant est de \$12.00.

Devons-nous déduire de votre lettre qu'il sera nécessaire, lorsque les commissaires du commerce dans des endroits éloignés comme Cape-Town, Shanghai, etc., auront besoin d'une petite quantité de papier à lettres ou d'enveloppes, de faire faire l'impression ici et expédier ensuite ces fournitures là-bas? Cela entraînera naturellement des frais de transport, de même que des droits de douane et coûtera, je n'en doute pas, plus cher au gouvernement que si l'impression en était faite sur les lieux.

Votre dévoué,

F. C. T. O'HARA, *S.M.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 17 juin 1925.

MONSIEUR,—Faisant suite à ma lettre du 4 courant et à votre réponse du 5 courant relativement à une certaine dépense pour impressions et reliure faite par Frederic Hudd, commissaire du commerce à New-York, je désire signaler que, bien que l'application de la loi dans un cas de ce genre soit contestable, je n'ai pas la compétence voulue pour changer ou modifier une loi du Parlement. Le chapitre 60, article 16, des Statuts révisés du Canada s'applique, à mon avis, aux achats en question.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, *A.G.*

Vote 375—Frais de déplacement de J. W. Ross, commissaire du commerce, lors de sa mise à la retraite

BUREAU DE L'AUDITEUR GÉNÉRAL, le 22 août 1925.

MONSIEUR,—Je désire attirer votre attention sur la paiement suivant fait à J. W. Ross, commissaire du Commerce à la retraite, Shanghai; chèque n° 4706 de l'année financière 1924-25.

Deux passages de première, Shanghai à Vancouver	
à \$346.	\$ 692 00
Deux billets de chemin de fer, de Vancouver à l'Est canadien, à \$123.	246 00
Total.	\$ 938 00

Je vous serais obligé si vous m'informiez en vertu de quelle autorité les frais de déplacement de M. Ross de Shanghai à l'Est canadien furent payés.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre du Commerce.

MINISTÈRE DU COMMERCE, le 24 août 1925.

MONSIEUR,—En réponse à votre lettre du 22 courant relative aux "frais de déplacement de J. W. Ross, commissaire du Commerce en retraite", je dois dire que l'autorité sur laquelle nous nous sommes appuyés pour faire ce paiement ne saurait être mieux établie qu'en citant le mémoire du 24 décembre 1924 portant sur le sujet et adressé au ministre et sur lequel il a annoté son approbation du paiement:—

"J'annexe à la présente un mémoire du docteur Ross demandant qu'on lui paie ses frais de retour au Canada ainsi que ceux de sa fille, les deux s'élevant à la somme de \$938.00. J'ai d'abord refusé, vu que le docteur Ross fut nommé commissaire du commerce, alors qu'il habitait la Chine. Toutefois, il prétend maintenant que sa demeure est au Canada; c'est par hasard qu'il se trouvait en Chine lors de sa nomination en 1914. De ce fait le gouvernement n'eut pas à payer ses frais de transport à cet endroit.

"Il est vrai, comme il le déclare, que son salaire ne fut pendant cinq ans que de \$3,000, sans allocation de subsistance. Il ne put faire d'économies. Ses deux filles durent accepter des positions.

"Son salaire cessa le premier novembre dernier, mais il resta en fonctions jusqu'au 26 novembre, moment de son départ. Depuis des années il a été d'usage au ministère de payer les frais de transport des commissaires du commerce, lors de leur nomination, du Canada à leur poste à l'étranger, et, à leur mise à la retraite, leurs frais de retour au Canada. Veuillez nous donner vos instructions.

Votre tout dévoué,

F. C. T. O'HARA, *S.-M.*

L'Auditeur général adjoint.

CORRESPONDENCE—CORRESPONDANCE

BUREAU DE L'AUDITEUR GÉNÉRAL, le 27 août 1925.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 24 courant en réponse à la mienne du 22 courant, concernant le paiement des frais de déplacement de M. J. W. Ross, commissaire du commerce au retraite, de Shanghai à l'Est canadien.

A cause des dispositions de l'arrêté en Conseil du 8 septembre 1871 décrétant que "Nulle allocation de frais de déplacement ne sera accordée sauf avec l'approbation du Conseil du Trésor" et de la décision formelle du Conseil du Trésor qu'il ne sera faite aucune exception à cette règle pour les commissaires du commerce, les sous-commissaires du commerce et les commissaires junior du commerce, je suis d'avis qu'il faudrait obtenir l'approbation du Gouverneur en Conseil pour ledit paiement.

J'ai l'honneur d'être monsieur,

Votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre du Commerce.

Vote 379—Paiements aux employés blessés alors qu'ils étaient en fonctions

MINISTÈRE DU COMMERCE, le 18 avril 1925.

CHER MONSIEUR,—Il arrive parfois que des employés de ce ministère, et plus particulièrement ceux qui sont préposés au service des ascenseurs, sont frappés d'incapacité par suite d'accidents mineurs qui, à part l'empêchement qu'ils entraînent, de vaquer à leurs occupations pendant quelques jours, peuvent aussi exiger des soins médicaux, tels que pansements, etc., médicaments, frais d'hôpital ou d'ambulance.

Bien que la Loi de compensation ouvrière des différentes provinces puisse comporter une disposition relativement à ces frais, il semble tout raisonnable qu'il soit permis au ministère de payer une somme limitée à même des crédits.

Conséquemment, auriez-vous l'obligeance de m'informer jusqu'à quel point nous pouvons payer de tels frais à même nos crédits.

Naturellement, si l'accident entraînait la mort ou des blessures assez sérieuses pour causer une incapacité prolongée ou peut-être permanente, l'affaire serait rapportée à la Commission des compensations ouvrières de la province dans laquelle l'accident est survenu.

Votre dévoué,

F. C. T. O'HARA, *S.-M.*

L'Auditeur général.

TRADE AND COMMERCE—COMMERCE

BUREAU DE L'AUDITEUR GÉNÉRAL, le 23 avril 1925.

MONSIEUR,—J'ai reçu votre lettre du 18 courant concernant les employés de votre ministère qui sont victimes d'accidents mineurs, particulièrement les employés qui sont préposés au service d'ascenseurs, et demandant d'être avisés jusqu'à quel point les frais occasionnés par ces accidents peuvent être payés à même vos crédits.

Je crois que des réclamations de cette catégorie devraient être soumises au Conseil du Trésor.

Je suis, monsieur,

Votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre du Commerce.

Vote 382—Service du génie, élévateur du terminus d'Halifax

BUREAU DE L'AUDITEUR GÉNÉRAL, le 19 février 1925.

MONSIEUR,—J'ai reçu votre demande en date du 16 février 1925 pour un chèque au montant de \$17,994.00 en faveur de la maison John S. Metcalf Co., Ltd., représentant un paiement en acompte pour services du génie rendus relativement à la construction de l'élévateur au terminus d'Halifax.

Je suis d'avis qu'il faudrait obtenir l'autorisation du Gouverneur en Conseil pour l'engagement de la maison John S. Metcalf Co., Ltd., comme ingénieurs, et le paiement de leurs honoraires pour services rendus.

Il faudra, naturellement, que toute réclamation soumise par les ingénieurs soit certifiée conformément à la Loi du Revenu consolidé et de l'Audition.

Je vous retourne ci-joint votre demande ainsi que les documents qui y sont annexés.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adj.*

Le sous-ministre du Commerce.

MINISTÈRE DU COMMERCE, le 22 octobre 1925.

CHER MONSIEUR,—En réponse à votre lettre du 19 février concernant l'engagement de la maison John S. Metcalf Company pour services du génie relativement à la construction de l'élévateur au terminus d'Halifax, je devrais dire que l'on a pensé que l'envoi d'une copie du contrat passé avec cette firme à votre bureau aurait répondu à vos besoins. Apparemment, ce n'est pas ce qui est arrivé.

Conséquemment, je vous aviserai qu'une demande a été envoyée au Conseil recommandant d'approuver l'engagement de la maison John S. Metcalf Company, Limited, et les honoraires qui seront payés à ses ingénieurs pour services rendus relativement à la construction de l'élévateur d'Halifax.

Quand cet arrêté en Conseil sera reçu, une copie vous sera envoyée.

Votre dévoué,

J. G. PARMALEE, *S.-M. adj.*

L'Auditeur général.

CORRESPONDENCE—CORRESPONDANCE

MINISTÈRE DU COMMERCE, le 11 novembre 1925.

CHER MONSIEUR,—Conformément à votre demande, je vous inclus copie de l'arrêté du 10 novembre 1925—C.P. 1962—à l'effet d'autoriser la nomination de la maison J. S. Metcalf Company, Limited, de Montréal, à titre d'ingénieurs en vue de la construction de l'élévateur d'Halifax, et de désigner la nature de leurs émoluments.

Bien à vous,

Preston en vue de rechercher l'existence de la distinction, alléguée dans les taux de fret, ainsi que la prétendue coalition ou entente relative au fret pour lequel il est imposé un certain tarif de droits.
- (2) C.P. 328/1394, en date du 22 août 1925, à l'effet d'autoriser le versement des sommes ci-contre à M. W. T. R. Preston à propos de l'enquête sur lesdits taux de fret,—

Entretien..	1,470 00
Frais de déplacement..	378 90

	\$6,223 62

- (3) C.P. 333/1394, en date du 22 août 1925, à l'effet d'autoriser l'utilisation des services de M. C. M. Goddard à propos de l'enquête sur les taux de fret océanique et l'assurance maritime connexe, travaux auxquels il est attaché des émoluments.
- (4) C.P. 323/1394, en date du 22 août 1925, à l'effet d'autoriser l'utilisation des services des sténographes ci-contre au tarif désigné, en vue d'assister le comité enquêteur sur les taux de fret océanique:—
 - Mlle Blanche Preston à \$5.00 par jour.
 - Mlle Daisy Bell, à \$5.00 par jour.
 - Mlle Ruth Bell, à \$3.00 par jour.

L'article 23, alinéa 5, de la Loi du Service civil de 1918 dit:—

“La commission peut autoriser, sans examen de concours ou autre, la nomination de personnes possédant des connaissances professionnelles, scientifiques, techniques ou autres d'un caractère spécifique, et dont les

TRADE AND COMMERCE—COMMERCE

services sont requis pour des travaux de nature exceptionnelle, et les émoluments ou le salaire à verser à toute personne dont les services sont ainsi utilisés seront ce que les désignera le Gouverneur en Conseil."

Veillez me faire savoir si ces nominations ont reçu la sanction de la Commission du Service civil comme le veulent les dispositions de cet article.

Je suis, monsieur, votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre du Commerce.

MINISTÈRE DU COMMERCE, le 19 septembre 1925.

CHER MONSIEUR,—En réponse à votre lettre du 16 de ce mois dans laquelle vous me demandez de vous faire connaître si les services de MM. W. T. R. Preston, C. M. Goddard et de Mlles Blanche Preston, Daisy Bell et Ruth Bell, à propos de l'enquête conduite sur les taux de fret océanique ont reçu la sanction de la Commission du Service civil, je dois dire que, autant que nous le sachions ici, la Commission n'a pas sanctionné ces nominations, les arrêtés qui autorisent l'utilisation des services de ces personnes étant considérés comme constituant non seulement une autorisation suffisante mais même des instructions à l'endroit de ce ministère, en vue de leur assurer le versement de leurs émoluments.

Bien à vous,

F. C. T. O'HARA, S.M.

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 23 septembre 1925.

MONSIEUR,—Je reçois à l'instant votre lettre du 19 de ce mois, qui vient en réponse à la mienne du 16 demandant de quel droit MM. W. T. R. Preston, C. M. Goddard et trois sténographes se sont vu confier un travail dans l'enquête conduite sur les taux de fret océanique, et où vous me dites que votre ministère a jugé les arrêtés comme constituant une autorisation suffisante, non seulement pour assurer leur nomination mais encore pour leur verser les émoluments invoqués dans ma lettre.

A mon sens, l'arrêté nommant M. Preston ne suffit pas pour assurer sa nomination si cet arrêté ne s'appuie pas sur la loi des enquêtes.

M. Preston a-t-il reçu une commission sous le régime de cette loi?

Comme le portait ma lettre du 16 de ce mois, la loi du Service civil comporte les dispositions nécessaires à la nomination de personnes possédant des con-

CORRESPONDENCE—CORRESPONDANCE

naissances professionnelles, scientifiques, techniques ou autres d'un caractère spécifique et dont les services sont requis pour effectuer des travaux d'un caractère exceptionnel.

Je suis d'avis que la nomination de M. Preston aurait dû se faire sous le régime ou de cette loi ou de la Loi des enquêtes.

Je suis, Monsieur,

Votre obéissant serviteur,

GEORGES GONTHIER, A.G.

Le sous-ministre du Commerce.

MINISTÈRE DU COMMERCE, le 24 septembre 1925

CHER MONSIEUR,—A propos de votre lettre du 23 septembre concernant l'enquête sur les taux maritimes, je dois vous déclarer que M. Preston n'a pas reçu de commission en vertu de la Loi des enquêtes, le ministère se basant sur les arrêtés en Conseil cités dans la correspondance antérieure, comme exprimant les désirs du gouvernement.

Cordialement à vous,

F. C. T. O'HARA, S.M.

A l'Auditeur général.

Vote 485—Commission Royale d'Enquête sur les grains—avance dont il n'a pas été rendu compte

BUREAU DE L'AUDITEUR GÉNÉRAL, le 14 septembre 1925.

MONSIEUR,—Je désire attirer votre attention sur le chèque 2512 de l'année financière 1924-25 pour \$11,200, émis afin de couvrir les dépenses relatives à la Commission Royale d'Enquête sur les grains.

Les paiements suivants à même le montant en question m'ont été transmis:—

L'hon. W.-F.-A. Turgeon.. . . .	\$ 1,042 10
J.-G. Scott.. . . .	500 00
R.-J. Deachman.. . . .	1,210 80
L.-E. Cross.. . . .	600 00
A.-A. Tingley (pour son témoignage, etc.).. . . .	6,828 95
Remboursements.. . . .	418 15
	\$10,600 00

Je vous serais obligé de vouloir bien me laisser savoir s'il a été rendu compte du solde, s'élevant à \$600.

Je suis, monsieur,

Votre obéissant serviteur,

WM KEARNS, A.G. adj.

Le sous-ministre du Commerce.

REMARQUE PAR L'AUDITEUR GÉNÉRAL.—Il n'a pas été rendu compte de la somme de \$600 en souffrance.

TRADE AND COMMERCE—COMMERCE

Recouvrement des deniers dus par M. Beddoe, Commissaire du Commerce

BUREAU DE L'AUDITEUR GÉNÉRAL, le 28 mai 1925.

MONSIEUR,—Je désire attirer votre attention sur l'arrêté en Conseil, C.P. 227, daté du 12 janvier 1925, relativement au recouvrement de certaines sommes dues par M. Beddoe, le commissaire canadien du commerce dans la Nouvelle-Zélande.

“Le ministère de la Justice ayant été avisé par son agent à Auckland, Nouvelle-Zélande, que sa propriété devait être vendue le 19 décembre 1924 par le créancier hypothécaire et qu'on anticipait un surplus, a reçu instruction de déposer une réclamation pour le montant dû au ministère du Commerce. L'agent devait faire preuve de jugement dans cette affaire, vu que le ministère n'était pas désireux de payer des frais de cour dans une proportion dépassant la réclamation ou le dividende possible. On n'espère pas que la vente de la propriété fera réaliser le montant entier dû au ministère du Commerce.

Le ministre recommande donc que tout solde dû au ministère du Commerce, après que le ministère de la Justice aura payé les sommes qu'il percevra, soit imputé directement sur l'allocation de retraite payable à M. Beddoe, s'élevant à \$1,075.27 par année et que le ministère des Finances reçoive instruction de transporter de temps en temps au ministère du Commerce, les sommes dues et accumulées au crédit de M. Beddoe, jusqu'à ce que toute la dette ait été recouvrée.”

Veuillez me faire connaître quel montant le ministère de la Justice a recouvré par la vente de la propriété de M. Beddoe, le 19 décembre 1924.

Je vous serais aussi obligé si vous vouliez bien me transmettre un exposé de toutes les réclamations provenant des pertes éprouvées à la suite des agissements de Beddoe, lorsqu'il était commissaire du commerce dans la Nouvelle-Zélande, de même que les sommes recouvrées par la vente de sa propriété ou déduites de son annuité de retraite.

Je suis, monsieur,

Votre obéissant serviteur,

WM KEARNS, *A.G. adj.*

Le sous-ministre du Commerce.

MINISTÈRE DU COMMERCE, le 1er juin 1925.

CHER MONSIEUR,—En réponse à votre lettre du 28 écoulé, au sujet des deniers dus par M. Beddoe, l'ancien commissaire du commerce dans la Nouvelle-Zélande, je dois vous dire que le ministère de la Justice a écrit à ses agents dans la Nouvelle-Zélande, leur demandant un rapport relativement à la vente de la propriété de M. Beddoe. Lorsque nous en connaissons la teneur, nous vous en informerons.

J'inclus sur votre demande un exposé des réclamations payées par le ministère en faveur de M. Beddoe, et de la somme recouvrée. Il reste encore à recouvrer la somme de \$1,074.08.

Cordialement à vous,

F. C. T. O'HARA, *S.M.*

L'Auditeur général adjoint.

CORRESPONDENCE—CORRESPONDANCE

MINISTÈRE DU COMMERCE, le 14 juin 1924.

CHER MONSIEUR,—Me référant de nouveau à ma lettre du 1er courant au sujet de l'avance faite à M. W. A. Beddoe, je vous envoie sous ce pli une copie de l'arrêté autorisant le ministère des Finances à retenir sur l'annuité de retraite payable à M. Beddoe la somme de trois cent cinq dollars et quatre-vingt cinq cents (\$305.85) qui sera transférée au ministère du Commerce.

Votre tout dévoué,

F. C. T. O'HARA, S.-M.

L'Auditeur général adjoint.

13-14 Geo V, chap. 63—Prime sur le pétrole brut

BUREAU DE L'AUDITEUR GÉNÉRAL, le 13 octobre 1925.

MONSIEUR,—Les chèques 2912 et 4012 émis contre votre lettre de crédit, pour l'année financière 1924-25, sont en paiement de certaines réclamations, se montant à \$376. 72, produites par la compagnie "New Brunswick Gas and Oilfields Limited", au sujet d'une prime de 1½c. par gallon de pétrole brut, tel que prévu par 13-14 George V, chap. 63.

L'article 2 de ladite loi décrète que:—

"Sur le pétrole brut produit le ou avant le treizième jour de juin 1924, il sera payé une prime d'un cent et demi par gallon impérial."

"Sur le pétrole brut produit le ou après le premier juillet 1924 et au plus tard le treize juin 1925, il sera payé une prime de ¾ d'un cent par gallon impérial."

Les réclamations soumises comportent que le pétrole brut en question a été "produit au Canada et livré aux chemins de fer Nationaux du Canada à l'usine de wagons de Moncton" soit entre le 1er et le 31 juillet, soit entre le 1er et le 31 août 1924.

Vous m'obligerez donc en me disant pourquoi la compagnie productrice a reçu 1 cent et demi par gallon au lieu de ¾ de cent par gallon, tel que prévu dans la loi, pour le pétrole produit le ou après le 1er juillet 1924.

Je suis, monsieur,

Votre obéissant serviteur,

WM KEARNS, A.G. adj.

Le sous-ministre du Commerce.

MINISTÈRE DU COMMERCE, le 15 octobre 1925.

CHER MONSIEUR,—En réponse à votre lettre du 13 courant, concernant le paiement d'une prime sur le pétrole brut à la compagnie "New Brunswick Gas and Oilfields, Limited", je dois dire que le chèque n° 3912 au montant de \$188.36 était en paiement de réclamations à trois quarts de cent par gallon. Ce chèque a été transmis à notre inspecteur à Bouctouche pour qu'il le remette à la compagnie pétrolière.

TRADE AND COMMERCE—COMMERCE

M. Leblanc, l'inspecteur, a écrit au comptable le 21 octobre 1924 (ci-joint une copie de sa lettre), pour faire remarquer que si la prime n'était réclamée qu'en juillet et août, l'huile avait été produite avant le 30 juin. Je vous envoie aussi copie de la lettre de la compagnie pétrolière dont parle M. Leblanc.

Le 23 octobre, le comptable a écrit à M. Leblanc lui demandant que la compagnie produise un affidavit au sujet du montant exact de la prime et un autre attestant que l'huile avait été produite le ou avant le 30 juin 1924. Ci-joint également une copie de sa lettre.

Nous vous transmettons également le certificat original de la compagnie "New Brunswick Gas and Oilfields, Limited", envoyé en réponse à la demande du comptable, certifié par un mot de M. Leblanc attestant que l'huile avait été produite avant le 30 juin.

A cause de ces lettres et de ces certificats, le comptable a cru devoir payer les trois quarts de cent supplémentaires par gallon lors de l'émission du chèque 4012 au montant de \$188.36.

Bien à vous,

J. G. PARMELEE, *S.-M. adj.*

L'Auditeur général adjoint.
